PERSONAL AND SOCIAL

LARGE MOUNT FOR SUNSHINE TREASURY

Society Thanks All Who Helped With Opera "The Lost Princess"

The Roberta Diebrow Lloyd Sunshine Society heard a most encouraging report this afternoon at the February meeting, of the opera "The Lost Princess Bo-Peep," held Friday and Saturday evening and a Saturday matinee, at the Majestic Theater. While the bills are not yet settled, Mrs. Lake has been paid and left the city and the Sunshine treasury will be "the richer by \$1,275, its full share of the proceeds. One hundred dollars was made by the candy sellers alone. The expenses were heavier than for the last opera, there was no voting contest, and the weather was as bad as bad could be; so, considering everything, the amount cleared is most satisfactory. The society is most grateful to all who participated in the opera, freely giving their services, and to the stores and individuals in the neighborhood to help with the stage settings, as well as to the advertisers in the souvenir program and the general public for hearty patronage.

TAKEN FROM LIFE

E. S. Martin says:

"One would think that Boston would produce a morning paper like the Springfield Republican, intelligent, orderly, handsome; a paper firmly established with traditions, independence, influence and a record; a fountain of culture and a means of public education. There is no such morning paper in Boston."

No, but there is in Philadelphia—the Public Ledger.

HUNDREDS OF WOMEN

nowadays are entering the professions or business world and go to work day after day in bad health, afflicted with some female ailment, dragging one foot wearily after the other, working with an eye on the clock, and wishing for closing time to come. Women in this condition should take Lydia E. Pinkham's Vegetable Compound, made from roots and herbs. It has brought health and happiness to more women in America than any other remedy. Give it a trial.—Advertisement.

ITCHED FOR 20 YEARS, RESINOL CURED IN 10 DAYS

Baltimore, Md., July 10, 1913.—"About twenty years ago both my legs began to itch from ankle to knee. Little pimples came out. The itching and burning was something terrible. I would start to scratch and could not stop. I would even scratch through the skin and that of course would leave a sore which I was compelled to bandage. "I tried several prescriptions, and treatments, but received not a particle of benefit—no more than if the treatments were cold water. I then began to have very little faith in anything and of course could do nothing but scratch away. "After suffering constantly for twenty years, a friend recommended Resinol Soap and Resinol Ointment. From the very first application, I found relief, and was entirely cured in ten days. The itching and stinging sensations have ceased and my skin is as smooth as a child's." (Signed) Charles Warner, 1123 N. Stricker St.

Physicians have prescribed Resinol for eighteen years and every drug store sells Resinol Soap (25c), and Resinol Ointment (50c and \$1). Don't be deceived by the useless "substitutes" which few unscrupulous dealers offer. For free trial, write to Dept. 37-R, Resinol, Baltimore, Md.—Advertisement.
