You'll Grow Over "GETS-IT" for Corns!

It Will Startle You How "GETS-IT" Gets Corns Every Time.

"One, two, three!" That's about as long as it takes you to apply "GETS-IT," the new, unique, simplest, surest corn remedy ever seen.

"This is No Place For a Crow. Her Corns Are All Gone. She Must Have Used 'GETS-IT'."

Corn fusing is all over. Corns, corn pains and calluses are absolutely done for. From the minute you apply "GETS-IT," you forget the pother of useless plasters, greasy salves that spread and make toes sore and raw. Little doughnut cotton rings that press on the flesh, never fall off, raise blisters and the dangers of blood poison from drawing blood, and the contraptions and harnesses that simply make corns worse. "GETS-IT" never hurts the flesh. "GETS-IT" is sold by all druggists. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.—Advertisement.

DEMOLISHING 51 STEELTON HOUSES

holders" of the village of Ewington, Pa. This petition stated that the district to be annexed consisted of "some houses and a large number of outlying lots." It was signed by the following: William James, George C. Strine, Daniel Meyer, Michael Kennedy, Joseph P. Fitting, Jacob House, John Handley, Mrs. C. Shoell, Mrs. E. Woodcock, Adam Reinhauser, Peter Frank, C. F. Reehling. Among these petitioners are the names of a number of the fathers of the borough's prominent families, who once made their homes in the district to be wiped out.

There was a time, and it wasn't so long ago, when this part of the borough was one of the best sections of the town. Main street, the eastern boundary of the section to be obliterated, is the widest street in the borough. Along this street many of the borough's leading citizens had their homes.

Steel Company Owns Property

The demand for increased manufacturing facilities at the Steel Works from time to time made extensions of the plant necessary, and the works gradually encroached on the residential section here, until in late years the Steel Company has acquired all the property north as far as Trewick street and west of Main street with the exception of some home lots.

The problem of where to provide homes for the big number of people who will be forced to seek new homes now faces the borough. Real estate men here are of the opinion that all the residents of the condemned district will be cared for in Steelton; others believe that many families will be forced to move to Harrisburg.

THROWS CIGAR IN GLOVE

OF WOMAN PASSING BY

When one of the loungers in the Courthouse to-day threw away a lighted cigar he didn't notice that a woman on her way to the City Treasurer's office was passing between himself and a cuspidor. The result wasn't noticed until after the woman was on her way upstairs in the elevator. Then she saw that her glove was afire. The lighted cigar stub had caught in her glove. The little blaze was extinguished without seriously harming the victim.

How to Make the Best Cough Remedy at Home

A Family Supply at Small Cost, and Fully Guaranteed.

Make a plain syrup by mixing one pint of granulated sugar and 1/2 pint of warm water and stir for 2 minutes. Put 2 1/2 ounces of pure Pinex (fifty cents a bottle) in a pint bottle, and mix it up with the Sugar Syrup. This gives you a family supply of the best cough syrup at a saving of \$2. It never spoils, or is a teaspoonful every one, two or three hours.

The effectiveness of this simple remedy is surprising. It seems to take hold almost instantly, and will usually conquer an ordinary cough in 24 hours. It tones up the jaded appetite and is just laxative enough to be helpful in a cough, and has a pleasing taste. Also excellent for bronchial trouble, bronchial asthma, whooping cough and spasmodic croup.

This method of making cough remedy with Pinex and Sugar Syrup (or strained honey) is now used in more homes than any other cough syrup. This explains why it is often imitated, though never successfully. If you try it, use only genuine Pinex, which is a most valuable concentrated compound of Norway white pine extract, and is rich in gualic acid and other natural healing pine elements. Other preparations will not work in this combination.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

points, have deposited their tickets and stopped over in Harrisburg for intervals ranging from five to ten days. In addition to these visitors from the Pacific coast it is estimated that on other tickets stop-over privileges have been granted to 25,000 visitors, many of whom remained the full ten-day limit allowed for a stop-over.

Handles Big Rush

Since coming to this city Mr. Buchanan has been constantly showing his live wire tendencies. The big rush of veterans to Gettysburg during the encampment last July was handled by A. E. Buchanan, who established temporary official headquarters at Gettysburg, and with the aid of the Pennsylvania transportation and motive power experts took care of a record movement without a single accident. Harrisburg was one of the principal centers for distribution of the many thousand travelers.

Caring for 3,000 corn boys and visitors from Ohio, in December, was also a job for Mr. Buchanan's street car duties. These visitors from the "Buckeye" State were handled safely and promptly under his direction. Traveling men who have occasion to use the Cornwall and Lebanon Railroad, and travel on mileage books now have their baggage checked through, and have their mileage books honored without any extra charge. This privilege was also secured through the efforts of Mr. Buchanan, and is appreciated mostly by the many Harrisburgers who reside at Mt. Gettysburg during the summer months.

The storm which has been expected to set in from a northwesterly direction, causing a rise of temperature along the coast, but with not strength enough to influence the weather this far inland. And the prospects are for continued cold.

Selinsgrove, Pa., Feb. 25.—Yesterday the grand jury ignored the murder charge against Harvey Willow, Martin L. Kratzer and his son, Ralph Kratzer, of Kratzerville, Pa., who are now in prison charged with murdering George Spaid at Selinsgrove on New Year's Day.

The three men will now be tried on a charge of manslaughter. The trial of Willow started yesterday afternoon and will probably continue on Tuesday night by slaying his throat with a razor. BECKER'S READY TO LEAVE DEATH HOUSE

District Attorney Whitman Is Still Undecided Regarding Another Trial

STAR WITNESSES PREPARED

Rose, Vallon and Schepps Tell Their Attorney They Will Testify if Called Upon

New York, Feb. 25.—Formal order of the Court of Appeals permitting the removal of Charles Becker from the death house at Sing Sing Prison to the Tombs in this city, preparatory to a new trial on the charge of instigating the murder of Herman Rosenthal, was filed here to-day. It was expected that Becker would eat his dinner to-night in the Tombs.

The last day of Charles Becker's stay in the death house and Sing Sing Prison was to-day gladdened by a visit from his wife. Owing to the death of her mother, whose funeral was held yesterday, Mr. Becker was prevented from going to the prison on Tuesday when news of the Court of Appeals' decision, granting her husband a new trial for the murder of Herman Rosenthal, was announced from Albany.

Carries Clothing Mrs. Becker brought a suit of clothes and clean linen that her husband may leave the prison in other than the clothing furnished to departing prisoners. It was expected that Griffenhagen would take Becker back to the Tombs late to-day or to-morrow morning where he will be confined pending the final disposition of his case.

Whether Becker will be tried again as the instigator of the murder of Rosenthal, the gambler, is still problematic. Charles S. Whitman, the district attorney, said he is as yet undecided as to what course to pursue. His desire is to have a second trial on the murder charge, but he has not yet reached a decision he wishes to make a thorough study of the opinion of the Court of Appeals.

Jack Ross, Harry Vallon and Sam Schepps, three of the four star witnesses for the prosecution, saw their counsel, Bernard Sandler, yesterday, and through him informed the district attorney that they stood ready to take the witness stand at any moment.

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."—Mrs. S. T. RICHMOND, 199 Waldo Street, Providence, R. I.

A Minister's Wife Writes:

CLOQUET, MINN.—"I have suffered very much with irregularities, pain and inflammation, but your wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has made me well and I can recommend the same to all that are troubled with these complaints."—Mrs. JENNIE AKERMAN, c/o Rev. K. AKERMAN, Cloquet, Minnesota.

From Mrs. J. D. Murdoch, Quincy, Mass.

SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. JANE D. MURDOCH, 25 Gordon St., South Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

SHOW GIRLS HOW TO AVOID WHITE SLAVER

Film at Majestic Splendid Lesson to Girls, Say Ministers Who Saw It

During the three days that the "Traffic in Souls" pictures have been running at the Majestic Theater there have been enough comments on the attraction of sufficiently varying nature to prove that people are of many minds on the matter of white slavery and morality.

While the majority of people who have seen the pictures pronounce it a splendid warning to girls who are sometimes too easily misled through flattery and false promises, there are others who assert themselves that lessons of this kind should be taught in the home and not by a moving picture that shows the trapping of an innocent girl.

Several ministers and clergymen have been among those who thus far have seen the picture, and even there the notions of its merits as a protector are usually at odds, although not so much fault is found with this picture as with the one recently put on in the same theater called "The Inside of the White Slave Traffic."

There is a vast difference between this picture and the one that was stopped, although it deals with the white slave subject and carries a pretty girl through a chain of rather horrifying experiences. Many of those who saw the picture early in the week have returned with others to whom they had recommended it.

"It is a splendid picture and every-

body in Harrisburg should see it," said one prominent clergyman as he passed out of the theater yesterday. The same opinion is expressed in many letters from the heads of protective societies about the State.
