## CHAUTAQUA TO RETURN NEXT YEAR.

The Chautauqua which closed this week has not lost any of its popularity. The audiences were just as large and the numbers were better than last year is the general opinion of our critics.  
There will be another Chautauqua here next year. Pledges were made to furnish a guarantee to the Chautauqua Association.  
The paraphernalia was sent to Shippensburg Wednesday morning for a week's stay.  
Kester Null, son of Mr. and Mrs. Luther Null, this city, accepted a position with the Chautauqua and left Wednesday with the crew that had charge here. He will stay until the season closes.

#### "THE DUTCH PICNIC."

For half a century the first Saturday in August has been "Dutch Picnic Day," when thousands of people from the county and from far away congregated in the grove adjacent to Trinity Lutheran Church, near Smallwood. Committees of the congregation and Sunday school are hard at work planning to make the picnic, to be held this year on Saturday, August 5th, a "big time." In the afternoon, there will be an interesting platform exercise by the young people, a very brief address by the pastor, games for the children, a big base-ball game. The Patriotic Order Sons of America Band of Pleasant Valley will be on hand all day. Several hundred gallons of ice cream, and other refreshments will be sold at the stand, but as in the past there will be no wheels of fortune, raffles, or games of chance of any kind. If weather is inclement on Saturday, the picnic will be held on the following Monday.

#### CENTRAL TRUST COMPANY TO OPEN BANK AT UNION BRIDGE.

The directors of The First National Bank of Union Bridge at a meeting held on Wednesday, July 12th, took appropriate corporate action providing for the transfer of the said First National Bank to the Central Trust Company of Maryland, which latter institution will reopen this bank as a station bank within the next two weeks.  
It is understood that the action on the part of the directors has been approved by the Comptroller of the Currency so that the success of the plan is now assured.

The initial negotiations in this matter were conducted through the firm of Hambleton & Co., bankers and brokers of Baltimore, who have shown a commendable interest in adjusting the affairs of the local bank.

Mr. Cover's withdrawal includes the sale of all business property, warehouse, ground, lumber sheds, stock and fixtures, together with the unfinished contracts in Frederick, Lewisburg and Pegasusville. Mr. Cover will finish the buildings at Ladesburg, Emmitsburg and Union Bridge.  
The terms of the sale are personal and private, but it is understood to involve an amount of about \$60,000. The business will be continued under the name of "The Cover Lumber Co." with W. N. Cover as partner and general manager.

#### MARYLAND PRESS ASSOCIATION COMING HERE.

The Maryland Press Association has been invited to come to this city for its bi-annual meet and has accepted the invitation. The meeting will be held in this city on Monday and Tuesday, September 11 and 12. An entertainment committee will be selected shortly. The Maryland Press Association constitutes nearly every county paper in Maryland outside of Baltimore city. Nothing will be left undone to make the newspaper men welcome to our city.

#### THE GENERAL LAWS.

In this issue will be found six columns of State Laws passed at the recent Legislature session at Annapolis which will be of interest to our taxpayers.  
Bill No. 203 authorizes the creation of a State debt in the aggregate amount of \$3,150,000 to be used for construction of rural post roads and bridges and extension of State roads system in Maryland.  
Each week a page of the laws will run until all are published. Four pages or 24 columns make up the laws passed.

#### CLOTHING STOLEN.

The dry goods store of John T. Miller, Union Bridge, was robbed of \$1000 worth of clothing, some time early Tuesday morning. The store was entered from the second story, the back door opened and the loot placed on a truck to haul it away. The neighbors living next to the store, report that they heard a truck go out the alley about 2 a. m. State's Attorney Brown made an investigation but not the slightest trace of the guilty could be found.

Soft-coal prices have been fixed at the mines; but will probably be overhauled en route.—Denver Express.

## NEW CHICKEN THIEF TRAP

### HEAVY MAN STEPS ON NEGRO'S NECK AT HOLE IN HENNERY.

Pennsgrove, N. J., July 17.—Former Councilman Smith has decided to put his foot down on chicken thefts in this vicinity, and to exemplify his determination he put his foot on the neck of Mose Gaskins, a Salem negro, as he was leaving the Smith hennerly with several choice hens in a bag, crawling through an opening about 18 inches square. Smith held the negro in this uncomfortable position until the local police arrived.  
Smith said he had heard an unusual noise in his hennerly. As it had been visited once before, he decided to investigate. At the coop he heard the negro bagging his game and waited for him to come out of the hole, the only means of egress, as the door was locked. Smith, who weighs around 200 pounds, put his foot on the negro's neck and called to his wife to telephone for the police. For 20 minutes the negro lay on the ground, his head and shoulders outside and the remainder of his body in the coop.

## LATEST DAIRYING MACHINERY BEING INSTALLED AT BEASMAN'S

Mr. Frank Beasman is converting the Beasman farm at Sykesville into an up-to-date dairy farm. The interior of the barn is being remodeled. The horse stalls are being removed, and the Jamesway dairy barn equipment substituted. There are now stanchions for 40 cows, and when the work shall have been completed, there will be room for a herd of 60. Floors are all of fresh concrete, with concrete feeding troughs, and metal individual drinking cups. The feed will be carried in a car, and litter removed by a carrier running on an overhead track. Milking machines will be used, and a modern dairy, fully equipped, will be built for cooling and sterilizing. This will have a refrigerating plant, and every device which present day sanitation can suggest. Two 150-ton capacity silos are in process of construction, and the crops are growing to fill them. So far, the herd consists of registered guernseys, headed by a \$1500 bull. This animal was raised by a Maryland breeder, but was sold by a Pennsylvania dealer. The Guernsey cows came from the same place. So far there are but 24 animals in the herd, but this will be increased until the number equals the capacity. It is understood that part of the milk will go to the Hotel Bennett, in Baltimore, in which Mr. Beasman is a large stockholder, and the patrons of that celebrated hostelry can be assured of the best milk and cream that science and experience can produce.

#### A COUNTY RALLY.

One of the most interesting rallies of the year takes place on the grounds of St. John's church, Westminster, during the lawn fete week. The signs of the time point to an early opening of the annual event for the flying horses are standing in mute appeal for youthful riders. Merry-Go-Round is a happy name for the contrivance that gives so many thrills and laughs. Already the children are taking imaginary whirls through breezy space. It is reported that the first peals of the organ will be heard tomorrow evening.

The supper and carnival features of the fete attract and entertain many visitors from afar.  
It will be conducted from July 29th to August 5th.

#### NEGLECT OF TREE PLANTING IN PUBLIC SCHOOL GROUNDS.

Many County Superintendents took up the work of planting trees in the Rural school grounds on Arbor Day. Ceremonies were held and the trees planted to commemorate the service of the boy or boys from the neighborhood. This was all very nice but the sad tale is yet to be told.  
July 10th of this same year, only two and one-half months after the tree planting, the trees are dying. The weeds are three to five feet high above the trees. The school ground as well as the trees has had no care. There is but one organization that can quickly and easily remedy this had practice of neglect, the farm bureau.  
It will be easy to point out to the people the sad neglect of our public school grounds and secure cooperation in building them up. The country schools of our Nation should be the beauty spots of the neighborhood.

#### CARD OF THANKS.

## CHARGED WITH FORGERY

### TANEYTOWN YOUTH HELD IN FREDERICK JAIL FOR HEARING.

From Frederick News.  
Charged with forging the name of Nelson Summers, of Woodsboro, to three checks, which he is alleged to have cashed, Paul Horn, about 18 years old, son of Charles Horn, of Taneytown, was arrested Sunday afternoon, by Deputy Sheriff Allen Bartgis, and lodged in jail. He denies the charge.  
The checks—two for \$40 each and one for \$13—were cashed at the bank of the Central Trust Company, this city, some weeks ago. The checks contained the forged signature of Summers and were indorsed, it is said, by Horn. When the forgery became known Mr. Summers swore out a warrant for Horn and placed it in the hands of Deputy Bartgis. The latter went to Taneytown, and finding Horn at home, placed him under arrest and brought him to jail.  
While the young man denies the charge, the forged checks and his indorsement, it is claimed, are the evidence of his guilt. It is said that he had been working on a farm in the neighborhood of Taneytown and is well known in that community.

### DR. GOUCHER DEAD.

A scant month after the celebration of his seventy-seventh birthday, Rev. Dr. John F. Goucher died at 2 a. m. Tuesday at his country home, Alto Dale, near Pikesville. With him in the time of his death were two of his daughters, Mrs. Henry C. Miller and Miss Eleanor Goucher. A third daughter, Mrs. Burkyone Chapman, is the wife of a missionary at present in China.  
The death of Dr. Goucher was not unexpected by his close friends and relatives, who had known for some time that the famous old man was in failing health.

Dr. Goucher was descended from a family that came to this country prior to 1750. During his life Dr. Goucher, achieved fame in many directions, as a minister, educator, philanthropist, traveler and missionary. Here he will be particularly remembered as the founder of Goucher College, which will always remain a monument in his honor.

### BLD TO DEATH.

An accident occurred last Thursday at the home of Walter Reaver, near Middleburg, when a little son, Charles Henry Reaver, in some manner fell on a hoe, severing an artery and dying within an hour from loss of blood.  
He had accompanied his 9-year-old brother to a potato patch where the latter was digging potatoes. Shortly after he had dropped the hoe, the elder boy was startled by the cries of his younger brother and looking around saw the blood gushing from a wound in his head. Before medical aid could be summoned death had relieved the little sufferer.  
He was aged 2 years, 9 months and 6 days. The funeral was held Saturday morning.

### MECHANICVILLE ALL-STARS STAGE PECULIAR CONTESTS

An unusual performance was served up to the Carroll county fans when the Mechanicville All-Star Club played a double-header on their home grounds, Saturday, both games of which resulted in a nine-inning tie score.  
In the first game the local boys succeeded in stopping the long winning streak of the White Swans of Baltimore, but neither team could put over the winning marker, and the game had to be stopped at the end of nine innings to permit the second game to begin. The score was 3-3.  
The second game against Woodbine A. C. was a snappy affair which went to a 4-4 conclusion at the end of the ninth inning, when it became too dark to see the ball.  
Skinnv Barnes fielded brilliantly in the outfield and got seven hits out of nine trials to the plate for the M. A. S.

### GALLEN L. TAIT HANDS OFF.

Galen L. Tait, Republican State chairman, in a statement given out last Friday, indicates that the attitude of the Republican organization, so far as he can speak for it, toward the candidacy of Senator Joseph Irwin France, John W. Garrett or anyone else who may be a candidate for the Republican nomination for the United States Senate will be one of benevolent neutrality.  
It is the duty of the organization, he says in effect, to keep hands off in the primary fight and to do the best it can for the election of the successful candidate. He expresses the hope that the contest will be conducted without undue heat and without an excessive expenditure of money.  
His statement is in the nature of a reply to a request by a subcommittee of the Bradock conference committee that he define the attitude of the organization toward the candidacy of Mr. Garrett.

### MISS HAUSER KILLED WHEN TRAIN HITS AUTO.

Miss Grace Hauser, daughter of Albert Hauser, Foxville, was instantly killed Sunday afternoon when an automobile in which she was riding was struck by the fast mail on the Western Maryland Railroad, going east, at the Deerfield Crossing, near her home. Mrs. Ferdinand Hesse, wife of the Rev. Mr. Hesse, pastor of the Lutheran Church, Smithburg, also in the car, narrowly escaped by jumping.  
Mrs. Hesse and Miss Hauser started from the latter's home for Baltimore in Miss Hauser's car. As they were about to cross the track they heard the train approaching. When an attempt was made to speed up the machine it stopped with the rear between the rails. Miss Hauser, who was driving, quickly opened the door and told Mrs. Hesse to jump. Before Miss Hauser could jump the train crashed into the car and carried portions of it some distance along the track. Miss Hauser was terribly mutilated and the car was reduced to kindling wood.  
The victim was about 28 years old and well known. She was one of the Democratic candidates nominated for the "House of Delegates" last fall, but later withdrew. She is survived by her father and three brothers, one of the latter being P. A. Hauser, a farmer of Skesville, until recently farm agent for this county.

### MISS HAUSER KILLED WHEN TRAIN HITS AUTO.

Miss Grace Hauser, daughter of Albert Hauser, Foxville, was instantly killed Sunday afternoon when an automobile in which she was riding was struck by the fast mail on the Western Maryland Railroad, going east, at the Deerfield Crossing, near her home. Mrs. Ferdinand Hesse, wife of the Rev. Mr. Hesse, pastor of the Lutheran Church, Smithburg, also in the car, narrowly escaped by jumping.  
Mrs. Hesse and Miss Hauser started from the latter's home for Baltimore in Miss Hauser's car. As they were about to cross the track they heard the train approaching. When an attempt was made to speed up the machine it stopped with the rear between the rails. Miss Hauser, who was driving, quickly opened the door and told Mrs. Hesse to jump. Before Miss Hauser could jump the train crashed into the car and carried portions of it some distance along the track. Miss Hauser was terribly mutilated and the car was reduced to kindling wood.  
The victim was about 28 years old and well known. She was one of the Democratic candidates nominated for the "House of Delegates" last fall, but later withdrew. She is survived by her father and three brothers, one of the latter being P. A. Hauser, a farmer of Skesville, until recently farm agent for this county.
