EYES BLOWN OUT

EDWARD MAGEE SERIOUSLY INJURED BY DYNAMITE EXPLOSION.

Edward Magee, aged about 45 years, living at Mexico, was seriously injured Monday afternoon when a charge of dynamite exploded while over it.

Mr. Magee was removing stumps from his new ground by blowing them out with dynamite. After finishing the work on his own property Mr. David Martin asked him to use the surplus dynamite in removing some stumps from his ground. Mr. Magee had prepared a charge, during the time a fire had started in the grass around the stump, and had ignited the fuse unbeknown to him. George Martin, who was assisting Mr. Magee, said, "Ed, I believe the fuse is on fire." Ed remarked, "I don't think so." As he leaned over to investigate the charge went off in his face.

Dr. Woodward found Magee badly injured and rushed him to the Baltimore Eye, Ear and Throat Hospital, where it was found that one eye and probably the other is destroyed and his face mangled in a most horrible manner.

When the charge went off Mr. Magee threw his hands over his face and walked by assistance to Mr. David Martin's residence, where his face was washed and bandaged.

WESTMINSTER ATHLETIC ASSOCIATION PROGRAM FOR YEAR 1922

The idea of forming a Carroll County Base Ball League for the summer of 1922 which started auspiciously last fall in a well attended and enthusiastic meeting of representatives from all parts of the county has proven inadvisable due to insurmountable difficulties.

The League failing Westminister plans to play independent ball putting a first class team in the field and will plan to have prominent teams here to furnish good ball for this year.

In order to do this we need the moral and financial support of all the people of our community.

As a matter of local pride and an exceptional means of advertising our city this project deserves that support which you can all furnish by giving your aid to the following program for raising funds.

Your membership fee of \$5.00 will be solicited.

There is a committee selling shares in a Brunswick phonograph and the holder of the winning number will be announced on the night of March 31st at the close of a feature motion picture which will be held at the Opera House for the means of collecting funds for this purpose.

Announcement will be made later relative to the motion picture and there will be other entertainment the same night.

The officers of the Association for the present year are:
Russell A. Mowen, president.
Ober S. Herr, vice president.
J. Albert Mitten, secretary and treasurer.
J. Francis Reese, manager of base ball.

Russell A. Mowen, assistant manager.
Executive committee, J. Pearce Wantz, chairman; Edward G. Duncan and Leeds K. Billingslea.

STILL FOUND NEAR TANEYTOWN

On Monday night State's Attorney Brown, assisted by Prohibition Officers Plincum and Berman, and Officer Weigle, made a raid on the premises of Aquilla J. Stottlemeyer was taken to Baltimore before Commissioner Suplee and released for a hearing next week.

To kiss a young woman in Palo Ponto, Tex., is \$50 fine and 30 days in jail, which was the assessment placed by a judge there on an old man 70 years of age.

A bill to use voting machines, through the entire State of Maryland was offered Tuesday in the Legislature.

BEWARE OF THIEVES.

If conditions do not soon improve in this city, it would be well for our city officials to post on all roads entering this city the words "Beware of thieves." Stealing has been carried on throughout the city for some time and complaints are many. On Saturday night two gentlemen from Union Mills came to this city, purchased clothing to the amount of several dollars and placed them in their automobile while they went to another store. They were only gone about ten minutes and not over 400 yards away from their car, when they returned the car was cleaned of everything. Evidently the thief was watching the men when they placed the goods in the car. The thieves are bold, they work in day-light as well as night.

McMILLAN GOES TO FREDERICK.

Charles McMillan, of Patapsco, who played left field for Patapsco base ball club last summer, has signed a contract to play with Frederick Blue Ridge League team for this coming season.

THE WORD "SOBER" IS OBSOLETE.

Since prohibition does prohibit, in the majority of cases, the word "sober" is losing its place in the vocabulary of the nation. When a man applied for a position his recommendation was, "He is sober and industrious." Now this is no longer deemed necessary.

JUDGE REPRIMANDS PRISONERS

INCREASE SENTENCE ON MITTEN—PUTS FINE TO FRANKLIN'S TIME—NO CHANGE FOR GIRLS—ALL STARTING TO SERVE THEIR TIME.

Before one of the largest crowds—resembling a county fair gathering—ever assembled in the Court House was Friday to hear the trials of Arthur Mitten, Rosie Zeigler, Frances Winters and Charles Franklin on charges preferred by State's Attorney Brown, with Judges Thomas and Moss on the bench.

The news spread rapidly that the trial was to be tried Friday and about 7.30 a. m. the people kept up a continuous stream to the Court House until 10 o'clock, packing every available space of the room. Many could not gain admittance and left.

After hearing the evidence, which differed some what from that given before Justice Walsh on March 1, the following sentences were pronounced by Judge Thomas:

Arthur Mitten, two years in the House of Correction, who was taken to the above institution Monday.

Francis Winters and Rosie Zeigler, 15 and 16 years, to be committed to the Maryland Training School for Girls, until they reach the age of 21 years. The school is located near Reisterstown. Both were taken to the school Sunday.

Charles Franklin, colored, 6 months in jail and a fine of \$100, whose time started Friday.

The parties above were arrested in the form of a raid on the residence of Charles Franklin, colored, about midnight on February 24, on complaint preferred by the colored people of Charles street. The trial was set for March 1 in which all were found guilty by Justice Walsh on different charges and held for Court under heavy bond.

In passing sentence Judge Thomas administered a scathing rebuke to Mitten, telling him a man of his age guilty of the conduct proved against him should be ashamed to look Satan in the face. His sentence was made two years instead of one. Franklin's sentence was changed to six months in jail and a fine of \$100, and the girls' sentences were unchanged. It is said that there are other cases of a similar character in this city, and if there is not speedy improvements in moral conditions other arrests will be made.
