THIRTY-NINTH COMMENCEMENT OF THE WESTMINSTER THEOLOGICAL SEMINARY.

This year marks two notable anniversaries in the history of the Seminary. It is the fortieth anniversary of the founding of the Institution, and the twenty-fifth of the presidency of Dr. H. L. Elderdice. These have been years of struggle and splendid achievement. The graduating class, the largest in the history of the institution, was almost four times as large as was the whole student body when Dr. Elderdice became president. There has been even greater growth in buildings, equipment, and financial support.
The twenty-fifth baccalaureate sermon of President Elderdice was heard by a large congregation. The subject was "Youth, or The Minister Like Dew." The text was Psalm 110:3, "Thou Has the Dew of Thy Youth." Like dew and youth the sermon was refreshing and inspiring.
The Alumni sermon was preached by Rev. E. A. Sexsmith of the class of 1900. The subject was "Adorning the Doctrine of God." The text, Titus 2:10, "That they may adorn the doctrine of our God Saviour in all things." It was a clear, forcible, and helpful message.
The address to the graduating class was delivered by Rev. R. M. Andrews, D. D., President of the North Carolina Conference. His subject was "The Church and the Community." It was a timely and much appreciated address.
A novel feature of the commencement exercises was a debate on this subject: "Resolved, That the Church ought to deal with the Industrial Disputes." The speakers on the affirmative were L. E. Bee, E. W. Terry, and T. L. Hooper. Those who defended the negative were C. F. Oliver, Chauncey Jeffers and T. C. Mulligan.
The Board of Governors decided to celebrate the Twenty-fifth Anniversary of Dr. Elderdice's presidency by the erection of a new home for the President.

KILLED BY TRAIN

FLAGMAN MCCLAIN BODY SEVERED BY BEING RUN OVER

Walter M. McClain, aged 51 years, of Hagerstown, was killed Sunday morning by a freight train when he was knocked from the top of a freight car to the track and run over at the gas house siding.
McClain was flagman on extra freight going west, and had orders to pick up several empty cars on the siding at the gas house, below George street. McClain mounted a box car and directed the engine to come back to couple up to the cars. Having a long train the engineer misjudged the distance to the cars on the siding and the cars came together. It threw McClain down between cars, the front trucks of one of the cars passing directly across his back below the shoulders, and severing his body, the cars being thrown off the track. After the body was removed from the track and permission given to move the remains, the body was taken to the funeral parlors of F. A. Sharer & Son.
Justice Miller hearing the testimony of a few witnesses deemed the inquest unnecessary, stating that McClain was accidentally killed.
After the body was prepared for burial and placed in the casket it was shipped to C. M. Suter & Son funeral parlors, at Hagerstown, on the 8:14 p. m. train.
McClain is a relative of Robert Miller, this city, and is the second son of the McClain family to be killed in a railroad accident. He was single.

CELEBRATES 75th BIRTHDAY.

A very delightful day was spent at the home of Mr. and Mrs. W. L. Poole, near Unionville, Sunday, May 7th, in honor of her mother, Mrs. Catherine E. Shipley's 75th birthday.
At 2:30 o'clock every one was called to the dining room and found a table laden with a delicious dinner to which every one did justice. At 4:30 o'clock every one was invited to the dining room again and found in the center of the table a beautiful birthday cake on which was 75 candles burning. Cake, candy, lemonade and fruit were served. Mrs. Shipley received many beautiful and useful presents. Every one departed wishing her many more bright and happy birthdays.

APOLLO WILL PRESIDE AT OLYMPIC GAMES

The ancient Greek god will positively appear in person when the Olympic games are called for the Carroll County Pageant. Quite a lively contest held at Western Maryland College some time ago resulted in the election of Mr. Carlisle MacClain, of Baltimore, as Apollo. His chariot has been ordered from Mt. Olympus and he is now busy getting his prancing steeds in order. A Greek professional and choros will follow the chariot singing a hymn to the Delphic Apollo written 3,000 or more years ago, one of the three fragments of Greek music now in existence. The Olympic games will consist of running, leaping, wrestling, discus throwing and about fifty trained athletes will participate.
The pageant dances will be unusually interesting. Miss Anna Shriver is directing a lovely Japanese dance. Miss Fowle, Miss Houston and Miss Allen have charge of an old English Rustic dance to be given by 100 girls from the Westminster High School. Miss Millard of the college faculty has arranged an impressive altar ceremonial for the Roman episode and a dance of the Waters to be given by 80 girls of the college. Mr. Eltinge Reifsnider will appear as solo dancer in the carnival of "The Field of the Cloth of Gold."
The music for the occasion will be furnished by the Westminster Band and the Elijah choros. In the final episode nearly 500 voices will sing "The World's Doxology of Peace."
Under the direction of Miss Troy and Miss Houston, nearly 400 costumes have been made in the last 3 weeks. By means of sharp shears and swift needles, the young women of the town and college have been transformed into oriental maids, red, white and blue dryads, sea green water nymphs, and the remainder will be supplied by men have been transformed into ancient gods and mediaeval knights. The good women of the town have given splendid help in the making of this extensive wardrobe. Several hundred other costumes are now under way; and the remainder will be supplied by the Knights of Pythias, Odd Fellows and Red Men. The field of "The Cloth of Gold" is in charge of a professional costumer.
Don't forget the date, Saturday, June 10 at 3:15. In case of rain, the pageant will be held on Monday.

LOWEST BIDDER NOT GIVEN ROAD SHOULDER CONTRACT.

The contract for the construction of 11.01 miles of concrete shoulders on the Baltimore-Frederick highway was awarded Thursday at the weekly meeting of the State Roads Commission to Thomas, Bennett and Hunter, this city. The low bidders, Bester, Gosnell and Russell, recently forged to place a bid on the work, were not awarded the contract. Members of the commission stated that it was decided to award the contract to the firm, because of the fact that two of its members were connected with the State Roads Commission.
This ruling was established some time ago when a firm, comprised of men connected with the roads commission, were low bidders on a job. The contract was refused the firm on that occasion.

HOOSIER KID WINS BOUT.

In a wrestling match staged by the Westminster Athletic Association at the Opera House, Friday evening before a small audience, the Hoosier Kid of Tyrone, Pa., claimant of the middle weight championship of Pennsylvania, defeated Kid Obedy, of Mansfield, O., who claims the Ohio title, in two out of three falls. Time of falls, first 2 1/2 minutes, second 18 minutes, third 1 1/2 minutes. The referee was C. C. Beach.

COMMUNITY SOCIAL AND FESTIVAL AT REESE.

The teachers, pupils and patrons of Reese School will hold a social and ice cream and strawberry festival on the school ground at Reese school-house, on next Thursday evening, May 18, beginning at 6 p. m. Proceeds for the benefit of school library and school equipment in general.
We want to secure a library for community interests and for all the citizens concerned.
School decorations by the pupils of the school composed of their handiwork. All come and have a good time. Amusements for children, fish ponds, fortune wheels, etc.

MEETING OF BOARD OF EDUCATION

The annual meeting of the Board of Education was called to order in the office of the Board at 10:30 on Wednesday, May 3rd. Commissioner Feeser was absent.
After the reading and approval of the minutes of the previous meeting, the regular order of business was taken up.
The annual reorganization of the Board then took place. Commissioner J. H. Allender was made temporary Chairman, Mr. J. Pearre Wantz was re-elected President; Mr. J. H. Allender was elected Vice-President.
The list of bills submitted to the Board was approved and ordered paid.
Requests for contributions to local funds raised for purposes indicated, were presented to the Board which contributed ten (\$10) dollars to the amount already raised in each case. Except the case of Westminster, it agreed to make the contribution ten (10%) per cent of the amount raised for the school, which amounted to \$130.23.
Ridge (col.), Emma P. McDowell, \$20, photograph.
Mt. Pleasant, Della Myers, \$30.43, records, etc.
Taneytown, J. L. Hunsberger, \$35, library.
Westminster, E. C. Seitz, \$1302.32, school equipment.
Emory, Mary Bixler, \$12.00, school equipment.
A delegation representing the Bird Hill community appeared before the Board showing that they have a sufficient number of children to justify opening the Bird Hill school in September. After careful consideration, the Board assured them that the school would be opened in the fall.
A report was made to the Board by the Attendance Officer, G. C. Taylor, respecting the enforcement of the Attendance Law in Carroll County, and the failure of the civil officials to properly co-operate in the enforcement of this law.
The board considered favorably the suggestion of the Superintendent that it employ during the next school year an instructor of physical training and director of playground work.
Supt. Unger was authorized to establish an additional school year at the following schools: Manchester, New Windsor, Mechanicsville and Charles Carroll.
The petition of 14 teachers of New Windsor requesting the return of the \$50 expended for janitor fees out of the amounts raised for school purposes was not allowed by the board, except that Supt. Unger was directed to inform them that a contribution of \$15 would be placed to their credit in addition to the \$75.87 that had been raised by the New Windsor school.
The application of the executive committee of the Parent-Teacher Association of the Charles Carroll school for the cooperation of the Board in grading and finishing the grounds at that school, was laid before the Board for consideration. After a thorough discussion, the Board decided that the amount to cover the cost of the tiling, cement and labor to lay the pavement would be put into the budget, and if granted by the county commissioners, will become available in the fall, providing the community would agree to grade the ground under the supervision of the Board of Education.
Supt. Unger was authorized to put into the budget a sufficient amount to purchase the necessary portable buildings in case the bond issue fails.
The Board adjourned at 1:00 p. m.

MEETING OF BOARD OF EDUCATION

On Tuesday last the Woman's Club met with Mrs. Clara S. Billingslea, Mrs. William R. McDaniel, vice president graciously presiding. The topic of the day being "Japan," the club was fortunate in having present Mrs. E. H. Van Dyke, who spent many years as a missionary in Japan. Mrs. Van Dyke read and explained the Japanese poem included in the program and told of many interesting customs in the land of the "Rising Sun." A visit to Japan was entertainingly given by Mrs. D. S. Babylon and Mrs. Ward's paper dealt with Japan's position in the world affairs. In the round of current events, interesting sidelights of the conference of last week were discussed.
The next meeting of the club has been changed to May 23rd, to meet with Mrs. George Mather. Miss Maude Miller has kindly consented to tell of her trip abroad at this meeting.

PARENT-TEACHER ASSOCIATION HOLDS SUCCESSFUL AFFAIR IN CHURCH.

The Parent-Teachers Association of New Windsor, held a successful social at the M. E. Church. Interesting talks were given by Rev. Randle, pastor of the M. E. Church, on "The Work of the Parent-Teacher Association in the School," and Mr. James Pearre Wantz, of Westminster, on "The Bond Issue for Carroll County." Refreshments were served to about 170 members, patrons of the schools, school children and special guests.

POULTRY CAMPAIGN ON

TANEYTOWN WILL HOLD THE NEXT MEETING OF THE COUNTY—WIDE DRIVE

The next meeting of the Poultry Campaign will be held in the Town Hall, Taneytown, Wednesday evening, May 17, at 8 p. m.
The Eldersburg meeting demonstrated that the poultry raisers of the county are awakening to the necessity of organization. A discussion of marketing methods and organization among poultry raisers for that purpose was presented by Dr. F. B. Bomberger, Assistant Director of the State Extension Service, and the necessity of the proper grading of eggs for marketing was stressed by the speakers.
Mr. Fred H. Thayer, Secretary of the International Baby Chick Association and Vice President of the State organization, will be the principal speaker at the Taneytown meeting. Mr. Thayer is one of the best known poultrymen in America and as secretary of the baby chick organization, which is considered the most progressive national organization of the poultry industry, is in a position to present the very latest information concerning the progress being made in the poultry industry.
Dr. G. Lewis Wetzel, chairman of the Maryland Mid-State Poultry Show Committee, will speak upon the contemplated plans for the next show which has been set for November 14 to 18.
This movement to establish a strong county branch of the State organization is especially designed to interest the farmer-poultrymen and the small producer in adopting better production and grading methods and collectively establishing a marketing system that will eliminate waste and add to the poultry profits of the county.

HIGH SCHOOL DEFEATS MT. AIRY HIGH.

Last Friday, on the local diamond, Mt. Airy high met defeat at the hands of the home team for the first time in recent years. The game opened with Mt. Airy getting three runs in the first inning. After the first inning Mt. Airy did not score again until the last inning of the game when they succeeded in getting one more run.
Westminster started scoring in the third inning and at the end of the eighth had scored eight runs. Quite a good sized crowd saw the game and were very well pleased with the result of the game.
Blue Ridge Prep were in the league but they withdrew as competitors for the cup as they could not comply to the rules laid down for eligible players.
Mt. Airy and Westminster are now tied and the deciding game will be played on the college diamond next Monday afternoon. If the weather is not favorable Monday, the game will be played Tuesday.
A large crowd of Westminster rooters should be on hand to encourage the home team.

MEN TO HEAR FAMOUS ORATOR.

A congregation of men will assemble in St. John's Church Sunday afternoon, from Carroll county and the surrounding counties, to hear the celebrated Dominion orator, the Rev. Ignatius Smith. Many of those present will be members of the Holy Name Society, but admission will not be restricted to members. Mr. P. J. Hattigan, of the House of Representatives, and other prominent laymen will make addresses in the hall where the men will meet for a social hour. The principal subjects discussed will be better church membership and better citizenship.

"ENGAGED BY WEDNESDAY" EXCELLENCE.

Too much praise cannot be said about the play "Engaged by Wednesday" given at the Opera House by the senior class of the Westminster High School, Wednesday and Thursday evenings. The play house was filled and the audience was well pleased.
The cast of characters were Martin Henry, the laziest man in the country, Robert Weagly.
Arthur Watson, Eugene Eby.
Jack, Dick and Ted, friends of Arthur, Kemp Hoff, Alfred Helwig and Harry Biggs.
Miss Abigail Persons, a woman of ideas, Mary Yancy.
Mrs. Watson, a gentle woman, Caroline Wantz.

A MARRIAGE SECRET.

Mr. and Mrs. John H. Sullivan, Pennsylvania avenue, announce the marriage of their daughter, Nettie Gertrude to William Roland Fairbank, on Wednesday, August the 31, 1921, at Towson, Maryland.

POULTRY CAMPAIGN ON

The recommendations of the Frederick County Commissioners for roads to be built during the coming two years, recently submitted to the State Roads Commission, brought to an end one of the warmest contentions over route selection that has developed in that county for years. This road program, which it is understood in the main agrees with the state's plans for that county, provides for the construction of a road to Westminster via Liberty to go through Oak Orchard, rather than via Johnsville and Union Bridge.

ENDS ROAD DISPUTE

The route selected is the shortest direct line to Westminster and will represent a distance of approximately 27 miles from Frederick, while the other route by way of Johnsville and Union Bridge, New Windsor to Westminster is four or five miles longer. There is at present a hard surface road from Libertytown to Johnsville and Union Bridge. The State Roads Commission has already let the contract for the road to be constructed from New Windsor to Union Bridge, which connects with the road leading to Westminster.
The Johnsville and Union Bridge residents have been exceedingly active in having the route selected which passed through their respective communities, and based their claims on the assertion that it would be less expensive, and that the road while longer would serve quite a large number of people. The route which has been recommended, and which leads through Oak Orchard, will give the people, it is claimed, of that section of the county the first good road, as their connections at present are over county dirt roads which are impassable during the winter months.

ASKS TAXPAYERS TO VOTE AGAINST BOND ISSUE.

As a citizen of Myers' District and a taxpayer in Carroll County, I have been spoken to on several occasions concerning the proposed bond issue, which is being voted on this coming Monday, May 15, at the respective polling places of the county.
I write this letter and address it to you, asking you to spread the information contained in this letter to your friends in the respective communities. It would be an impossibility to write to every voter, but I particularly do want to have the people of my own district know what they are voting on when they vote for the bond issue, and how they are voting when they vote against the bond issue.
When you vote for the bond issue of \$700,000.00 you are increasing your taxes at the rate of 5 cents for the first five years, which money will be used to pay the interest on the bonds issued. After the first five years have expired, there will be an automatic increase of 11 cents for a period of twenty years, to take care of the bonds which are being issued.
This question affects you as a taxpayer just as much as it affects me. You have only to ask yourself this question—AM I IN FAVOR OF PAYING MORE TAXES, OR AM I OPPOSED TO PAYING MORE TAXES?
If your answer is I AM IN FAVOR OF MORE TAXES, come to the polls on Monday, May 15, and vote for the bond issue. If on the other hand, your answer is—I AM OPPOSED TO PAYING MORE TAXES, then come to the polls on Monday, May 15, and vote against the bond issue.
As a taxpayer myself I feel that it is a duty to call these specific points to your attention as I fear those who are in favor of increased taxes will unintentionally misrepresent the issue. The whole thing now remains in your hands.
It is really more important for the taxpayer to jump in his machine and go to the polls and VOTE AGAINST THIS BOND ISSUE than it is to stay home and work a whole day on his farm. A FARMER, VOTER and TAXPAYER

"MOTHER'S DAT AT CHURCH OF GOD."

The Church of God wishes to announce a special program for mothers day, May 13th, at 10:30 a. m. An appropriate sermon to the mothers of Westminster will be preached by the pastor.
The front of the church will be reserved for mothers. An invitation is extended to all mothers in this community to attend this service.
The special program for the evening service will be in charge of the three C. E. Societies, Senior, Intermediate and Junior societies of the church. A very enjoyable program is being prepared. Come and let the white flower of love and honor adorn your person.

Methodist Protestant Church, Rev. J. L. Nichols, Pastor.

9:30 a. m. Sunday school and adult Bible classes.
10:45 a. m. Public worship and sermon by the pastor, Subject, "Mother."
7 p. m. Christian Endeavor Prayer meeting. This is to be a leaderless meeting; subject, "How can we help our church and get help from it."
8 p. m. Service of song followed by sermon by the pastor.
Wednesday evening at 8 o'clock prayer meeting.

Civic League will meet at the County Agent's Office, Thursday, May 18, at 8 p. m.

HOOK WORM REMEDY

The department of agriculture has the hook worm on the run. Having discovered carbon tetrachloride is effective against hook worms in animals, experiments are now being conducted with a view to showing the same remedy a cure for human beings.
The chemical is commonly used for cleaning clothing and may be purchased at small cost by sufferers.

TAKE PRIDE IN YOUR STREETS.

Now that spring is here and every good, clean citizen is cleaning up and painting up and trying to beautify his home and garden, let our careless neighbors do likewise and teach their children habits of neatness.
The poor street sweeper has his troubles without adding any more. As soon as a street is nice and clean some people litter it up with all sorts of paper and trash.

BELIEVES BOND ISSUE A BENEFIT

Keep in mind that the money raised by the bond issue will be spent in Carroll County. The merchant will benefit a hundredfold for his outlay, the farmer will move his produce. It will mean a revival of business.
The sum of money proposed, must circulate to the general good of every man, woman and child. It will be a wonderful means of advertisement for our county. By passing the bond issue we encourage families to come here.
To fail at this time would discourage many who now are applying to have their children admitted to our schools and because of lack of facilities, must be refused. It is very likely that they would move to other Counties that offer more liberal inducements. About sixty children from out of Town have been refused enrollment to the Westminster school because of lack of facilities.
What the passage of the bond issue means.
Money in circulation, plenty of work, more buying and selling, better schools, better travel, general happiness and prosperity for Carroll county.

CITIZEN.

VOTE NEXT MONDAY

THE ELECTION IS FOR THE BONDING OF CARROLL COUNTY FOR \$700,000.

On Monday, May 15th, a special election will be held in Carroll county, at which, at the regular polling places in all the districts of the county, between the hours of 8 a. m. and 6 p. m. the voters of the county will be given the opportunity to vote upon the question as to whether the County Commissioners shall be given authority to issue bonds to the amount of \$700,000, to raise the money necessary for erecting needed public school buildings and constructing and permanently improving county public roads.
Every registered voter should go to the polls and cast their ballot for the best interest of the county and taxpayers.
If the bond issue carries, we are informed by a member of the School Board, the taxpayers will be compelled to pay an increase tax of 5 per cent each year for the next 5 years for interest on the bonds, amounting to \$35,000 annually. At the end of five years the taxes will again be increased to 11 cents, which increase will be in force for 20 years to pay off the bond.

THE BILL WAS FRAMED BY THE COUNTY COMMISSIONERS AND BOARD OF EDUCATION JOINTLY AND EVERYONE OF ITS PROVISIONS HAD THE UNANIMOUS APPROVAL OF THE MEMBERS OF BOTH BOARDS.

Bonds to the amount of \$35,000.00 shall mature and become payable on the First day of July, 1927; and every 1st of July thereafter.
The Board of Education of Carroll County shall from time to time, within five years determine the order and succession in which said public school buildings designated shall be erected and equipped.
The Board of Education shall award the contracts for the work of erecting said new public school buildings, designated, equipping the same with heating plant, and water fixtures, to the lowest bidder.
The money arising from the sale of said bonds shall be paid to the joint order of the Board of County Commissioners of Carroll County and the Treasurer of said county, and shall be deposited by the said Treasurer in some bank, savings institution or trust company, that will guarantee to pay interest at the best rate on daily balances, and the so deposited fund shall be drawn only on checks signed by the President of said Board of County Commissioners and the said County Treasurer.
The purpose of redeeming said bonds at their maturity and for securing the prompt payment of the interest coupons, the said Board of County Commissioners shall until the maturity of the last of said bonds, issue under the authority of this Act, levy a tax upon the assessable property of said county sufficient to pay the interest on said bonds sold and unredeemed; and for the year 1926 and annually thereafter.
In order to provide for the selling of said bonds, the said County Commissioners of Carroll County or a majority of them are hereby directed to advertise for at least one week for four successive weeks before each series of said bonds or any part thereof shall be sold.
