Advance Showing of Spring Hats

The Millinery Section will have an interesting display to-morrow, of clever copies of imported models at

\$4.95 \$5.95 \$6.50

introducing among other novelties the Bandeau effects, which are now the vogue in Paris.

These styles at popular prices are clever copies and adaptations of French models and introduce many ideas that are refreshingly new. Ever so many new shapes are featured, and in connection with the early showing of trimmed hats will be found a pleasing variety of the latest shapes in untrimmed hats.

Trimmings consist chiefly of flowers, wreaths, fancies, pompons, small wings and moire silk.

Fashion lovers will find their visit here to-morrow well repaid.
