DEMOCRATS IN MAJORITY.

Of the 194,000 newly registered voters in Baltimore, about 130,000 are men, making approximately 67 per cent, and 63,000 are women, or about 33 per cent. On partisan lines the Democrats have much the better of the Republicans, enrolling 106,000, against 72,000 for the Republican party. As the declined registration was about 16,000, the Democrats have a clear plurality by a generous margin.

EGG MARKETING

THOMAS KEMP TO MANAGE UNIT NO. 1 TO CONTROL 250,000 LAYING HENS.

The campaign for the establishment of co-operative egg-marketing Unit No. 1, under the Maryland State Poultry Association Inc., which will include the counties of Carroll and Frederick and backed by producers controlling a minimum of 250,000 laying hens, was opened with great success at the Fireman's Hall, Westminster, last Saturday night. At this initial meeting more than 16,000 hens up on the preliminary survey cards.

At a meeting of the board of directors of the State Association held in Baltimore, Monday, October 1st, the Market Bureau of the organization was placed under the management of President Thomas W. Kemp, with full power to organize Unit No. 1 as well as similar units throughout the State. The following were selected to compose the operating committee to administer the affairs of Unit No. 1: J. E. Stoner, Westminster; Elmer K. Remsburg, Broderick; Walter G. Lovell, Westminster; Frank M. Payne, Frederick; Robert E. Day, Sykesville; D. F. Shipley, Jr., will be retained as secretary to the operating committee and H. J. Jones will act as field agent.

The meeting last Saturday evening was a revelation of the co-operative spirit that existed among the poultrymen and indicated that the support of the movement would speedily make it possible to obtain the requisite number of laying hens. Although the regular operation of this unit will not be put into execution until the required number of hens are signed up, marketing operations will begin immediately and eggs under the label of the Maryland State Poultry Association, Inc., will be in the markets of New York, Washington and Baltimore in a few weeks.

All poultrymen and farmers who wish to participate in this unit are urged to get in touch with the office which is in Room 3, Times Building, Westminster. Manager Kemp is now in New York arranging for marketing facilities at that point and expects to be at work making arrangements to open up the Baltimore and Washington markets. Both farm and henery eggs will be carefully graded and candled if necessary and only a guaranteed product will be put under the label. While the increase returns to the producer can only be estimated at this time it is safe to say that it will immediately be shown that this co-operative movement will net the participants considerably more than they received under the old system of marketing their product. The Maryland State Poultry Association, Inc., is a non-profit corporation chartered under the laws of the state and under its charter every cent received thru its operation after the costs are extracted, must be returned to its members.

Among those who spoke at the Westminster meeting was Mr. H. Simpson Jennings, of Vineland, N. J., chairman of the finance committee of the New Jersey Poultry Producers Association that maintains their own sales room in New York. Mr. Jennings told of the movement inaugurated by his organization to bring 1,000,000 hens under one banner from all the states nearby. The New York market and expressed the hope that Maryland would participate in this amalgamation when the time came.

Thursday morning the convention proper was called to order by the President, Mrs. Mary R. Haslup. Review of the year's work by the Secretary Mrs. Starr, showed splendid work accomplished by this organization. Mrs. Lipps the Treasurer reported a small balance in the treasury. STATE CONVENTION OF THE MARYLAND W. C. T. U.

The forty-seventh convention of the Woman's Christian Temperance Union of Maryland was held in the attractive town of Walkersville, Frederick county, Md., on October 4, 5 and 6.

The address of the evening was given by Mrs. Maude B. Perkins, National Superintendent of the Young People's Branch, Mrs. Perkins made a strong plea for home training in which the young people should be taught the christian ideals of virtue and righteousness.

Thursday morning the convention proper was called to order by the President, Mrs. Mary R. Haslup. Review of the year's work by the Secretary Mrs. Starr, showed splendid work accomplished by this organization. Mrs. Lipps the Treasurer reported a small balance in the treasury. The subscription shower resulted in a largely increased list of subscribers to our State and National papers. Noonday prayer service conducted by Mrs. Livingston, of New York, touched all hearts and gave to many a renewed determination for closer fellowship with God the Father.

The Hon. S. E. Nicholson of the National Council of Peace and Arbitration gave a most impressive address on International Peace and the need of a world wide understanding between all nations. A most interesting feature of the afternoon was the address of the President, Mrs. Mary R. Haslup in which she outlined the various temperance laws passed by the state and federal governments for the promotion of prohibition in our country.

The address of Thursday evening was given by Mrs. Deborah K. Livingston, Superintendent of Christian Citizenship for the National W. C. T. U. Mrs. Livingston had just returned from a voyage to South Africa and told the convention the great awakening that is taking place in that far off continent. She said the large audience that greeted her were partly due to the fact that she was distantly related to the great explorer General David Livingstone, who consecrated his life to darkest Africa, years ago, and partly to the novelty of hearing and seeing a woman speaker, but also because they were interested in the great temperance reform which she represented and the fact that she was a representative of a great country that had adopted prohibition.

Most of the day Friday was given to reports of committees and election of officers and superintendents. The election of officers resulted in the re-election of all former officers excepting the vice-president, Mrs. Rebecca Bowen Wright was succeeded by Mrs. Holly Smith, of Baltimore, Md. Miss Carrie Green, Secretary of the Loyal Temperance Legion was re-elected. Miss Green reported 38 local legions with 1241 members.

The closing meeting was made a law enforcement meeting. The speakers were Mrs. Crabb and E. T. Mowbray. They reminded the members of the convention that there never was a more important time to get re-inforcements in our organization than at the present. The women were urged to register and affiliate with the party of their choice in order that they might do effective work in the primaries.

The convention closed with the usual beautiful hand clasping service and the prayer song, "God Be With You Till We Meet Again."

Never was a convention more royally entertained. All churches were opened and beautifully decorated for the occasion. A number of homes with large placards Welcome, Rest Home, etc. were opened to the delegates, while the town was decorated with patriotic flags in honor of the convention.

Much credit is due the President of the Walkersville Union Mrs. Nora McKinney and her loyal helpers for the splendid entertainment accorded the delegates. Delegates were present from Sykesville, Union Bridge, Hampstead, Manchester and Finkburg.

Mrs. Wooden the first President of Hampstead W. C. T. U. was made a Memorial Member of the Convention by her daughters Mrs. Mabel Kelbaugh and Miss Ada B. Wooden.

Mrs. Philena T. Fenby, President of the Carroll county Union was elected a delegate to the National Convention which meets in Philadelphia in November.

"DRYS" MAKE RAID

DUMP 16 BARRELS OF CIDER AT JOSEPH WIMERT'S — RELEASED ON \$2000 BOND AFTER ARREST FOR A HEARING IN BALTIMORE TODAY.

A dispatch in the Baltimore American today says: Joseph D. Wimert, a well-known farmer of Carroll county, three years ago a candidate in the Democratic primary for nomination as county commissioner, is again in the toils. About six months ago Federal agents, with State's Attorney Theodore F. Brown co-operating, found in the cellar of his home, three miles from this city, near Tannery, several hundred gallons of mash and a small quantity of moonshine liquor, but located no still. In the United States Court at Baltimore, defended by Edward O. Weant, he put in a plea of nolo contendere and a nominal fine was imposed.

This morning Federal agents Davidson, Evans, Elliott and Burrall of Washington came to this city, tracing 22 barrels of whiskey said to have been stolen from a distillery. State's Attorney Brown procured for them a search warrant from Police Justice R. Lee Hutchins of this city and accompanied them to the Wimert farm.

According to State's Attorney Brown's statement, Wimert admitted that until yesterday there had been on his premises 14 barrels containing some liquid. He states that Wimert says that some strangers with a broken truck asked permission to leave the barrels on his farm; that he consented, and that he and his son removed the bungs from the barrels one by one and found that they contained only water, and that the same strangers came with a truck and removed the barrels yesterday morning.

The officers today found 13 barrels of cider containing sugar and raisins and several barrels containing whiskey. Sixteen barrels of cider were emptied on the ground. Four barrels containing liquor were confiscated and hauled in a truck to Baltimore.

RECEIVES FRACTURED LEG.

Claude Ryland, of Hagerstown, son of Mr. and Mrs. J. H. Ryland, East Main street, received a fractured right leg Wednesday when he attempted to stop a maintenance car. Mr. Ryland, who is connected with the W. M. R. R. maintenance department and was returning home after his day's toil in company with Mr. Weagly, the foreman, near Hagerstown, found that another car was bearing down on them and a wreck was inevitable, tried to stop the car before they met, and his foot slipped under the wheel, which passed over it, throwing the car off the track with the above result. Mr. Weagly would probably have been killed if Mr. Ryland had not acted when he did, as he was sitting in front with both legs hanging over the machine and could not move in time to escape.

HELD BARBECUE

For the first time in many years a barbecue was held at Mt. St. Mary's College, this barbecue was held on Thursday, October 12. This day was set aside for the purpose of a get-together of new and old students with a number of alumni present. This was a revival of an old custom at Mt. St. Mary's College. This day which formerly was given over to athletic games and sports of all kinds was an asset in bringing former students back to the "Mount." The event had been discontinued of late years but this had been a source of disappointment to the alumni of the college. As a result, at a meeting of the athletic officers recently it was decided to revive "Barbecue Day" as an annual event. A committee was appointed to make arrangements for the day and an elaborate program was prepared, it being planned to ask every enrolled student to play a part in the activities. A set of track and field events constituted the main attraction of the day. Special events were arranged for the boys on the junior side.

ATTENTION!

The Woman's Democratic Club of Carroll County will hold a Big Meeting on
