UPPER YORK COUNTY FARMERS ORGANIZE

United Agricultural Association Formed as Result of Successful Institute at Dillsburg

Special to The Telegraph
 Dillsburg, Pa., March 9.—As the result of the successful farmers' institute held in Dillsburg two weeks ago, a permanent organization was formed at a public meeting held Friday night at the Palace Hotel. The following officers were elected to head the new organization, to be known as the United Agricultural Association: President, R. S. Clark; vice-president, Levi M. Myers; secretary, D. B. Baker; and treasurer, Dr. J. H. Graff. The object of this organization is to organize all the farmers in the upper end of York county and adjoining Cumberland county, and hold annual exhibitions of farm stock and products to increase interest in better farming. The membership fee was fixed at \$1 per year. The following members signed last night: Dr. J. H. Graff, J. E. Cook, W. H. Side, D. B. Baker, G. A. Dick, H. M. Evans, J. H. Sheffer, J. C. Baker, R. S. Clark, H. E. Mayberry, S. C. Baker, J. Paul Smith, A. D. Arnold, George Kinter and J. J. Klugh. The next meeting will be held March 19.

CROWS KILL OPOSSUM

Special to The Telegraph
 Duncannon, Pa., March 9.—Crows are coming into their share of censure by the sportsmen. They are not only killing partridge and rabbits, but opossums are also their prey, as a half dozen or more bounced down on one in a field in Reed township and picked it to death one day during the past week.

OLD POST OFFICE DISCONTINUED

Special to The Telegraph
 Marietta, Pa., March 9.—The Post Office Building at South Hermitage in April, 1861, just at the outbreak of the Civil War, was discontinued. William H. Bunn, who was the postmaster from that time until his death a short time ago, held a record that no other postmaster had, of so long a term. The patrons will be served by rural delivery.

WIRE KILLS TWO HORSES

Two work horses belonging to J. C. & H. Hoover, of Fort Hunter, were instantly killed by a live wire falling across their backs Saturday afternoon in the Country Club lane near Sixth street. The wires were broken by the heavy snow and ice. The driver, Harry Lingie, was uninjured.

MAY USE MEGAPHONES ON CROSS RIVER CARS

Motorman, if System Is Adopted, Will Call Out Stops Along Line

Lemoyne, Pa., March 9.—Megaphones on street cars with which to call out the stops is a new step which the Valley Railways Company is planning to take in the near future. Although nothing definite has been done as yet, the officials want to make some improvements in their cars for the accommodation of patrons and electric bells on the cross river lines are not considered adequate. A passenger riding on one of the cars at night and left to ring the bell for his stop is at a loss to know at what time to push the button because of the darkness. In the city the streets are well lighted and a passenger can see at what point the cars. Through the rural districts, however, conditions are different. Even the conductor at times is at a loss to know where to pull the bell rope, the darkness veiling the houses and objects which during the day tell him at what point to signal the motorman.

Motorman to Use It
 If the company does not adopt the megaphone system, it will be worked by the motorman. The small end of a specially constructed megaphone will reach to a point just in front of the motorman's face, the big end opening into the interior of the car. The motorman, because of his position, is the only person on the car who knows and is able to see the car's exact location at night and for this reason the car company believes the megaphone system would be the most adequate and that the motorman would be the proper man to call the stops, shouting into the small end of the megaphone.

Kocher and Mrs. Margaret Bratton. A handsome large altar Bible was presented to the new order by Senator Boies Penrose. Along with the Bible he sent the pen with which he signed his name. It was chanced off and was won by Miss Hazel Bower, of Harrisburg.

Boy Shot in Hand While Practicing With Revolver
Special to The Telegraph
 New Cumberland, Pa., March 9.—An accident occurred at Elkwood on Friday evening while Wood Davis and Jacob Collins, Jr., were shooting at a mark with a .22-caliber revolver in the stock yards at the rear of Young Bentzel's home. Some snow had gotten on the revolver and Davis struck it against a door to get the snow off, when it discharged, shooting him in the left hand, breaking one of the

 "Who buys good eggs buys many shells;
 "Who buys good ale buys nothing else."

So runs the inscription on an old English tankard. Apply it to newspapers. In order to buy the news of the world one need not buy the bones of biased information, the stones of fake advertising, the shells of sloppy typography. The Public Ledger is the good ale—a newspaper and nothing else.

Jury Trial

Overwhelming Verdict

A few months ago, a man in no way connected with the making of Postum or the marketing of coffee, wrote to quite a number of physicians all over the country asking their unbiased testimony in the case of Postum vs. Coffee.

The following excerpts from their letters constitute an overwhelming verdict in favor of Postum

"I have discarded coffee altogether in my family, and instead use Postum which we find makes a rich, delicious drink, without any of the deleterious effects attendant on the continuous use of coffee."

"Our family have been users of Postum for a long time. We were very liberal coffee drinkers, but were conscious that coffee was harming us—our nervous system, digestion and heart action—so we quit the coffee and began using Postum. Now we relish it far more than we did coffee, and are all relieved of the old coffee troubles. As a physician I have induced several families to quit coffee and use Postum."

"Postum—when it is desirable to leave off coffee on account of overstimulation or gastric disturbances."

"Postum has been used in my family nearly ever since it was placed on the market, and I recommend it to my patients. It is a nourishing drink. A great many families are giving their children Postum in place of coffee with best of results."

"I have used Postum in my family for years with the most satisfactory result,—so much so that we have practically abolished coffee, and with it the coffee headaches, nervousness, and lying awake the best part of the night."

"I drink Postum every morning, and recommend it to my friends who have 'nerves' and indigestion."

"No more coffee for me. I am using Instant Postum and advise my patients to do likewise. I prefer it to the best coffee, and have no more sour stomach attacks as I used to."

"For years I have been using Postum in the family advocating it for my patients. I consider it to be exactly what its manufacturers claim for it. Postum is excellent in place of coffee where the latter is contraindicated. The food value of Postum plays an important part when compared with coffee."

"Have had many cases that could not drink coffee on account of its reflex action on the heart. Postum always supplies the place of coffee without the bad effects."

"I have used Postum for the past eight years in place of coffee. Before that I was troubled with frequent bilious headaches due to excessive use of coffee, and was then advised to use Postum. Since that time I have not had a single attack, which effect I attribute entirely to Postum. I frequently recommend it to others who experience equally gratifying results."

"Hardly a week goes by that I do not advise some patient with an irritable, acid stomach and nervous heart to stop at once the use of all coffee and take up the use of Postum, and always with good results."

"I am satisfied that coffee is responsible in a great degree for the premature breakdown of our active men and women. They suffer from caffeine poisoning. Of the truth of this there is not the shadow of a doubt. Our common sense tells us that the daily swallowing of caffeine—overstimulating the heart and brain—will be followed by nervous depression, and finally by more or less disastrous results. I believe if people in general would use Postum as a beverage in place of coffee and tea their mental and physical condition would be much improved."

In the light of such testimony it would seem the part of wisdom to stop coffee and use Postum. Postum is a genuine food-drink, made of whole wheat and a small per cent. of molasses. Contains the nutritious values of the grain, but is pure and absolutely free from the coffee drug, caffeine, or any other harmful substance.

Postum comes in two forms:
 Regular Postum—must be well boiled to bring out its fine flavor. 15c and 25c packages.
 Instant Postum—a soluble form. A teaspoonful stirred in a cup of hot water—with sugar and cream added—makes a delightful beverage instantly. 30c and 50c tins. The cost per cup of both kinds is about the same.

WHAT TO DO FOR NEURALGIA

The one great symptom of neuralgia is pain; the one great cause is lack of nutrition for the nerves, in plain language—starved nerves. There are two things to do for any form of neuralgia. Apply heat to the affected part to soothe the pain, and feed the nerves by taking a tonic containing the elements needed by them. Heat, as afforded by hot fannel, hot water bags, etc., lulls the inflamed nerves into temporary quiet. It does not cure. Not until the nutrition of the nerves is restored will the inflammation subside. Williams' Pink Pills furnish to the blood the needed elements and the blood conveys them to the nerves. The only way of getting food or medicine to the nerves is through the blood. Remember that. Neuralgia is a general term. It means inflammation of a nerve. It is given different names according to the nerve affected. Sciatica is neuralgia of the sciatic nerve. Application of heat will soothe the pain in all forms of neuralgia and Dr. Williams' Pink Pills will correct the condition that caused it. Your own druggist sells Dr. Williams' Pink Pills and the Dr. Williams' Medicine Co., Schenectady, N. Y., will send you a little book on "Home Treatment of Nervous Disorders" for the asking.—Advertisement.

Camp Hill People Ask For 15-Minute Trolley Service

Camp Hill, Pa., March 9.—Members of the municipal committee of the Camp Hill Civic Club are circulating petitions which will be presented to Charles Bishop, superintendent of the Valley Railways Company, asking him to secure fifteen-minute car service between this town and Harrisburg. There is a half-hour service under the present schedule, but those interested think a change should be effected whereby they could reach Harrisburg or Camp Hill at more frequent intervals.
