MEN'S DAY PLANS NEARING COMPLETION

Committee of 13 at Work on Special Meeting to Be Held January 25

A committee of thirteen, representing each of the men's classes of the United Brethren Sunday School and Church, headed by Thomas McNew as chairman, is busy making preparations for a special "men's day" service to be held in the Centenary United Brethren Church the evening of January 25.

On this evening similar meetings will be held in every United Brethren Church in each town and city throughout the country. The meeting in Centenary United Brethren Church will be addressed by the Rev. A. K. Wier, pastor of the church, who will deliver a sermon of particular interest to men.

A special invitation has been extended to each of the fire companies of the borough and an effort is being made to have all the firemen attend in a body. While the meeting is to be held for men, women and children will be admitted.

MR. SEIG ILL

W. H. H. Seig, publisher and proprietor of the Steelton Reporter, is seriously ill at his home, 123 South Second street.

TO HOLD SHOOT

Why Doctors No Longer Claim to "Cure" People

A few years ago it was a common thing for the family doctor to say, "I will cure you in a few days." This cheerful prophecy often gave the patient new hope and courage but it is no longer good form. Doctors still "cure" malaria and a few other troubles in which their medicines have a direct or "specific" action on the virus of the disease. In other cases they simply give supporting medicine and keep up the strength of the patient until nature effects a cure.

Dr. Williams' Pink Pills cure chlorosis and other trouble due to thin blood because they have a specific action on the blood, building it up, purifying and enriching it. This direct action on the blood also makes them the best supporting and strengthening medicine. If you are thin and weak, breathless after slight exertion, if you have palpitation of the heart, gas on the stomach, cold hands and feet, if you're nervous and easily irritated and show other signs of weakened vitality, try these strengthening pills at once and let the rich, red blood cure you. Get a box to-day at the nearest drug store and begin at once to build up your health. Write now to the Dr. Williams' Medicine Co., Schenectady, N. Y., for the free booklet, "Building Up the Blood."—Advertisement.

"SYRUP OF FIGS" FOR CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm stomach, liver and bowels

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleaning" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful to-day saves a sick child to-morrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

KEYSTONERS MUST GO BEFORE PRIMARIES

Nomination Papers For That Party Will Not Be Recognized by State

Attorney General Bell has decided in an opinion given to Secretary of the Commonwealth, McFadden, that the Keystone party must make nomination papers for the election of 1914 at the primary election on the third Tuesday of May next and that nomination papers purporting to nominate candidates under the name of that party cannot be received.

The effect of this opinion is to place the Keystone party on the same plane as the Democratic, Republican and Washington parties. The case arose out of a test begun through an effort to file a nomination paper to nominate Representative I. G. Gordon Forster for member of the House in the Second legislative district of Philadelphia.

In his opinion Mr. Bell says that the returns of the election of 1912 show that "the Keystone party had a candidate at the general election who polled, in each of at least ten counties of the State, not less than 2 per cent. of the largest entire vote cast in each of said counties for any elected candidate and polled a total vote in the State equal to at least 2 per cent. of the largest entire vote cast in the State for any elected candidate. Under the express terms of the State-wide primaries act of 1913, these facts constitute the Keystone party a political party within the State of Pennsylvania, and it must therefore make its nominations in accordance with the provisions of that act and not by nomination papers."
