

TANEYTOWN

Mrs. Jacob Buffington, of York, spent Wednesday last with friends here. This is her first visit for quite a while. A bad auto accident occurred last Wednesday evening at the crossing at Sykesville, Misses M. Louise Reindollar and Clara Brining, with Geo. A. Frealing at the wheel of Miss Anna Gall's closed car, were returning from a visit to Washington, about 8 p. m. in crossing the railroad, the car was struck by a B. & O. engine. There was no light and no flagman. All the occupants were slightly injured. The car was badly wrecked, medical aid was rendered by Dr. Sprecher, of Sykesville, and all were sent home by the railroad company later in the evening. The escape from death was remarkable. Only about two weeks ago, there was a more serious accident at the same place. Some parties were killed. We greatly fear Taneystown will follow the same fate as Sykesville, as we have no crossing protection here. Often the trains do not sound the proper warning.

Miss Lulu Frock, of Keysville; Mrs. John Albaugh, of New Midway; Mr. and Mrs. Chas. Campbell and two children, of Westminster. Mrs. Frances M. Diffendal spent Wednesday with her brother, Mr. J. Walter Shunk, of Westminster. The Sell Baking Company opened for business on Wednesday. The Firemen's Supper last Wednesday was a grand success. The receipts being \$265, the clear profit being \$190. The sale of Mr. Chas. E. C. B. Schwartz took place Monday and Tuesday of this week. Monday was the implement sale; Tuesday household goods were sold. These are a few of the interesting prices realized, one grandfather's clock, purchased by Mr. Emory Schwartz, of Hanover, for \$150.00; a case of drawers brought \$32; a set of dishes \$25.00; a dining room table \$18.00; a dining room chair \$4.00 a piece, and a large quantity of home made linen brought fabulous prices, in fact, everything sold above par. Mr. Schwartz and daughter are still patients at Springfield Hospital, Sykesville.

school Sunday morning at 10 o'clock. Let's try to have as near a full attendance as we can and show our superintendent our appreciation for what he has done during the past year, and show him we will stand by him during the coming year. Sunday evening, 6:45 Junior Endeavor; 7:30 Senior Endeavor. It is consecration night. Topic, "Better Home Life." The president will be the leader and urges everybody to come, and come prepared to make it a real night of consecration. Our new members will be taken in at this time. After C. E. services our pastor will conduct the Christian Endeavor expert class for about fifteen minutes.

DEER PARK We wish to extend our heartfelt appreciation to our Westminster friends who so kindly came down and helped to make our oyster supper a success. We want to thank all, because everybody worked together and as a result we cleared in the two nights \$100.21. Isn't that fine? We never know what we can do until we try. On Sunday afternoon the Sunday school officers were elected for the following year. They are as follows: Superintendent, Oscar Baker; Assistant Superintendent, Geo. Freyman; Organist, Thelma Welsh; Assistant Organist, Elsie Conaway, Treasurer, Viola Baker; Secretary, Eva Logue; Assistant Secretary, Walter Arnold; Librarian, John Babylon; Assistants, Ray Hook and Ernest Glover. During the past year our Sunday school has grown. Many things have been accomplished under the leadership of our superintendent, Oscar Baker, who has put his best efforts into the work and deserves much credit. When we do our best for God, we can always look for great results. The last that we have heard from our Field Secretary, our Christian Endeavor Society is leading the State of Maryland in regards to the Four Square Chart. We now have 240 points which gives us the red and blue seals, and in the very near future we hope to have the gold. Think of it folks! Deer Park, out here in the open country, a royal society leading the large societies in Baltimore and the other large towns. We are up and doing for Christ. Our greatest pride is not the fact that we are leading, but it is the actual work that we are doing for Christ. Deer Park, as a whole, is alive in the Christian world, more so than it has ever been. Our pastor, Rev. Link, is doing a great work and we have faith enough in him and in God to believe that he will stay with us and continue this great work, for the upbuilding of God's Kingdom here. Everybody come out to Sunday.

PLEASANT GROVE AND REESE. Sunday school at 9:30 on Sunday. Instead of regular preaching service the Annual Missionary entertainment will be held at 10:30, to which all are invited. A missionary program is being arranged and the pastor will speak on missions. The 4th Quarterly Conference was held recently at the parsonage. Dr. Barnes, the District Superintendent, was present and a good attendance of members. The Ladies' Aid will meet at the home of the Misses Read on Saturday afternoon, March 11. Mrs. Furreson, of Baltimore, has been at the parsonage the past week with her daughter, Mrs. Sadofsky, who has been on the sick list. Mrs. Butler Gorsuch and Mrs. Blanche Magee spent the past week in Baltimore, with relatives and friends. Not all of those interested in China should get the Open Door, some should get the gate.—Brooklyn Eagle.

DRIVE LION TO COVER Colorado Springs, Col., Feb. 27.—A mountain lion which had ventured from the eastern slopes of Mount Baldy, in the North Cheyenne canyon, Colorado Springs Park, was attacked today by a pair of bald eagles. The fight was witnessed by Pearl Turner and Ella Taylor. The eagles had the lion at a disadvantage from the start. They would both swoop down at once, using claws and beaks unmercifully. The lion tried all the time to escape. When close pressed he would leap at his antagonists, snapping and striking with his paws. The eagles used their wings effectively to escape their onslaught. The lion finally obtained shelter in brush.
