WEDDINGS.

WHITMORE—MOSS

A marriage of interest in Baltimore, Norfolk and Westminster society took place last Saturday evening in Roland Park, Md., when Miss Katherine Warrington Moss, daughter of Mr. and Mrs. William Ward Moss, became the bride of Mr. Harry Clinton Whitmore, son of Mr. and Mrs. Samuel Whitmore, of College Hill, Westminster, Md. The ceremony, which was performed by the Rev. John W. Douglas, pastor of the Roland Park Presbyterian Church, was solemnized at 8 o'clock at the home of the bride's parents in Boulder Lane.

The entire first floor of the house was decorated with palms, ferns, cut flowers and candles. A stringed orchestra played the wedding march, and played later during the reception which followed the ceremony.

The bride, who was given in marriage by her father, wore her mother's wedding gown of heavy white corded silk, trimmed with rose point lace and made with a court train. Her veil of rose point lace was arranged from a coronet of lace and orange blossoms and she carried a shower bouquet of lilies of the valley and bride roses.

MR. ZAHN TAKES HIS LIFE.

The community was shocked on Wednesday evening when the news passed along the street that the body of Luther Zahn had been found hanging in his garage in the rear of his residence on Green street, this city. Mr. Zahn and his wife had been sitting on their back porch earlier in the evening talking over some business matters. Nothing in his manner indicated that he was contemplating taking his life. Shortly after six o'clock, he picked up a coil of derrick rope lying on the porch and said that he was going to the garage to fix the rear door, which had sagged. Later, one of his children went to a shed near the garage, but did not enter. A few minutes later his wife went to the rear of the lot and from the alley started to go through the garage, but found the door closed. She called Luther, and when he did not answer looked through the door and saw him standing with his back toward the door. She did not enter, but went to the house. About half past six, she returned to the garage and again looked through the door, and saw her husband still standing in the same position. Alarmed at his silence, when he did not respond when she spoke to him, she called her son Levi and Mr. Zahn's brother, Levi. They found Zahn hanging from an overhead beam between two automobiles, his feet resting on the ground. They cut the rope at once, and as the body was still warm sent a hurry call for Dr. Sullivan. The doctor arrived promptly, but found Mr. Zahn dead. Sheriff Martin and Robert E. Lee Hutchins, acting coroner, were notified, who, after viewing the body and investigating the circumstances, decided that an inquest was unnecessary. Mr. Zahn is 40 years, 3 months and 7 days of age and is survived by his widow, Mrs. Bertha Zahn, who is a daughter of the late Elias Shipley, and four children, Ethel, Arthur, Elias, Levi and Samuel, and two sisters, Mrs. Ruth Merkel, Reisterstown; Mrs. Mary Carter, of Baltimore; three brothers, Levi W., Robert, of this city, and Paul, of Shiloh. Funeral services will be held Sunday at the house at 2 o'clock. Rev. J. N. Link and Rev. R. N. Edwards will officiate. The pallbearers will be John Hook, Grant Hook, Andrew Polster, James Snyder, Pierce Withide, and William N. Barber. Interment will be made in Kridler's cemetery. Harvey Bankard & Son funeral directors.

An important meeting of the Women's Democratic Club will be held at the Opera House, Westminster, Saturday, September 30th, at 2:30 o'clock. Plans are being perfected to endeavor to get the unregistered women to register, and the assistance of women in every district is needed. Women should take a special interest in this election, because this fall we elect a Senator and Congressman. Congress, by its power to regulate the tariff, determines in large measure what we pay for our household necessities. Every time we pay a big grocery bill, or a big clothing bill, we are "paying the price" of a Republican Congress, which has passed legislation in favor of special interests. We want a Democratic Congress, which looks after the interest of the rank and file of the people and not after any special business. Every woman who buys food and clothing for her family should take an interest in this election. We have for Senator a man of the highest type and for Congressman in this district a young man particularly well spoken of by those who know him best. They both deserve our support.

47 MINERS FOUND DEAD

Jackson, Cal., Sept. 19.—Jackson, mining town in the Mother Lode country, has paid the toll demanded of those who delve in the earth for gold and stands unafraid, but not dry-eyed, today. Forty-seven of her men died in the Argonaut mine early on the morning of August 28, she learned last night, and today she awaits the bringing of their bodies from the rock tunnel, walked in with flimsy bulkheads of their own building, that has been their tomb for three weeks. But Jackson is unafraid, for her men showed they knew how to die. Moreover, those who did not meet that fate showed they knew how to live, for they gave of themselves without stint in the effort to save their entombed fellows. It was California's worst mine disaster, in one of California's greatest gold producers, and it was the hardest blow Jackson has had to suffer.

HORSES SAVED FROM TRAIN.

Two spirited horses, owned and driven by Mr. Beard Arnold, of Bird Run, ran away Saturday afternoon when the train was unloading wheat at Englewood. The horses took to the incline at the elevator, taking to the railroad switch that crossed the mill, and increased this until they reached Main street. An attempt was made to stop them, but failed, the horses continuing down the main track of the W. & A. R. with train No. 5 about due to the horses, William Helm knew that the horses would be killed and that the train wrecked if some action was not taken quickly.

The horses kept up their pace in the center of the track with the wagon bounding over the switch conditions until they neared the foot of the street where they fell in a heap, blocking the path of the train. Mr. Helm flagged the train while the horses were removed. The horses were not seriously injured and the wagon but little damaged.

BOTH LEGS CUT OFF.

Harry F. Meyers, of Hanover, Pa., workman on local freight on the M. & R., fell under the wheels of a car he was shifting at Emory Grove Tuesday morning and had both legs cut off. Meyers was cutting a car from the engine, and when they started his glove caught fast in the handle to the car, pulling him under a train. He died the same day at the Memorial Hospital, Baltimore.
