"CASCARETS" ALWAYS STRAIGHTEN YOU UP

When constipated, headachy, bilious, stomach sour, breath bad.

Get a 10-cent box now. You men and women who can't get feeling right—who have headache coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach or have backache and feel worn out. Are you keeping your bowels clear with Cascarets, or merely forcing passage every few days with salts cathartic pills or castor oil?

Cascarets work while you sleep cleanse the stomach, remove the sour undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret to-night will straighten you out by morning—a 10-cent box from any drug store will keep you stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

A Single Application Banishes Hairy Growth (Toilet Talks) Much interest is manifested among beauty specialists in the new, painless treatment for superfluous hairs. This consists of a paste which is made with a little powdered delatone and water and applied to the objectionable hairs for about 2 or 3 minutes, then rubbed off. Following this treatment the skin should be washed to remove the remaining paste and it will be left free from hair or blemish. Care should be used to see that it is delatone you get, otherwise the result may be disappointing.—Advertisement.
