TO LIMIT HOURS ON CITY TENNIS COURTS

Youths Under 16 May Play Before Noon Saturdays and 5 P. M. Weekdays

WILL RELIEVE CONGESTION

Assistant Park Superintendent Hoffert Suggests Plan For Adults' Accommodation

Congestion on the city's tennis courts at Reservoir park during the summer months will be relieved if a plan suggested by J. R. Hoffert, assistant superintendent of parks, can be worked out successfully.

Assistant Superintendent Hoffert's scheme is to prohibit children under sixteen from using the courts Saturday afternoons and after 5 o'clock on week days. By this plan the adult players who can only use the courts after working hours, may have an opportunity of playing without being compelled to wait until the younger folks release them.

"For years the Reservoir courts have been more than ordinarily popular," said Mr. Hoffert, "and the demand for more courts has been growing every season. The park authorities hope to have additional courts provided, but if Council fails to allow sufficient funds this year for the building of new ones, the increasing demand will have to be filled as satisfactorily as the circumstances will permit.

"The plan hasn't been definitely decided upon as yet, but the idea now held is to limit the playing hours of the youngsters to sixteen or under week-days up to say 5 o'clock and to week-ends up to noon Saturdays.

"Most of the older people who play—and believe me, in a majority—can't possibly get to the courts before 5 o'clock and then even in the long days of summer, the playing time is necessarily limited because of the light. Some of the older folks get a chance to get out to the parks Saturday afternoon and for this reason I think we can work out a plan to provide a chance for everybody and not curtail the fun of any."

New screens and concrete bases with iron poles will likely be provided for the Reservoir courts if Council allows Park Commissioner M. Harvey Taylor's request for funds for the purpose in the 1914 budget.

THREE LEADERS OF THE WHITE SOX GIANTS WORLD'S TOUR

Left to right, Jimmy Callahan, manager of the White Sox; John J. McGraw, manager of the Giants, and Charles Comiskey, owner of the White Sox.

Charles Comiskey, president of the White Sox, of Chicago; Jimmy Callahan, the manager, and John J. McGraw, the manager of the Giants, were the happiest men in the world when they stepped off the Lusitania in New York, Friday morning after completing their world tour to show all nations of the earth how to play baseball.

McGraw and Callahan, who are young men, were, of course, in the best of health; Comiskey, who was ill in Rome, was in good shape. He scouted reports sent from Italy that he was dying. The trip was very successful from every point of view, the managers said. "They had not only paid their expenses, but had made money. In addition they had created interest in the game in countries which had hardly heard of it."

RITCHIE THE FAVORITE

Special to The Telegraph

Milwaukee, March 9.—Rejuvenation of Ad Wolgast and reported after-confidence of Willie Ritchie have failed to dethrone the latter as favorite in betting for their ten-round bout here next Thursday night. Ritchie, who will defend his title of champion against the man from whom he won it, is at the long end of the odds, but betting has been light, despite its being a match for the lightweight title.

War to a Finish Is Federal Slogan; Gilmore Issues Orders

Chicago, Ill., March 9.—The gauntlet has been thrown down by the Federal League. The war is on. Before leaving for Shreveport, on the Chicago Federal special train yesterday afternoon, President James A. Gilmore wired the president of every club on the Federal circuit to go after all the players they could get, irrespective of whether they held organized baseball contracts or not. This is the line of fight planned sometime ago by the Feds.

The failure of Catcher Bill Killifer, of the Phillies, to report in answer to the summons of Manager Joe Tinker, of the Chicago Federals, was the straw that broke the camel's back, according to the Fed's executive. President Gilmore waited until just a few minutes before train time to make sure that the backstop would not report. Then he wired the club executives and climbed aboard the special.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay gray! Here's a simple recipe that anybody can apply with a hair brush

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.—Advertisement.

Harrisburg Tossers Have Easy Victory

Harrisburg tossers had little trouble in winning from the University of Pennsylvania Freshmen five Saturday night; score, 40 to 21. The locals were never in danger. Penn's lads put up a game fight and played a fast game, but they were unable to break up Harrisburg's interference.

Before the game and between the halves the Central High scrubs defeated an all-star team from the Pennsylvania Railroad Young Men's Christian Association league; score, 30 to 12. This contest furnished unusual interest. In the big game McCord, Bumbaugh and Geisel were stars. Laeman, Altman and Evans were Pennsylvania stars.

Both led for the Central scrubs and played a remarkable game. Yoder and Mellinger were the fast men on the all-star team. Dancing followed the game.

No Summer Baseball For College Players

Special to The Telegraph

New York, March 9.—That the status of the collegian who plays "summer baseball" will remain unchanged at the leading Eastern colleges and universities appear certain from recent statements issued by those in positions of authority.

Notwithstanding that a number of varsity team captains have publicly stated their belief that a student may play baseball for money or other inducements during summer vacation and still preserve his amateur athletic status while in college, these Utopian days are not for the present world of undergraduate sport.

York After Russell; Will Make Hard Fight

Special to The Telegraph

York, Pa., March 9.—"Lefty" Russell, who played a first-class article of ball as a first baseman with the Allentown and York clubs of the Tri-State League last season, will in all probability again wear a White Rose uniform this year.

The York club, according to Manager Heckert, will make a fight for him and from present indications it stands an excellent chance to get him back. Russell was recently sold to the Scranton club, under whose option he was sent to the Allentown club last season.

MAGEE FOR CAPTAIN

Wilmington, N. C., March 9.—Sherwood Magee, for several years star outfielder of the Phillies was elected to succeed Mike Doolan, who has jumped to the Baltimore Federals as captain of the team yesterday. In the majority of the years that he has worn a Phillie uniform, he has batted over 300 and twice led the National sluggers in stick work.

Prof. Charles C. Davis, of Steelton High School to Be the Head of the New Organization

It is expected that every high school in Pennsylvania will be enrolled before April 15. INTERNATIONAL HIT HARD; LOST EIGHTEEN PLAYERS

New York, March 9.—The International League figures it has lost about eighteen players as a result of the raid on its circuit by the Federals, according to President Ed. Barrow. From the point of numbers the Montreal and Rochester teams were hit hardest and will have considerable to do to repair their fences before the start of the season. Newark lost two men, Harry Swacina, the first baseman, and Cy Burger, pitcher. Baltimore and Toronto claim that their teams have not lost a man through the efforts of the Federals. Providence loses London, who once played with Detroit and Newark. Hal Myers, Jacklitsch and Simmons are on the list that cavorted away from Rochester, while Buffalo has lost Fred Beck, the regular first baseman.

Jersey City loses Joe Agler. Among the players who have quit the Mont-

real team are Ed Leano, third baseman; Miller and Hanford, outfielders, and Del Mason, pitcher.

Girls' Big Schedule Includes Hard Games

The second girls' basketball team of the Central high school will play many interesting games this month. The team has played but two games this season, winning one from the Forney girls by the score of 10 to 2, and losing one to Elizabethtown, score 19 to 11, after having a lead of 8 to 1 in the first half.

Although the scrubs have had little experience, they grasp the fine points in an astonishing way. Miss Euelah Stary, recently elected business manager of the second team, has arranged the following games:

March 10, Central vs. Lincoln Girls, at Chestnut Street Hall; 12, Central vs. St. Cecilia; 16, Central vs. Elizabethtown, at Chestnut Street Hall; 17, Central vs. St. Andrew; 20, Central vs. Hershey; 24, Central vs. Cupid Club at Chestnut Street Hall.

SPORTING BITS

This week will find every major league team hard at work in training camps.

"Muggsy" McGraw left yesterday for Marlin, Texas, to join his team.
