### BOB-WHITE QUAIL ARRIVE.

400 Mexican Bob-White Quail reached Westminster, Monday morning. The men on the various committees throughout the county were notified and nearly all these birds were liberated the same day. The birds were only five days coming here from Texas and arrived one day sooner than expected. It is rather unfortunate that it was necessary to put them out during the cold weather as some of them may not live, for they came from a warm climate. Lets hope that they will soon have some real spring weather.  
These birds are supposed to be the same as our native birds, except that coming from a different climate, they are a little lighter in color and smaller. It was demonstrated at the game farm last year that they will mate with our native birds as the writer saw a motion picture showing the nest, eggs and birds and Mr. LeCompte, the State Game Warden, stated that this fact was satisfactorily proven at their farm.

Secretary Forest & Stream Club.

### REWARD FOR GARTRELL

The County Commissioners of Frederick County, have offered a reward of \$500 for the capture of Harvey Gartrell, 29 years old, who two weeks ago is alleged to have shot and instantly killed Arta Iris Jenkins, 17 years old, at the home of her grandparents, Mr. and Mrs. George Hess, Buckeystown. One hundred dollars will be paid to anyone finding the dead body of the youth.  
Not a word has been heard from dozens of photographs and descriptions of the young man sent broadcast. While many persons think he committed suicide by drowning himself in the Monocacy river, other believe that he eluded the officers and made his escape.

## BLUE RIDGE DEBATERS

### WIN

### FROM WASHINGTON COLLEGE—NEW WINDSOR ORATORS TAKE FIRST DEBATE OF THE SEASON BY UNANIMOUS DECISION.

In its first debate of the season, Blue Ridge College sent Washington down to defeat Friday night. The subject discussed was, "Should the principle of the open shop be adopted by the industries of the United States?" The affirmative was upheld for Washington by Messrs. Conrad M. Wingate, Ernest J. Langham and Gilbert V. Byron. Blue Ridge was represented on the negative by Messrs. Miles Murphy, McKinley Coffman and Norman Wilson. Although the Washington debaters showed evidence of much preparation and performed in such a manner as to reflect much credit on their school, they were thoroughly outclassed both in matter and delivery by the Blue Ridge orators, and the subsequent unanimous decision was no surprise to the large audience present. The judges for the debate were Hon. J. Lloyd Harshman, one of the leaders of the Hagerstown bar, and Prof. A. E. Woodhead and Dr. R. N. Edwards, two prominent citizens of Westminster.  
The next debate will be held at New Windsor on April 5 when Blue Ridge encounters Colby College, Waterville, Maine. Colby will defend the negative of the question, "The principle of the closed shop is justifiable." This debate should draw a feature crowd, as Colby is one of the oldest of the New England colleges, and has an enviable record in debating her closest rival for debate being Bates University which last year defeated both Harvard and Yale. Colby is making a debating tour through the country and will meet at least six large colleges before arriving in New Windsor. The Blue Ridge team will spare no efforts in preparing for what will be the biggest intercollegiate debate ever held in Maryland.

### PIG CHASE IN CHURCH

Baltimore, March 19.—Twenty pigs broke away from a herd belonging to Ludwig Sellmeyer, that were being unloaded here today, and stampeded through the streets of East Baltimore. One big boar, charged through the open door of the Sacred Heart Catholic Church, where Father Kessler was conducting services. It happened that one of Sellmeyer's employees was attending the services, and, just as the orker was diving under the altar rail, the man made a wild dive for it, catching it by a hind leg. However, the pig was too slippery for him, and soon escaped, granting behind the altar. Services were broken up and the congregation joined the hunt.  
Another employee of Sellmeyer arrived with a hunting dog trained to catch pigs by the ear, but the priest refused to allow the dog to enter the building. Finally, the pig was captured and services resumed.

## CHRISTIAN ENDEAVOR ACTIVITIES

The second annual Christian Endeavor Institute for Carroll county, held in the Methodist Protestant Church, this city, March 17th, was interesting, helpful and enjoyable and was attended by 71 delegates representing 14 societies. The condition of the roads prevented many from attending. The afternoon session was devoted to conference work, conducted by Field Secretary Wright, of Maryland, and General Field Secretary Clarence C. Hamilton, of the United Society, of Boston. The fellowship, luncheon between the afternoon and evening session was everything the word "fellowship" implies, and was enjoyed by all. The mass-meeting held at night was attended by a large audience, filling the auditorium, and the address by Mr. Hamilton, entitled "Forty-One Years Young," was inspirational and helpful, and made everyone a better endeavorer. The special musical features were two beautiful anthems by the choir.

The annual executive meeting of the Carroll County C. E. Union will be held Saturday afternoon, April 1st, at 2:30 in the lecture room of the Methodist Protestant Church, this city, at which time the date for holding the annual county convention at Deer Park M. P. Church will be decided upon.

Carroll county has the distinction of being the first county in the state of Maryland to acquire a Gold Seal in the Four-Square Campaign, that honor going to Deer Park Methodist Protestant Society, at Smallwood. About five weeks ago this society adopted the Four-Square Campaign as their particular effort, and at the institute on last Friday their last goal was attained, that of placing the C. E. World and the Maryland Endeavor in every one of the 26 homes represented in their society. This attainment for a rural society is a high honor, and too much praise cannot be given to the society, to Rev. J. N. Link, pastor of the church, and to every member of the society. Many more others of our societies follow the example set by Deer Park. This society attended the institute at Westminster in a body, 51 of their number being present at the night session.

### MR. YELLOTT KILLED BY AUTO CRASH

Osborne I. Yellott, former people's counsel to the Public Service Commission and State Employment Commissioner and one of Maryland's best known lawyers, was instantly killed early Sunday morning when his automobile collided with a passenger safety platform at North avenue and Charles street, Baltimore. The force of the collision was so great that the heavy wooden structure was upended and one of the iron supports was driven into Yellott's left side. His body was driven back through the rear of the machine, where it dropped to the street. The automobile drove on, tearing much of the iron support in its flight. Yellott probably never knew what struck him. By the time the few persons who saw the crash reached his side he was dead.  
Yellott was returning home in his high powered machine, at a rapid speed, and the crash could be heard for blocks.  
Less than two years ago Yellott was appointed State Employment Commissioner because of his intimate knowledge of civil service work and needs.  
His funeral was held Tuesday afternoon. Survivors of Port Guy W. Steele was a pallbearer.

### "DRY" BILL KILLED.

The House of Delegates by a vote of 53 to 48, Tuesday, rejected the Senate referendum amendment to the State enforcement act. It is said that saloon keepers of Baltimore were at Washington to prevent the passage of the referendum, as they are perfectly satisfied with the conditions. They pay no license and sell all the same, and are making double the money when the country was wet.

### ANDERSON'S HOME TOWN YIELDS 13 BARRELS AND 12 PRISONERS

Yonkers, N. Y., March 18.—About 150 dry agents flocked into 45 repair stores, saloons, cafes and shoe repair shops here this afternoon, arrested 12 men and seized enough wine, whiskey and liquid what-not to fill 13 barrels.  
Most of the places raided are in the foreign quarter of Yonkers, near the New York city line. In 33 of them the dry agents found no evidence of law-breaking. The 12 prisoners were arraigned and held each in \$500 bail for appearance Monday in New York before Federal Commissioner Hitchcock.  
The evidence on which the 45 search warrants were issued had been gathered during the last three weeks by two prohibition officers working in the home town of William H. Anderson, secretary of the Anti-Saloon League. Their raiding comrades today were assembled from New York, Albany and elsewhere.

## PARALYSIS CAUSES DEATH

### DR. EDWARD A. WARFIELD SUCCUMBS TO DISEASE

Rev. Dr. Edwin A. Warfield, well-known clergyman of the Methodist Protestant Church and professor of English at Western Maryland College, died at his home Wednesday afternoon, having sustained a stroke of paralysis about 10 days ago.

Dr. Warfield was stricken while hearing a class of students and never rallied.  
Dr. Warfield was a native of Frederick county. He graduated from Western Maryland College in 1882 and was the first graduate of the Westminster Theological Seminary in 1884. He then became a student at Yale and received the degree of doctor of philosophy in 1886. His first pastorate was at Harpers Ferry. After serving as pastor at Cambridge and Deer Park he taught in the Westminster Theological Seminary for two years and then was pastor at Lynchburg, Va.; Alexandria, Va., and Laurel, Del.

He was called to the professorship in Western Maryland College in 1906. He is survived by his widow, who is a daughter of Charles W. Button, of Lynchburg, Va. He also leaves three children, Edwin and Joseph Warfield and Miss Mary Warfield, all of this place. He will be buried in the Westminster Cemetery on Friday afternoon after services in the Methodist Protestant Church. Students of the college will be active pallbearers and members of faculties of college and seminary will be honorary pallbearers. F. A. Sharrer & Son funeral directors.

### RECITAL AT ST. JOHN'S.

The quartette from St. Patrick's Choir, Washington, D. C., rendered the following program at the recital in St. John's Church last Tuesday evening:  
"The Seven Last Words" of Dubois.  
1st word: "Father forgive them, for they know not what they do."  
2nd word: "Amen, I say to thee, this day thou shalt be with Me in Paradise."  
3rd word: "Woman, behold thy Son."  
4th word: "I thirst."  
5th word: "My God, My God, why hast Thou forsaken Me."  
6th word: "And Jesus crying with loud voice said, 'It is consummated.'"  
7th word: "Father into Thy hands, I commend my spirit."  
The soloists were: soprano, Edna Hillyard Howard, contralto, Carolyn Manning, tenor, Charles Myers, Basso James Nolan. Accompanist, Jennie Glennon.

The modern religious composition of the French musician Dubois is a well known work in larger musical centers but it is not often that the smaller communities have a chance to hear it; this is so not because of lack of appreciation, for the congregation on Tuesday night proved that there is a large number of real music lovers in Westminster, but because it is not often that suitable voices can be brought together to render this difficult masterpiece.  
One worthy critic said that Dubois, himself would have been satisfied with the rendition of his work on Tuesday night.  
The music was enhanced by the interpolations of Rev. J. N. McManara of Washington who spoke briefly but effectively bringing out the religious setting of the sacred words as they were rendered.  
Benediction followed the musical.

### THE ANNIVERSARY OF CARDINAL'S DEATH

A Requiem High Mass was celebrated this morning in St. John's Church for the repose of the soul of Cardinal Gibbons. There was a large attendance of the congregation and many received Holy Communion.  
This afternoon the school children assembled in the hall and the seniors presented a program commemorating the landing of the Maryland Pilgrims and the establishment of religious liberty in the colonies.  
The memory of Cardinal Gibbons was honored as one of the great Marylanders in the long list of distinguished sons.  
Father Saylor of the Catholic University will preach at the High Mass on Sunday and the Rev. Edward Roach will deliver a special Lenten sermon at the Vesper service in the evening. Father Roach is highly esteemed in Westminster and many will welcome this first opportunity of hearing him.

## HENPECKS HAVE THE PUNCH

### ST. ANDREW'S PUTS IT OVER WESTMINSTER STAR BASKETIERS—BIG GAME AND LAST, MARCH 29.

Westminster basketball followers got more than an ordinary treat for their journey to the State Armory Tuesday night, one of the cage events of the year taking place. This was the game between the married men and the single men's teams, and the former triumphed over the exponent of single blessedness, 16 to 4. In fact, they demonstrated that the "Henpecks" could really play basketball—that is really play in comparison to what their opponents were doing.  
The "Henpecks" were not long in showing that they could play better than the single men's team, and field goals were the only thing that counted in scoring. They were ambitious and, as not many goals were allowed and there was no one to shoot 'em if they had been, the scoring was left entirely to two-point leaps. Walck and Gratton were the only ones on the losing aggregation that could find the basket and this they did only once each. The "Henpecks" used 10 players to win the game.

In the other contest of the evening the Westminster All-Stars lost to the Baltimore All-Stars, 42 to 24. It was a pretty game, both sides putting up a fine battle. Smith and Jones did the real basketing for the visiting combination.  
The line up:  
Henpecks Position Single men  
Smith, F. Barnes  
Bennett, F. Walsh  
G. Schaeffer, C. Gratton  
Billingsley, G. Jones  
Reese, G. B. Schaeffer  
Substitutions—Mowen for Smith, Sayers for Bennett, Duncan for G. Schaeffer, Whitehurst for Billingsley, Boyle for Reese, Thomas for Gratton, Goals—G. Schaeffer (3), Reese, Mowen, Sayers, Duncan, Walsh, Gratton, Foul—Bennett (1 out of 2), R. Schaeffer (0 out of 1), Thomas (0 out of 1), Referee—Hafer.

The players were:  
Baltimore Position Westminster  
Baker, F. Davis  
Jones, F. Keller  
Smith, C. Bouls  
Winchester, G. Oliver  
Wright, G. Speir  
Substitutions—Kinsey for Oliver, Goals—Baker, Jones (6), Smith (5), Winchester (4), Davis (3), Keller (3), Bouls (2), Speir (3), Foul—Jones (10 out of 18), Keller, (10 out of 14), Referee—Law.

On Wednesday, March 29, the last big game of basket ball will be played in the Armory between Westminster and one of the best Independent Athletic Clubs of Baltimore for the benefit of the Westminster Athletic Association. Also a side splitting preliminary game by the Henpecks and the Would-be's.

### A PLEASANT AFTERNOON.

The residence of Mr. and Mrs. John D. Snader, Cedar Hill, near Sam's Creek, was the scene of a most pleasant and congenial company of little folks on last Saturday afternoon, March 18. Hours from one to four p. m. The occasion was the tenth birthday of their only daughter, Louise. Mirth making and various games were indulged in, all taking an active part. The donkey game, the prize won by Miss Ruth Carlisle and the booty by Miss Annabel Ensor. Guess the number of beans in a jar, Master Eli Nicodemus, won the prize, and Miss Sarah Ensor, the booty. At 3:30 p. m. the dining room door was thrown open for refreshments. In the center of the table was the birthday cake with ten pink candles lighted. The colors were pink and green.  
Twelve little ones were seated and partook of ice cream, cake, bananas, candy, orange-ade and mints. The favors were cute and pretty. The afternoon so pleasantly spent passed rapidly and the time for departure came too soon. Louise was remembered very kindly by all. There were twelve lads and eighteen little lasses present. I hope in a little corner of their hearts will long linger the memory of this one happy afternoon.
