EARNING DOWN OLD STONE SCHOOL HOUSE

Perry County Landmark of Years Ago Being Removed in Jackson Township

RECENTLY USED AS DWELLING

Serious Illness of the Rev. E. D. Book, Well-known Minister of Blain

New Germantown, Pa., Jan. 17.—Mrs. Minnie Hart and niece, Mrs. Besse Koontz, were in Newport on Wednesday.

Blain recently called on the Rev. E. D. Book, who is in a critical condition from the infirmities of old age.

Having passed the eighty-second milestone—Mrs. Mattie Weaver, of Danville, Ill., after visiting her aged mother, Mrs. Sarah O'Donel, and other friends for several months, returned to her home on Tuesday.

Accompanied by Mrs. Elsie O'Donel, who will visit her sister, Mrs. Gracy College, of Sugar Valley.

—Daniel Mumper and Bruce Hockenberry are tearing down the old stone schoolhouse at Mt. Pleasant, Jackson township, which has been one of the old landmarks of that township for many years.

It was in that old schoolhouse in October, 1871, that the writer stood his first examination by the late Professor L. B. Kerr, county superintendent.

Soon afterwards a new school building was erected just across the road and the old stone schoolhouse was used as a dwellinghouse until a few years ago.

—Miles Garber, of Blain, and Miss Mary Barnhart, of this place, were married in Maryland last week.

County Superintendent D. A. Kline is visiting the schools of Toboyno township this week.

Can't Help But Admire Babies

Every Woman Casts Loving Glance at the Nestling Cuddled in its Bonnet.

A woman's heart naturally responds to the charm and sweetness of a pretty child, and more so today than ever before since the advent of Mother's Friend.

It penetrates the tissues, makes them pliant to readily yield to nature's demand for expansion.

There is no longer a period of pain, discomfort, straining, nausea or other symptoms so often distressing during the anxious weeks of expectancy.

Mother's Friend prepares the system for the coming event, and its use during labor, rest and repose during the term.

This has a most marked influence upon the baby, since it thus inherits a splendid growing system of nerves and digestive function.

And particularly to young mothers is this famous remedy of inestimable value. It enables her to preserve her health and strength, and she remains a pretty mother by having avoided all the suffering and danger that would otherwise accompany such an occasion.

Mother's Friend truly is a gem and a muscle involved and is a sure preventive for caking of the breasts.

You will find this splendid remedy on sale at all drug stores at \$1.00 a bottle, and is highly recommended for the purpose.

Write for a free trial bottle to E. B. Riddle, Atlanta, Ga., and they will mail you sealed, a very instructive book for expectant mothers.
