The Frantz Premier Is Designed for Use in the Home

9 A.M. A Day's Cleaning Done

With the **Frantz Premier** **\$30.00**

And from the standpoint of true efficiency we believe it is the most practically constructed electric sweeper in existence. Our large output naturally gives us an opportunity to look into the merits of every article that is marked to be sold. In the field of electric vacuum cleaners we have not found one machine that quite measures up to the Frantz Premier.

One of the most salient selling points in favor of the Frantz is the fact that it is designed especially for use in the home.

We'd be pleased to demonstrate the Frantz Premier in your home.

Furniture for Dining Room and Library

Designed By a Maker Who Knows Well The Art of Building Quality Pieces Specially Priced in the February Sale

The Furniture offerings in the February sale are made up of the same high grade pieces that can be found in our furniture stock the year round, but prices now are shaded materially as an incentive to active Winter buying. There isn't a piece in the entire showing, no matter how low the price, that you will not be glad to take into your home.
