COLLEGE GETS BOOKS ON PURITY AND SEX

Chapter of White Cross Single Standard League Makes Present to Lebanon Valley

Special to The Telegraph. Annullville, Pa., April 7.—On Sunday afternoon the following officers of Chapter No. 26, of the White Cross Single Standard League, were elected and installed by State Vice-President Harnish at a meeting in Vice Hall at Lebanon Valley College: President, J. H. Ness; vice-president, Huber Hieintzman; secretary, Ira S. Ernst; and treasurer, Mason Long.

This was the anniversary of the local chapter and as a present to college, in appreciation of its co-operation, the members presented a complete set of purity and sex books written by Professor Shannon. These books will be used as references in the library. Professor H. H. Shenk, former dean of the college, with appropriate remarks, accepted the books and the original charter in behalf of the president of Lebanon Valley College.

Dr. George W. Richards, of Lancaster, lecturer before the Union Theological Seminary of New York city, delivered the anniversary address. His subject was "Being and Seeing."

He told how he and twenty-six assistants cleaned up the clubs in Allegheny county. In his address he appealed to the officers of Lewistown to make an investigation of the liquor business of the several local clubs and appealed to the audience to make charges against the clubs, and have the district attorney start clean-up work in Lewistown.

PASSENGER COACHES BURNED

Special to The Telegraph. New Germantown, Pa., April 7.—Two passenger coaches on the Newport and Sherman's Valley Railroad were almost entirely destroyed by fire, originating from an overheated stove, early Saturday morning. The late evening train from Newport lies over night at this place and is in the charge of Night Watchman John H. Gibbons. Gibbons had made fire in the stoves and then went out to clean up the engine and was thus engaged when he noticed smoke issuing from the coaches and finding the fire was beyond his control, blew the whistle, which soon brought help, but the damage had been done. The fire was not controlled until the inside of the cars were gutted. The trucks were not damaged.

TWO NERVOUS WOMEN Made Well By Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, constipation, headaches, dizziness, noise in my ears, timid, nervous, restless feelings and sleeplessness.

"I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound so I threw away the medicines the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will and I have recommended it in every household I have visited."—Mrs. MARY JOHNSTON, 210 Siegel Street, Philadelphia, Pa.

Another Bad Case. Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak and would have hysterical spells, sick headaches and a bad pain under my shoulder-blade. I was under the care of different doctors but did not improve. I was so weak I could hardly stand long enough to do my dishes. "Lydia E. Pinkham's Vegetable Compound has made me well and happy and I have begun to gain in weight and my face looks healthy now."—Mrs. J. W. HORNBERGER, R. No. 3, Ephrata, Pa.

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing but kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. You may suffer a great deal with pain in the back, bearing-down feelings, headache and loss of ambition. Poor health makes you nervous, irritable and may be dependent; it makes any one so. But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions. A good kidney medicine, possessing real healing and curative value, should be a blessing to every woman who is over-worked.

STAMINA

Stamina is inherent in the Packard truck. The Packard maximum service policy builds it there. The bridge builder's factor of safety is embodied in every part. By the "Factor of Safety" we mean a substantial margin of strength, over and above that generally conceded necessary to withstand the shocks and stresses of road usage. Packard reserve strength is appreciated in the unexpected emergency.
