Two Weeks or More in Colorado—as Inexpensive as Home

You will be surprised to learn how little it costs to spend two weeks or more in Colorado. I have corrected many wrong impressions about Colorado's Hotels and Boarding Houses and my road, "The Burlington," (C., B. & Q. R. R.) now gets out a booklet showing how reasonably and pleasantly one can spend a vacation in Colorado. "I would love to go to Colorado on my vacation this summer, but the hotel prices are so high"—used to be the expression of many. Five minutes talk convinced them otherwise. Colorado has her share of elaborate Hotels, but Colorado has lots of comfortable boarding places where the rates are as low as \$3.00 a week—clean surroundings, and wholesome, appetizing fare. I would like to send you a copy of our booklet. It will give you an entirely different idea about Colorado's Hotels and boarding houses, their locations, rates, conveniences, elevations and other information. In addition, it gives full particulars on Colorado—its attractions and points of interest. Wm. Austin, General Agent Passenger Dept. C., B. & Q. R. Praises This Remedy for Lung Trouble

Many people are led to believe that lung trouble is uncurable. This is not the case, as many have been restored to health by Eckman's Alternative. Investigate this. Bowling Green, Ky. R. No. 4. "Gentlemen:—In 1901 I had a severe cough for six months. I tried all the medicines that my doctors recommended, but no results came for the better. I had night sweats, and would cough and spit until I got so weak I could hardly do anything. But, at last, James Deering, of Glasgow Junction, insisted that I try your medicine. In one week there was quite an improvement in my condition, and after I had taken several bottles I felt as well as ever in my life. I firmly believe Eckman's Alternative will relieve any case of lung trouble if taken before the last stage." (Abbreviated).

(Affidavit). A. C. BETTERS WORTH. Eckman's Alternative is most efficacious in bronchial catarrh and severe throat and lung affections and upbuilding the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Sold by leading druggists. Write Eckman Laboratory, Philadelphia, Pa., for booklet of recoveries. — Advertisement.

Good Friday Music By Zion Lutheran Choir

The choir of Zion Lutheran Church will give Reed's beautiful and dramatic cantata, "The Burden of the Cross," on Good Friday night.

This work is replete with beautiful solos and choruses unusually well adapted to the text. The opening chorus, "Take Up Thy Cross," which is sung andante moderato, is followed by a soprano solo, "And They Took Jesus." Particularly effective is that part of the solo, "He was taken from prison and judgment." A chorus of men's voices, "And they that passed by" reaches a dramatic climax in the phrase, "Save Thyself." A baritone solo, "My God! My God! Why Hast Thou Forsaken Me?" then follows and is especially pleasing.

Part II opens with a quartet and chorus, "O Saviour of the World," one of the gems of the work. A baritone recitative, "And it was about the sixth hour," leads to the final tenor solo and chorus, "Lord of My Heart." The work will be presented by a chorus of forty voices and a quartet consisting of Mrs. E. J. Deceve, soprano; Miss Nellie J. Bennett, contralto; Sherman Allen, tenor; Fred Lutz, baritone; E. J. Deceve, organist and choirmaster.
