If Our Grandmothers Had Only Known MUSTEROLE!

How would they have welcomed it. For they knew the blessed relief that the old-fashioned mustard plaster gave for colds, aches and pains.

But they had to take the blister and the burn with the plaster. You can get mustard's wonderful effect, without the plaster and without the blister.

MUSTEROLE does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders and yet does not blister the tenderest skin.

Don't spread MUSTEROLE on a cloth. Don't bind it on with a piece of flannel. Just massage it in with the fingertips briskly. See how quickly it brings relief—how speedily the pain disappears. And there is nothing like MUSTEROLE for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of Back or Joints, Sprains, Sore Muscles, Bruises, Chills and Shivers, Frosted Feet, Colds of the Chest. (It prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for \$2.50.

Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the MUSTEROLE Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid.

T. G. EMERY, M. D., So. Waterboro, Me. says: "Musterole is much better in every respect than the mustard paste or mustard plaster. I shall now keep it on hand for ready use at any time."
