# Down Went the Overcoat Prices And To-morrow Is the Sale

We have moved the Men's Clothing Department to the center of the Third Floor in a very much larger, more spacious and better place. And now we want to clear out all winter goods as fast as possible because the spring goods are coming in and we want to fill up the racks with spring goods.

This is how we are going to clear the stocks quick.  
**\$13.50, \$15 and \$16.50 Overcoats, \$9.00**  
Every one of these Overcoats at the same price, \$9  
Blacks, grays, browns, blues and mixtures—chinchillas, cassimeres, thibets and kerseys. A splendid variety to select from, but not all models in each size—your size is likely here. Come and get it.  
**\$9.90, \$10.50 and \$12.50 Overcoats, \$7**  
Chinchillas, kerseys and cassimeres, short and full length, with or without belts. Any of them in this group. Saturday at \$7.00.  
**\$30, \$35 and \$40 Fur Overcoats, \$17.75**  
The man who owns a fur overcoat has a coat that will give him years of service. But we don't want to carry fur overcoats over until next season, and it will pay you to buy one and lay it aside for next winter because you save half price. Fur lined or fur outside. Black kersey shells the fur is Marmot or Japanese Dog, Persian Lamb collars and quilted lining.
