**HAIR LOSS IS NOT NECESSARY;
SAVE IT WITH---NEWBRO'S HERPICIDE**

Approaching hair loss, while frequently contemplated with misgivings, is nevertheless often accepted as inevitable. Such loss is not always necessary and can be prevented.

No one should buy a bottle of Newbro's Herpicide with the idea that it will make hair grow on a head where there has been no hair for several years. It will not do it.

When the hair is dry, brittle, uneven and coming out with every combing, it is an indication of dandruff contagion. For combating this condition and giving the hair a natural gloss and beauty, Newbro's Herpicide, when applied intelligently, has proved of extraordinary benefit. Having an exquisite odor and containing neither grease or hair coloring matter, you will enjoy Herpicide. It is a clean, sanitary and delightful hair dressing.

Newbro's Herpicide was the first preparation to be compounded in harmony with the theory of dandruff contagion, and costs no more than the old brand and so-called "just as good" article. Why accept anything but the original?

Newbro's Herpicide in 50-cent and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications at the best barber shops. Send ten cents in postage or silver to the Herpicide Company Dept. S, Detroit, Mich., for trial bottle and an interesting booklet on the care of the hair. Kennedy's Medicine Store, special agents.—Advertisement.

PERSONAL SOCIAL

DANCING PROMINENT IN SUNSHINE OPERA

Mrs. Lake, the Director Says "Harrisburg Is Capable of Great Things"

Dancing will be no small feature of the great spectacular "Bo-Peep" opera to be presented on Friday night, Saturday afternoon and night at the Majestic Theater. The opening scene of the dairy yard shows a dancing chorus of seventy members, who are quickly dispelled by the arrival of Mother Goose.

In spite of the reproof of the kind old lady for such frivolity the dancing germ seems to invade her subjects and even the neighbors who come to "buy" are led in a quaint dance by Peter Pumpkin Eater (Frederick Long) and his wife (Frances Patterson). Jack Spratt and wife (Richard Hamer and Austa Lee) and Jack and Jill (Clarence Cooper and Olive Himes) furnish one of the most clever dances of the evening.

However, the wonderful eggs must not be forgotten and the six little boys who take turns in the enchanted shells are Murray Striewie, Edward Schlessner, Henry Nachman, Stanley Caton, Herbert Kaufman and John McCulloch.

Those who have attended rehearsals declare that the character of the dancing is far superior to that found in most amateur productions and Mrs. Lake, the instructor of it all, says "Harrisburg is capable of great things and as to chorus singing they surpass cities of twice their size."

HOW I MADE MY HAIR GROW

Women With Marvelously Beautiful Hair Give Simple Prescription Which She Used With Most Remarkable Results.

I was greatly troubled with dandruff and falling hair. I tried many advertised hair preparations and prescriptions, but they all signally failed; many of them made my hair greasy so it was impossible to comb or arrange it properly. I think that many of the things I tried were positively injurious and from my own experience caused too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair. After my long list of failures, I finally found a simple prescription which I can unhesitatingly state is beyond doubt the most wonderful thing for the hair I have ever seen. Many of my friends have also used it, and obtained wonderful effects therefrom. It not only is a powerful stimulant to the growth of the hair, but it restores gray hair to its natural color, but it is equally good for removing dandruff, itching, itching, itching, itching, etc., and for the purpose of keeping the scalp in first-class condition. It also makes the hair easier to comb and arrange in nice form. I have a friend who used it two months and during that time it has not only stopped the falling of his hair and wonderfully increased its growth, but it practically restored all of his hair to its natural color. You can obtain the ingredients for making this wonderful preparation from almost any druggist. The prescription is as follows:

Bay Rum, 6 oz.; Menthol Crystals, 1/4 drachm; Lavender Compound, 2 oz. If you like it perfumed add 1 drachm of your favorite perfume. This, however, is not necessary. Apply at night and morning; rub thoroughly into the scalp.—Advertisement.

Reviewing Work of Children's Aid Society

A regular monthly meeting of the Children's Aid Society was held at the Y. M. C. A., preceded by a meeting of the case record committee.

The work of the Children's Aid Society was reviewed, the secretary stating that there were one hundred and seventy-nine children in the care of the society. Twenty-three new cases were taken up and eighteen disposed of.

The board of managers discussed the meeting of the State Conference of Charities and Corrections to be held in Harrisburg in October, and in which they have been asked to take an active part.

The secretary, Mrs. Elsie V. Middleton, reported that all children were doing well which had been placed in their foster homes. A number of interesting letters were read to the board which had been received by the secretary from the children thanking the society for their Christmas gifts which had been sent to them. One letter read as follows:

"Dear Mrs. Middleton: I will let you know that I received the Christmas presents you sent me and thank you for the same, and further I will let you know how many Christmas presents I got over here. Two suits of underwear, a pair of rubbers, a box of colored crayons, a drawing slate, a top, a pound of candy, a pocket book. That I got from the Santa Claus. I got a box of candy and an orange from the teacher. I got a half pound of candy and two dishes from the Sunday school. I don't think any boy in the home can beat that. I wish you were here. I like pudding and come over once and let us know we will fetch you from the train.

"On Tuesday, January 6th, we will butcher three big hogs and a steer. We are going to make butter in all the places and take the butter in when we go. I go to school. I like my teacher. Sometimes I go along up through the woods with him.

"I got home safe last summer when we were over and I enjoyed the trip, and I think my aunts ought to come over here before I come over again. We have plenty sausages, puddings and meat. Oh I like puddings and fried mush for breakfast. We would have plenty apples for the whole winter if they wouldn't spoil so fast.

I guess this is all for this time. Wish you and all the people at the Home a Happy New Year. Hope to hear from you soon."

The secretary also reported that much help was being asked of the Children's Aid Society this year, and that numerous requests for children to be placed into family homes are being constantly sent to the society.
