IN MEMORIAM.

In sad but loving remembrance of our dear son, Harold Wood, who departed this life, 6 months ago, October 9, 1921.

Harold dear, we'll not forget you, Though your body's 'neath the sod, And we know some day we'll meet you, For your soul rests now with God.

Angels, watch this sleeping dust, Till Jesus comes to raise the just, Then he'll rise to sweet surprise, To see his loved ones by his side.

In sacred remembrance of our dear son, Oscar Dewitt, who passed away one year ago, April 9, 1921.

A precious one from us has gone, A voice we loved is stilled, A place is vacant in our home, Which the world can never fill.

In a little white casket, Resting all among the flowers, Lies the one we loved so well, For such a little while was ours.

You are not forgotten, Oscar dear, Nor ever will you be, For as long as life and memory last, We will remember thee.

Loved in life, in death remembered, By his parents, MR. and MRS. LOUIS SMITH.

In sad but loving remembrance of our dear father, John D. F. Stoner, who departed this life 6 years ago, April 8, 1916.

In Pipe Creek Cemetery softly slumbering, Lies our darling father so dear; He is gone but not forgotten, And in memory lingers here.

Just six years today has vanished, Since the Saviour in his love, Called our dear father homeward, There to dwell with him above.

WARNS JACKSNIPPE HUNTERS

Warning was issued by State Game Warden E. Lee LeCompte that jacksnipe hunters who go after that species bird at this season of the year are liable to fall into the clutches of Uncle Sam. For just now the Federal Government instead of the State Government is the protector of the jacksnipe.

In the last few days many inquiries have been received by the State Game Warden relative to the jacksnipe law. The Federal law provides that the open season for jacksnipe shall run from November 1 to January 31. This supersedes the State law where the two are in conflict. Therefore jacksnipe cannot be killed at this season of the year.
