PRICE AGREEMENTS WERE THEN MADE WHICH SECURED FOR US

**ALMOST A COMPLETE NERVOUS WRECK**  
**A Steelton Woman, to Show Her Gratefulness, Is Now Doing a Noble Work**

The world is composed of people of all classes and characters and dispositions. Some people when they are shown a favor are utterly thankless, while others are remarkably grateful. Nobody can study such characters better than the Health Teacher, who was at the drug store. Write the wonderful Quaker Extract and Oil of Balm are creating more cures every day, only a slight percentage of such benefited people call to thank him for recommending the remedies. Still hardly a day passes on which some really thankful person does not call on the Health Teacher and report remarkable results from Quaker.

Mrs. P. M. Johnson, who lives at 222 North Front street, Steelton, called. Even the Health Teacher was surprised to notice the great change for the better in her condition. About two weeks ago she had called, accompanied by her husband. At that time she was almost a complete nervous physical wreck. She could hardly walk and could neither eat, drink or sleep, and as a consequence her condition was really pitiable. Although discouraged and disheartened, she promised to take Quaker Extract regularly as directed, and she did. What was the result? Yesterday Mrs. Johnson called again and was profuse in

her thanks to the Health Teacher. She was in every way improved. So encouraged was she that she was recommending the Quaker remedies to all her neighbors, friends and acquaintances. That is gratitude which he appreciates. Mrs. Johnson is an old, faithful member of the First Presbyterian Church of Steelton. She will cheerfully tell all who ask her what Quaker Remedies have done for her. If you suffer with rheumatism, catarrh or stomach troubles, call on him and obtain the Quaker Remedies. From W. H. Kennedy's drug store, 30 South Third street.—Advertisement.
