What Thin Folks Should Do to Gain Weight

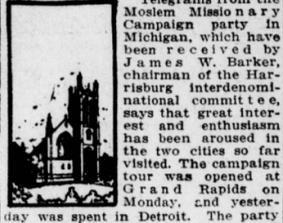

Physician's Advice For Thin, Underdeveloped Men and Women
Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to life-long skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered regenerative force makes fat grow after years of thinness, and is also unequalled for repairing the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable discovery is called Sargol. Six strength-giving, fat-producing elements of acknowledged merit have been combined in this peerless preparation, which is endorsed by eminent physicians and used by prominent people everywhere. It is absolutely harmless, inexpensive and effective.
A month's systematic use of Sargol should produce flesh and strength by correcting faults of digestion and by supplying highly concentrated fats to the blood. Increased nourishment is obtained from the food and the additional fats that thin people need are provided. Geo. A. Gorges and other leading druggists supply Sargol and say there is a large demand for it.
While this new preparation has given splendid results as a nerve-tonic and revitalizer, it should not be used by young people unless they wish to gain at least ten pounds of flesh.—Advertisement.

EATING RELIEVES STOMACH TROUBLE

A Prominent Physician's Advice.
"Eat good foods and plenty of them. Dieting, in many cases, is almost criminal. Get back to normal. To do so you must have the proper quantity of nourishment. You need it for brain or physical work. For probably there is nothing the matter with your stomach except acidity. That is merely an abnormal secretion of acid in the stomach. Neutralize that acid and your stomach trouble will end at once. Neglect may mean ulcers if not cancer of the stomach. Do not take patented medicine or peptic tablets for dyspepsia. Simply take a neutralizer of acid. Decidedly the best neutralizer is ordinary druggist's bicarbonate of soda. You can get it at any drug store for a few cents. Take a teaspoonful in a quarter glass of water after each meal. The relief will be immediate."—Advertisement.

MOSLEM WORKERS HERE TOMORROW

Services Afternoon and Evening in the Grace Church, State Street

Telegrams from the Moslem Missionary Campaign party in Michigan, which have been received by James W. Barker, chairman of the Harrisburg interdenominational committee, says that great interest and enthusiasm has been aroused in the two cities so far visited. The campaign tour was opened at Grand Rapids on Monday, and yesterday was spent in Detroit. The party is coming east by long jumps and will be in Harrisburg tomorrow. Final arrangements are being made for the local meetings, which will be held in Grace Methodist Episcopal Church in State street at 4 and 7:30 p. m. Friday. The afternoon meeting, which is less interesting than the evening meeting, will be limited to ninety minutes. Mr. Barker will preside at both meetings. The Rev. Dr. John D. Fox, pastor of Grace Church, will conduct the devotional exercises. Bishop James H. Darlington will be present in the evening and will offer the closing prayer and benediction. The evening music will be in charge of Professor C. A. Ellinger, with Henry W. Stratton at the organ. In Grand Rapids the party had the whole day and the program was more extended than the local one. Marion Lawrence wired Mr. Barker that the party held a ministers' meeting, a business men's luncheon, a reception to Sunday schools, a children's rally and an evening mass meeting and that all were packed with enthusiasm. Five thousand dollars was pledged for extending the forward movement for children in Moslem lands. The Detroit campaign was similar to the one in Grand Rapids, Detroit pledging \$8,500 in addition to the Grand Rapids pledge. Mr. Lawrence says the appeal for childhood among the Moslems has struck home and that he has seen a campaign in Harrisburg. The speakers here will be Mr. Lawrence, the Rev. Dr. S. M. Swemer, missionary to Egypt, and the Rev. Stephen R. Van Trowbridge, missionary to Turkey.

Y. M. C. A. MEETING

A gospel meeting will be held for men only, under the auspices of the Young Men's Christian Association, Second and Locust streets, Sunday afternoon, at 3:30 o'clock. There will be an address along Bible lines by a well known speaker. The praise service will be under the direction of the association chorister, W. H. Kautz. The topic to be presented will be a sequel to "The Old Creation and the New" presented last week. All men are cordially invited to be present.

Religious Work on Hill.—What is probably the most determined effort to get nonchurchgoers to the church on Allison Hill is now reaching the climax in a strong religious movement. The Stevens Memorial Methodist Episcopal church has started a house to house campaign to remind people of their duty to the church. Dr. Clayton Albert Smucker is thoroughly modern in his methods of work and is determined to press the habit of attending church services among confirmed week-enders on Allison Hill. In the determination of the church workers that no one shall be allowed to forget the church and their duty to it, the church census committee has been kept busy for several weeks. The results of the religious census canvass are still being tabulated. A card index is being prepared and is to be kept at the church for reference. A record will be made of all the families on the Hill. Many have expressed no religious belief or church preference. The index is to be open for inspection of all visitors and church workers. The careless and unaffiliated church folk will be looked up. Dr. Smucker has been in a three weeks' evangelistic service and has been preaching to large congregations. He has been assisted by a large men's chorus led by Ross K. Bergstresser. The service begins to-night at 7:45.

To Preach to Firemen.—The Shamrock Fire Company will attend a special service at Bethany Presbyterian Church on Sunday evening, at 7:30 o'clock. The Rev. John H. Warden, chaplain, will preach to the firemen on "Count the Cost." There will be special music and the firemen will attend in uniform.

Church Supper.—The Ladies' Aid Society, of Immanuel Presbyterian Church, will give an a-la-carte supper in the church, at Sixteenth and Juniper streets, on February 12 from 6 to 8 o'clock.

ANGELUS AND CELLO RECITAL
What promises to be the musical event of the season will be given at the Board of Trade next Wednesday evening, February 11. On this occasion the J. H. Troup Music House will present Hans Kronold, violinist, of New York, assisted by Mrs. Bum-baugh, soprano, and Sara Lemer, violinist. A feature of the recital will be that all accompaniments will be played on the Angelus which will be in the hands of Mr. Van York, of Pittsburgh, world famous Angelus player. Tickets of admission are free and may be secured at the J. H. Troup Music House, February 10, 11, 12.—Advertisement.
