### Owner of New Berlin Hotel Building Arrested For Arson

Special to The Telegraph

Selingsgrove, Pa., April 3.—Alfred M. Herman, a heavy property holder at New Berlin, near here, was arrested there on a charge of arson preferred by W. F. Hartwick, proprietor of the New Berlin Hotel, which is owned by Herman.

On Friday of last week the hotel stable and two adjoining stables were burned at a total loss of about \$7,000. This fire was believed to be the work of an incendiary.

On Monday morning the hotel took fire and after a hard fight flames were gotten under control after several hundred dollars' damage had been done. Hartwick, aided by the insurance adjusters made a careful search of the premises and found seven quart bottles of coal oil secreted in places where their explosion would be most disastrous in case of fire.

Herman was given a hearing at Lewisburg and held for court.

### AMUSEMENTS

**MAJESTIC**  
To-morrow, Matinee and Night—  
"Seven Hours in New York."  
Tuesday, Matinee and Night, April 7—  
"Mutt and Jeff in Panama."  
Wednesday, Matinee and Night, April 8—  
"Neil O'Brien Minstrels."

**"SEVEN HOURS IN NEW YORK"**  
There is said to be a lot of "class" to the musical show, "Seven Hours in New York," which is announced to appear at the Majestic Theater to-morrow afternoon and evening. The author has taken as the theme for this plot incidents based on actual facts and has evolved a story that is both ingenious and uproariously funny. The eighteen musical numbers are all worked in consistently, not being tacked on. It is a big production, requiring the use of a 60-foot baggage car to transport. One of the big features of the musical comedy is the tango dancing.—Advertisement.

### "MUTT AND JEFF IN PANAMA"

In "Mutt and Jeff in Panama," which comes to the Majestic afternoon and evening next Tuesday, fully one-half of the lines, situations and business is the fruits of Gus Hill's indefatigable brain and energy, therefore "Mutt and Jeff in Panama" contains the pure essence of real comedy entertainment, properly compounded right from the doctor's prescription, and is given in large and pleasant doses for a small price of admission. The famous cartoon characters are better surrounded than in either of the previous offerings.—Advertisement.

### NEIL O'BRIEN MINSTRELS

The Majestic Theater will have for its attraction next Wednesday afternoon and evening Neil O'Brien and his "Great American Minstrels," which made such a favorable impression last season on its first tour. While the organization is now only in its second year, the star and his associates have all been identified with the semicircle and the reveling in the past. Chief of the surroundings in a brand new show will no doubt be hugely welcomed by every minstrel fan in the town. There is surely no minstrel entertainer in America more entitled to stellar honors than Neil O'Brien. For years he has been a recognized leader in this particular field of endeavor.—Advertisement.

### COMEDY AND TRAGEDY

"The Green Beetle" and the splendid Keith hits supporting it continue to enjoy prosperity at the Orpheum. Admirers of novel or dramatic offerings are reveling in the excellent Chinese fantasy, "The Green Beetle," while there is every possible shade of comedy embraced in the remainder of the bill to please lovers of the lighter vein of entertainment. Chief of the features that come to the Orpheum next week will be John Hyams and Lella McIntyre, of musical comedy fame, and late stars of "The Girl of My Dreams." The popularity of this couple has long since been established in Harrisburg with Orpheum patrons as well as those who admired them in their legitimate vehicle that appeared at the Majestic on two different occasions. They will offer a pleasing comedy playlet sprinkled with new and useful bits. Also Lou McConnell and Grant Simpson and company make a welcome return, this time presenting a comedy sketch called "The Right Girl." Miss McConnell has been voted many times the funniest girl in the city and on two occasions she grew tremendously popular in a sketch called "Stormy Hour." This playlet dealt with a quarrel between a young married couple who were about to dis-

## FEW MOMENTS! NO INDIGESTION OR SICK STOMACH—PAPE'S DIAPEPSIN

Digests all food, absorbs gases and stops fermentation at once.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and create indigestion; food; breath foul, tongue coated—just take Pape's Diapepsin, and in five minutes you will wonder what became of the indigestion and distress. Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps the stomach regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebelling; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets the stomach straight, so gently and easily that it is astonishing. Please don't go on and on with a weak, disordered stomach; it's so unnecessary.—Advertisement.

## PURE OLIVE OIL

Contains nearly 100% of nourishment, while the next most nutritious grains contains less than 90%, and vegetables very much less. Two tablespoonfuls of Pure Olive Oil contain more nourishment than one pound of meat, and does not overtax the digestive organs. The food value of Pure Olive Oil—providing the quality is right—has no equal, and its nutritive qualities are quickly assimilated by the system and transformed into healthy flesh.

To get the best Olive Oil one must be very particular as to what brand he buys, for all Olive Oils are neither pure nor of first quality. You will never buy any other brand of Olive Oil once you have purchased Olivese.

## OVER HALF OF ALL SICKNESS CAUSED BY CLOGGED-UP WEAKENED KIDNEYS

Hundreds Are Suffering With Kidney Trouble and Don't Know It. Backache, Bladder Disorder and Rheumatism Are The Result.

It is a well recognized fact among physicians to-day that the greater part of all sickness can be avoided by keeping the kidneys working properly. This is even more important than for the bowels to move regularly, because the kidneys and bladder are the filters and sewers of the body. If you suffer with pains in the back or sides, bladder or urinary disorders, lumbago, rheumatism, dizziness, puffiness under the eyes or in the feet and ankles, nervousness, tired and worn-out feeling, or any of the many other symptoms of kidney trouble, don't neglect yourself another day and run the risk of serious complications. Secure an original package of Croxone, which costs but a trifle, take three doses a day, for a few days, and you will be surprised how entirely different you will feel. Croxone overcomes the very worst cases because it removes the cause of

such troubles. It soaks right in and cleans out the kidneys and makes them filter out all the poisonous waste matter and uric acid that lodges in the joints and muscles, causing rheumatism; soothes and heals the bladder and quickly ends all such troubles. It is the most wonderful remedy ever made for the purpose. You will find it entirely different from anything you have ever used. There is nothing else on earth to compare with it. It matters not how old you are or how long you have suffered, the very principle of Croxone is such that it is practically impossible to take it into the human system without results. You can secure an original package of Croxone from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give the desired results the very first time you use it.—Advertisement.

### Convict Labor Will Make Bricks For State Road

"New York will put its prisoners to work making brick to use in the construction of State roads," said Governor Martin Glynn to the great meeting at Carnegie Hall, New York, where the prison labor problem was being agitated. In this way I will stop the grafting contractors from cheating the State and the grafting politicians from sandbagging the contractors. I am grateful to our friend Governor West, or Oregon, for coming so far to point out to us here in New York this practical proposition.

### FEEBLE OLD PEOPLE

Are Told How to Regain Strength and Vigor

As one grows old and waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak. Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia. Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life." If Vinol fails to build up the feeble, old people, and create strength we will return your money. George A. Gorgas, druggist, Harrisburg, Penna. Vinol is sold in Steelton by T.
