Experienced Women Advise Mother's Friend

Because it is so perfectly safe to use and has been of such great help to a host of expectant mothers, these women, experienced in this most happy period, advise the use of "Mother's Friend."

Applied externally to the abdominal muscles its purpose is to relieve the undue tension upon the cords and ligaments resulting from muscular expansion. Beneath the surface is a network of fine nerve threads and the gentle, soothing embrocation, "Mother's Friend," is designed to avoid the unnecessary and continuous nagging upon this myriad of nerves. It is a reflex action.

Applied to the breasts it affords the proper massage to prevent caking. Thousands of women have reason to believe in this splendid help under the trying ordeal of motherhood. Their letters are eloquent evidence of its great value to women. In use for many years it has come to be a standard remedy for the purpose.

There is scarcely a well-stocked drug store anywhere but what you can easily obtain a bottle of "Mother's Friend" and in nearly every town and village is a grandma who herself used it in earlier years. Expectant mothers are urged to buy this splendid assistant to comfort.

"Mother's Friend" is prepared by Bradfield Regulator Co. 410 Lamar Bldg., Atlanta, Ga. Send for our little book.

DEMOCRATS TRIED TO SELL POSTMASTER JOB

citizen and businessman of Beavertown, Pa., and a staunch Democrat, sends the following sworn statement to the Beaver Springs Herald for publication, believing it to be his duty to make public his experience with the so-called Democratic leaders of this county, and with Congressman Dersheim, who Mr. Mattern was an applicant for a postmastership under the present Democratic administration:

Sunbury, Pa., Sept. 27, 1913. Mr. Charles Mattern, Editor: Dear Friend: Meet me at Sunbury, Pa., between 4 and 6 o'clock trains at the Aldine Hotel, Wednesday afternoon, October 1, 1913. Acknowledge receipt of this by mail mailed on train at your place to M. S. Schoch at Seltsgrove, Pa.

Very respectfully, A. W. AUCKER.

The above letter was received by me September 29, 1913, and I acknowledged it at once, as requested, and at the appointed time went to Sunbury to meet Mr. Aucker.

Arriving at that place I was met at the Aldine Hotel by both Mr. A. W. Aucker, of Port Trevorton, Pa., and Mr. M. S. Schoch, of Seltsgrove, Pa. One of the first things these gentlemen did was to congratulate me as the next postmaster at Beavertown, Pa. They said they had a meeting September 27, 1913, (which meeting, it developed later, was held at the house of Congressman Frank L. Dersheim, at Lewisburg, Pa.) and that it was positively decided that I should be the man for the Beavertown Post Office. "But," they said to me, "it is necessary that you pay an assessment of Two Hundred Dollars (\$200) at once in cash, no check accepted. This must be wired to Harrisburg and they begin work at once," they said, meaning that the leaders would take up my appointment and get the ball rolling. I told them I was not in shape at the present time; that I had invested all my money, but they would hear from me by next Monday. I never intended to pay one dollar to secure the appointment as postmaster and upon the following Monday I wrote to M. S. Schoch and informed him that I had not decided.

Before we separated at Sunbury on October 1, 1913, Aucker and Schoch informed me that they had the power to establish the second rural mail route at Beavertown.

They further told me that it was the rule to assess an appointee to a post office one-third of the first year's income. Schoch said he had an assessment of \$500.

On October 4, 1913, I met Congressman Dersheim at the "Bean Soup" at McClure and stated the circumstances of the above facts in full to him. He admitted that Aucker and Schoch had met at his home on September 27, 1913, as they stated to me in Sunbury. I told him I would not pay one cent to be appointed postmaster, but since they had decided upon my appointment, if I should fail to get it, I would "squelch." "No, don't do that," said Congressman Dersheim, "because if the Beaver Springs Herald for publication, believing it to be his duty to make public his experience with the so-called Democratic leaders of this county, and with Congressman Dersheim, who Mr. Mattern was an applicant for a postmastership under the present Democratic administration: About two weeks ago Congressman Dersheim came to my place and remained for the greater part of two hours, trying to have me give him free on the two hundred dollar proposition. Mr. Dersheim claimed he heard in Middleburg that I had accused him with the two hundred dollars. I told him not exactly, but I told him that everything was pointing in that direction, which he could not deny. He also said to me, to quiet me, that it looked as if we would have another Democratic administration, then my chance would be good for an office. "Never in this world," I told him, "I will make all these facts public, so the people will know what underhanded methods are going on among the so-called leaders of the Democratic party." I solemnly swear that the above is a true statement of facts, and am of the firm opinion that if I had paid the two hundred dollars cash demanded of me, I would to-day be postmaster at Beavertown, Pa.

C. I. MATTERN, State of Pennsylvania, County of Snyder, ss: Personally appeared before me, a Justice of the peace in and for said county, C. I. Mattern, who, being duly sworn according to law, says that the above is true and correct. (Signed) C. I. MATTERN. Sworn and subscribed before me this 15th day of April, A. D. 1914. (Seal) JACOB A. AIGLER, J. P. My commission expires first Monday in December, 1915.
