## SUNDAY SCHOOL CLASS WILL GIVE PLAYLET

New Cumberland Methodist Church Members to Have Opportunity of Seeing "Mr. Bob"

The Sunday school class of Professor Albert C. Stock, of the Methodist Church, New Cumberland, will give a playlet Friday evening, entitled "Mr. Bob." The cast is as follows: Philip Royson, Miss Mildred Kaufman; Robert Brown, clerk of Benson & Benson, Miss Alma Leiby; Jenkins, Miss Rebecca's butler, Miss Adelia Snell; Rebecca Luke, a maiden lady, Miss Mary Chapman; Katherine Rogers, her niece, Mrs. Parker Minter; Marlon Bryant, Katherine's friend, Miss Helen Fogelson; Patty, Miss Rebecca's maid, Miss Mary Gracey.

The synopsis of the play: Miss Luke plans to arrange one of her rooms as a winter home for cats. Meanwhile Mr. Brown's coming is anticipated and the entire household is directed not to publish this fact, for he brings a missing codicil from Miss Luke's attorneys. Kitty tells her cousin Philip that a friend of hers, Mr. Bob, will soon visit her and her aunt. Philip arranges a room suitable for a college chum. At length Brown arrives and Philip, supposing him to be Mr. Bob, treats him as such. Of course Brown does not understand, but enters into the spirit of deception, and Kitty's scheme works perfectly. A boat race is on and Philip is not a contestant for he has promised his aunt, Miss Luke, to give up yachting if she will give up cats. However, he is induced to watch the race and sees his own boat leading. Philip vows to bring back the rower that boat on his shoulder and later learns that the winner of the race is Katherine's friend, Miss Marian Bryant, whom she has nicknamed Bob. They play ends happily, as all plays should.

## ONE-HALF BOTTLE OF THE GREAT KIDNEY REMEDY ACCOMPLISHED RESULTS

When I sent for a sample bottle of Swamp-Root, I was in great distress day and night. Before I received sample by mail, I went to our best doctor (and he is second to none in this vicinity) and told him how I felt. He put me up a bottle of medicine. It was about a week taking the medicine, but was no better than when I began. I then began your sample bottle, and before I got through with it, I felt a change. The scalding sensation did not bother only a few times in the middle of the day. I would not have believed such a small quantity would have done so much, but before it was gone I learned that our druggist kept Dr. Kilmer's Swamp-Root and so got a large bottle for one-dollar but actually worth one hundred dollars. I only took one large tablespoonful three times a day and before I had taken one-half bottle I was all right and have been since. Gratefully yours,

GEORGE S. CHAMPLIN,  
State of Rhode Island,  
County of Washington.

Personally appeared Geo. S. Champlin, to me well known, and made oath that the foregoing statement by him subscribed is true.  
E. R. ALLEN, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

## Prove What Swamp-Root Will Do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will cost you nothing. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Harrisburg Telegraph. H. Foreman, Waynesboro, and the buildings were only saved by the fire being subdued. The fire had reached within three feet of the structures.

## WHAT TO DO FOR NEURALGIA

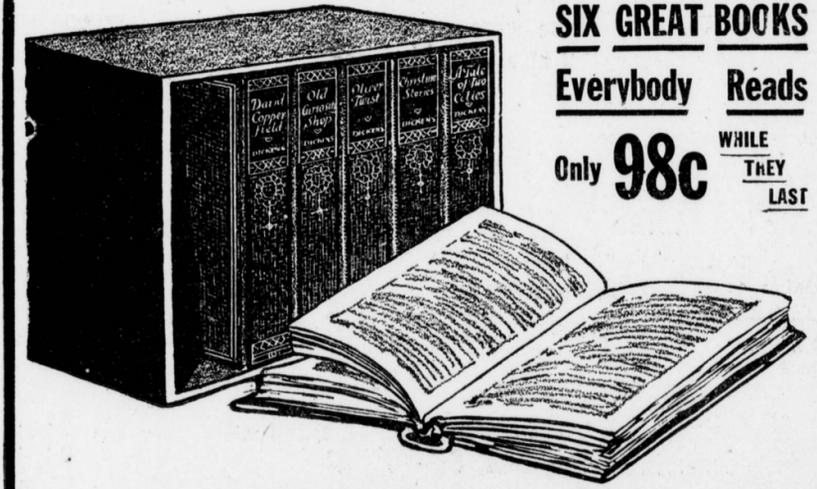

The one great symptom of neuralgia is pain; the one great cause is lack of nutrition for the nerves, in plain language—starved nerves.  
There are two things to do for any form of neuralgia. Apply heat to the affected part to soothe the pain, and feed the nerves by taking a tonic containing the elements needed by them. Heat as afforded by hot flannel, hot water bags, etc., lulls the inflamed nerves into temporary quiet. It does not cure. Not until the nutrition of the nerves is restored will the inflammation subside.  
Dr. Williams' Pink Pills furnish to the blood the needed elements and the blood conveys them to the nerves. The only way of getting food or medicine to the nerves is through the blood. Remember that.  
Neuralgia is a general term. It means inflammation of a nerve. It is given different names according to the nerve affected. Sciatica is neuralgia of the sciatic nerve. Application of heat will soothe the pain in all forms of neuralgia, and Dr. Williams' Pink Pills will correct the condition that caused it. Your own druggist sells Dr. Williams' Pink Pills and the Dr. Williams' Medicine Co., Schenectady, N. Y., will send you a little book on "Home Treatment of Nervous Disorders" for the asking.—Advertisement.
