Civic Club Asks Aid For Mt. Alto Children

The Civic Club of Harrisburg has been deeply interested in the establishment of the work there, and that the State is doing this work, and it is no longer required, but the club finds it necessary to clothe men, women and children who are sent from here to the camp. It is essential that they be provided with warm clothing, for the State cannot provide clothes.

It is intensely cold at Mt. Alto and the patients live out of doors as much as possible. Therefore the Civic Club endeavors to clothe those who are sent from here. It is hoped that a great amount of warm clothing will be sent this week to Mrs. William Henderson, 25 North Front street, who is in charge of the matter.

Warm underclothing for men, women and children, warm suits for men and boys, overalls, coats, outer wraps, warm mittens and gloves, over-shoes, stockings, sweaters, are among the articles most needed. They may be sent any time this week to Mrs. Henderson, but the earlier in the week the better. The request is most urgent and the need imperative.

HARRISBURG WOMEN VICTIMS OF MURDER

[Continued from First Page]

kitchen late in the afternoon. Our friends, Mr. and Mrs. Tenson, who had had a room in the house until a few weeks ago, dropped in for a bit of friendly chat. The day was raw and Mr. Tenson had brought in some whisky and made a hot punch. We were laughing and talking together without any thought of harm.

"Suddenly Peters appeared in the doorway. He came into the room, and after a word or two stepped over to my sister and knocked the glass of punch from her hand. She asked him to stop, and said: 'Don't do that, we brought it in and it is a shame to waste it.' The next thing we knew Peters drew a revolver and commenced shooting. I do not remember whether my sister or her daughter was hit first, it was all so sudden. I remember after a while that I tried to lift up Maggie, but found that I could not.

"Peters had also fired at my husband, Lewis, who dodged and caught up a big plaster ornament, which he threw at Peters. Peters ran out of the room and upstairs. After I was brought to the hospital in the same ambulance with Peters they brought him up to me on a stretcher to identify. There was a great hole in the side of his head. He was not dead then.

After making the above statement Mrs. Garman collapsed and could not say anything further. All during the afternoon and night she was in a very serious condition. The doctors thought she had had her death moment occur any time.

A Message to Women

Who Are "Just Ready to Drop."

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired-out next morning as when you went to bed, you need help.

Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicines I ever took."

If the careworn, run-down women, the pale, sickly children and feeble old folk around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderful, strength creator and body builder, and we sell it under a guarantee of satisfaction. You get your money back if Vinol does not help you. George A. Gargas, druggist, Harrisburg, Penna. Vinol is sold in Steelton by T. Prowell.
