INTERNATIONAL LEAGUE HAS NEW UMPIRES
Special to The Telegraph
New York, Jan. 23.—The umpiring staff and the spring training quarters of the International League clubs were announced yesterday by President Edward G. Barrow. The names of three umpires appear in the 1914 list, which consists of C. B. Owens, W. B. Carpenter, W. F. Finneran, John Mulvan, William McMillan, Hugh Rorty, Fred Hirschman, G. W. Miller and Robert Hart. The new arbiters are Rorty, who comes from the New England League; Hirschman, from the New York State League; and Miller, from the Carolina League.

BRENNAN STICKS TO TINKER
Special to The Telegraph
Kansas City, Mo., Jan. 23.—"I'm going to stick with Tinker," said Ad Brennan, the Philadelphia National League pitcher, yesterday. Brennan added that since he signed with the Chicago Federal of the Philadelphia club he had offered him a salary in excess of that to be paid him by Chicago. Joe Tinker, manager of the Chicago Federal League team, will be here tomorrow to talk with Brennan and with Beale Becker, outfielder of the Philadelphia Nationals, who is coming from his home in Wichita.

SUMMER BASEBALL IN FAVOR AT YALE
Movement Is on to Have Players Sign Up with Independent Teams
New Haven, Conn., Jan. 23.—Yale is taking the initiative to bring about a change in intercollegiate rules which will permit college stars to play baseball in summer and earn spending money. The Yale News is making a canvass of colleges and securing opinions on the question. Strongest of all those who believe that summer baseball should be allowed is Captain John T. Blossom, of Yale, who says, in part: "In spite of severe opposition, legalized summer baseball is bound to come in the near future. Some reputable universities have already acknowledged the need of recognizing it as a necessity and have not barred their men from competing as amateurs after playing summer baseball. A great many men playing college ball really need the amount that they can earn by playing during the summer to help pay their educational expense. It seems unfair to prevent these very often talented players from putting their abilities to use during the summer baseball season. However, the college player should confine himself to independent teams and the like and not be permitted to take part in games with teams under the national commission. My objection to this is the great publicity usually accompanying it. A rule should be devised and enforced which will prohibit a man who has played ball with a professional team before going to college from competing in collegiate games without letting the college authorities know of his previous action. "Before playing summer baseball one should obtain the college authorities' permission to do so. Every day or so during the season infringements against the present restrictions occur which tend to bring discredit on the team and casts a suspicion on the pure amateurism of college ball players. Should the step of permitting summer ball be taken, it would do away once and for all with these annual discussions. "The only way in which such a condition of affairs could be brought about without general disapproval would be for Harvard, Princeton and Yale to draw up a joint agreement to take this step."

Tri-State Will Be Changed; Three New Managers Coming
Eddie Plank Is Badly Wanted to Look After the Reading Team; Up to Connie Mack
With a change of managers for three Tri-State teams old-time rivalry can be looked for along with a sweeping change in the personnel of all the teams. Since there is no likelihood of there being more than six clubs, Reading backers would like to land Eddie Plank as manager. It is said the signing of the Athletics' twirler depends on the decision of Manager Connie Mack. Plank wants to break into the minor league game as an owner and this may be his chance. Allentown is also looking after a leader, the story that Johnny Castle would succeed Bill Coughlin having been a little premature. Bert Conn may resign at Trenton. George Washington Heckert will lead York. Jimmy Jackson has announced his intention to take up Wilmington's cause, and George Cokkell will be back in Harrisburg. Efforts were made to land Jimmy Sheekard for Reading, but he goes to Toledo.

The Susquehanna A. A. will meet to-night to discuss plans for the coming baseball season. The manager, Ed Frazier, will talk to his players at his home, 1301 South Twelfth street, and is anxious to have the following players at the meeting: Carpenter, Rhinehart, McQuade, Shaffer, McCurdy, Mountain, Ehling, Finney, Beach, Murphy, Downey, V. NOTRE DAME SCHEDULE INCLUDES CARLISLE TEAM
Notre Dame, having signed a contract to play the Elis at Yale field on October 17, now has a list of important Eastern engagements for 1914. Teams listed as opponents include, besides Yale, Syracuse, West Point and Carlisle, and all the contests but that with the Indians will be played in the East. The struggle with the redskins will take place in Chicago. Coach Harper, of the Indiana seat of learning, has arranged games, also, with some of the strong Western teams, whose names have not yet been announced.

"Jimmy" Sheekard to Manage Toledo; Will Play Outfield
"I'm not foolish," said Jimmy Sheekard of Columbia, the Chicago Cub star, when asked about his signing with the Federal. "Jimmy" who went West a few days ago will manage the Toledo team of the American Association, and attended the meeting at Chicago yesterday. Sheekard said yesterday that a contract had not been signed, but that terms had been agreed upon and the signing probably would take place in time for Sheekard to represent Toledo in an official capacity at the meeting of the American Association at the Congress Hotel. Last season Sheekard was released by the Cubs to St. Louis, and later turned over to Cincinnati, where he finished the season. A few days ago President Herrmann, of the Reds, announced that Sheekard was to be given his unconditional release, provided no other league club claimed him, and it is supposed he was free to deal with Toledo. The former Cub has no intention of being a bench manager if he takes the Toledo job. He will be in the outfield, and his friends think he will be one of the leading hitters and fielders of the league.

High School Girls Ready For Game; Tech Has Battle
Basketball games scheduled for tonight include double-headers at Chestnut Street Hall, where the Central High girls will meet the Downingtown High School girls, and a second game will be played between the scrub teams, and also a double-header at Tech High, where the Tech five will meet the Millersville Normal School team, with the Tech second team lining up against the Methodist Boys' five. Interest in the game between the Central girls on the team of stars from Downingtown indicates a large crowd at Chestnut Street Hall. Under the coaching of "Ike" McCord, the Central girls have shown wonderful form. Their loss at Williamsport was due to new rules which the local girls have never followed. The Central team will include: Margaret Velder and Clodine Melville, forwards; "Billy" Shaffer and "Bea" Hinkle, guards, and Helen Rauch, captain and center. The game at Tech High will bring together two powerful teams. Millersville has won the majority of the games since the first game with Tech and will show a stronger line-up than earlier in the season. Tech has been having special practice for this contest.

LANCASTER BOUTS WERE SENSATIONAL
Lancaster, Pa., Jan. 23.—Johnny Greiner, Lancaster, and Fighting Bob Givler, Allentown, went six hot rounds last night before the Lancaster Athletic Club. In the fifth and sixth rounds both men had a chance to win, but lacked the steam because of the previous severe exertions to land a knockout blow. Eddie King, New York, and Tim Dronay, Lancaster, fought only three rounds when the fight was stopped by the referee after King lost some of his teeth.

EAT LESS MEAT IF BACK HURTS
Take a glass of Salts to flush kidneys if bladder bothers you.
Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly back-ache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium bicarbonate, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. "Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now, and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Advertisement.
