

5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

1. HODGDON, ME.—"I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. HAYWARD SOWERS, Hodgdon, Me.

2. CHARLOTTE, N. C.—"I was in bad health for two years, with pains in both sides and was very nervous. I had a growth which the doctor said was a tumor, and I never would get well unless I had an operation. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and I gladly say that I am now enjoying fine health."—Mrs. ROSA SIMS, 16 Winona St., Charlotte, N. C.

3. HANOVER, PA.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WITM, 196 Stock St., Hanover, Pa.

4. DECATUR, ILL.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LAURA A. GRISWOLD, 2300 Blk. East William Street, Decatur, Ill.

5. CLEVELAND, OHIO.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 7305 Madison Av., Cleveland, O.

Midflin County Woman Celebrates 92d Birthday

MRS. NANCY MADDEN
Special to The Telegraph
Lewistown, Pa., March 12.—Mrs. Nancy Madden, of Yeagertown, this county, recently celebrated her 92d birthday anniversary. She makes her home with her granddaughter, Mrs. J. O. Yeager, and is one of the best preserved women of her age in Pennsylvania. Mrs. Madden comes of good, old Scotch-Irish stock, and is descended on her mother's side. Her father was George Eby, of Lancaster county, and her mother was Susanna Lutz, of Huntingdon county. In the year 1810 she was married to Dutton Madden, of Scotch-Irish ancestry, known for his excellent traits of character. Mr. Madden died a few years ago.

Witmer, Bair and Witmer Will Open New Store

Announcement has been made that the firm of Witmer, Bair and Witmer will shortly open an additional store at Williamsport.

The local store at 205 Walnut street was opened about six and a half years ago, since which time the firm has purchased the property 311 Walnut street, at which location they are conducting a branch store known as the Witmer, Bair and Witmer Annex. The parent store is located at Lancaster and is operated under the firm name of Bair and Witmer, occupying two large buildings to which title was acquired some years ago.

The store about to be opened at Williamsport like the others in the chain will be devoted to the sale of ladies' wearing apparel. Important changes and remodeling work are now being conducted and the firm expect to have their new store ready for occupancy by April 1st, or shortly thereafter.

PUPILS MARCH FROM BURNING SCHOOL

Baltimore, Md., March 12.—One thousand pupils of public schools, No. 20, at Eden and Preston streets, were marched from the building in good order by the teachers to-day while fire was making rapid progress through the structure. The building was of brick and old-fashioned construction was completely destroyed.

Recalled Seattle Mayor Is Once More Elected

HIRAM C. GILL
Seattle, Wash., March 12.—Citizens here can find all the elements of woman suffrage, "the more issue" of the direct primary and the recall, in the recent election of Hiram C. Gill as Mayor of Seattle. Gill was once elected Mayor, then recalled, then defeated and was finally elected four times a candidate in as many years. Gill is poor and a lawyer with a large family. He smokes a corn-cob pipe, and a friendly cartoon of him that included the now famous pipe was reproduced as a campaign emblem. Gill admits this cartoon "made him." In March, 1910, Gill men alone voting, Gill was elected on a platform favoring a Red Light District of segregated vice. Six months later the churches began a campaign against the so-called vice syndicate. Eight months after Gill's election the women obtained the right to vote and started a recall movement. In February, 1911, less than a year after he had been elected, Gill was ousted in favor of G. W. Dillingham, men and women voting. The recall had worked. The women had voted. The vice syndicate was destroyed, their buildings torn down and gambling suppressed. A year later, in March, 1912, Gill was again nominated in the direct primary, but was defeated by George F. Cotterill. Much against his will Gill filed for the primary in January, 1914. He polled one-third of the votes, having as many votes as his two nearest competitors. Men and women voted in the primary. Gill's corn-cob pipe, his fight for lower taxes and his assertion that "Gillism is gone forever" and with it segregated vice, were the chief factors in his fight. His irreproachable family life won him the support of a great number of women, despite the church opposition to his candidacy.

HE REDUCED 57 POUNDS
New Method of Flesh Reduction Proves Astonishingly Successful
Johnstown, Pa., March 12.—Investigation has fully established that Hon. H. T. Stetler, of this city, has reduced his weight fifty-seven pounds in an incredibly short time by wearing a simple, invisible device, weighing less than an ounce. This, when worn as directed, acts as an infallible flesh reducer, dispensing entirely with dieting, medicines and exercises. Many prominent men and women have adopted this easy means of reducing

superfluous flesh, and it is stated the inventor, Prof. N. O. Burns, of No. 17 West Thirty-eighth street, New York, is sending these outfits on free trial to all who write him.—Advertisement.

Don't Force The Fire.
Coal should burn to a fine ash without continually raking and poking it.
Clinkers in the ashes is usually a sign that the coal is not right.
Many persons began burning a certain size and grade of coal when they began house-keeping and never change afterwards—thinking all coal is alike because it looks alike.
They waste lots of money burning coal that is not suitable.
Let us send our coal expert to talk over the coal situation with you. We have two coal yards and many varieties.

Two recitations were given by Miss Zay Elizabeth Kunkel, a graduate of the National School of Oratory, Philadelphia; dialogue, "My Mother-in-Law," recitation, "A Medley," Miss Edna Killmore; dialogue, "Sixteen Hundred Years Ago," recitation, "Hawthorn's Childhood," Miss Lois Atticks; play, "The Loan of a Lover," recitation, Miss Zay Kunkel; recitation, "A Smack in School," by Percy Eichelberger.

High School Commencement at Mechanicsburg May 27

Special to The Telegraph
Mechanicsburg, Pa., March 12.—On Tuesday evening the regular monthly meeting of the school board was held and arrangements made for the high school commencement exercises in May. The baccalaureate sermon to the senior class will be given on Sunday, May 24, the class day exercises on Tuesday, May 26, and the commencement on Wednesday, May 27. The class numbers thirty two and will be the largest graduated from the school. W. O. Neidig resigned from the board of directors on account of moving from town this Spring and according to the new school code the board elected Dr. M. M. Dougherty to fill the unexpired term till the next election in 1915. Dr. Dougherty is a member of the high school alumni association, having graduated in the class of '86.

WATCHED ECLIPSE

The almost total eclipse of the moon last night was watched with interest by the astronomical section of the Natural History Society gathered at the Willard school building. A telescope of 55 diameters was used. The moon started into the shadow about 9.45 and by 11.15 was almost in shadow, only a narrow rim being visible. By 12.44 the moon was entirely out of the shade.

The Quickest, Simplest Cough Remedy
Easily and Cheaply Made at Home. Saves You \$2.

This plan makes a pint of cough syrup—enough to last a family a long time. You couldn't buy as much or as good cough syrup for \$2.50.
Simple as it is, it gives almost instant relief and usually conquers an ordinary cough in 24 hours. This is partly due to the fact that it is slightly laxative, stimulates the appetite and has an excellent tonic effect. It is pleasant to take—children like it. An excellent remedy, too, for whooping cough, spasmodic croup and bronchial asthma.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.
Pinex is one of the oldest and best known remedial agents for the throat membranes. Pinex is a most valuable concentrated compound of Norway white pine extract, and is rich in gaulthol and other natural healing elements. Other preparations will not work in this combination.
The prompt results from this mixture have endeared it to thousands of housewives in the United States and Canada, which explains why the plan has been imitated often, but never successfully.
A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
