KIN ERUPTIONS

Evidence of Impure Blood and a Run-Down Condition

When the blood becomes thin, poor, devitalized, nervous, or in such such external evidence for help, and the safest, surest and most helpful remedy we know is Vinol.

This is because it is a combination of the two most world famed tonics, the medicinal curative elements of cod liver oil (without the oil) and tonic iron for the blood. Vinol strengthens the digestive organs, creates a hearty appetite, purifies and enriches the blood, creates strength.

Mrs. Helen Wingate, St. Louis, Mo., says: "I was in very poor health, nervous and run-down, and nothing in the way of medicine did me any good until my druggist recommended Vinol. It built up my health, restored strength and I feel that I owe my life to Vinol. I cannot praise it too highly."

We say positively there is nothing like Vinol to purify and enrich the blood and build up weak, run-down people. If it should fall in your case we will return your money. George A. Gorkas, Druggist, Harrisburg, Penna. Vinol is sold in Steelton by T. Prowell.
