

READY TO FIRE FIRST GUN IN STOUGH WAR

Evangelists' Aid Will Tell Hill Men How to Prepare for Campaign at Meeting May 3

Twenty-seven local churches are ready to join with the Rev. Henry W. Stough, Illinois evangelist, and his party of ten who will come here in November for a big evangelistic campaign to last six weeks. A 10,000 capacity tabernacle, to hold also 700 to 800 singers, will go up. The churchward is at present favored, but the site is not definitely fixed on.

On Sunday, May 3, the Rev. F. T. Cartwright, of Delaware, Ohio, Dr. Stough's associate evangelist, will fire the first actual gun of the campaign when he comes here on the invitation of the Allison Hill Men's Christian Association and will address a mass meeting of men and women in Lemney's Theater, 5 South Thirteenth street.

His subject will be "Preparations for a Campaign." The Rev. Mr. Cartwright's visit to the "Pleasant Sunday Afternoon" meeting at this time is complimentary to the association, which, following the visits of its president and secretary to various big campaigns in different parts of the State in January and their report, was instrumental in bringing the local churches and the Stough party together.

The general committee to be entrusted with the campaign will be organized on Friday evening at a meeting in the Fourth Street Church of God, when the pastor and three laymen from each church represented in the call to the Dr. Stough party will attend.

The Rev. Mr. Cartwright will break his journey from Delaware to Hazleton, Pa., to be present and confer with this committee.

The Stough party opens a six weeks' campaign at Hazleton next Sunday. Attracts Big Crowds.—The Rev. Dr. E. W. Johnson, of Philadelphia, is attracting large crowds to evangelistic services at the Paul Baptist Church. The sermons are said to be powerful and compelling and Dr. Johnson has made a deep impression on his hearers. The meetings will continue through next week. Each night they begin at 8 o'clock.

Catholics in U. S.—The official number of Catholics in the United States is 16,098,555, according to advance copies of the Official Catholic Directory received in Harrisburg. The book is the most complete church directory in existence. An increase of 912,227 Catholics for 1913 is accounted for, according to the editor of the directory, in the fact that for the first time an adequate computation of Ruthenian-Greek Catholics is included. The total arrived at, says the editor, an extremely conservative summary, and at least ten per cent. of the number should be added to include the floating population. New York State has the largest number of Catholics, Colorado the least. Pennsylvania is second with 1,684,220.

Y. M. C. A. Preparatory Service.—The Young Men's Christian Association, Second and Locust streets, will hold a preparatory service next Sunday afternoon at 3:30 o'clock, in connection with the Spring Bible conference to be conducted by the Rev. C. J. Scofield, D. D., the week of May 3. The meeting will be one of praise, prayer and Bible study. The musical attraction will be the association quartet. The praise service will be under the direction of the association chorister, W. H. Kautz. Doors will open at 3 o'clock.

To Hold Supper.—The Ladies' Aid Society of the Lutheran Church of Redeemer will hold a supper and waaffle supper this evening between 4 and 10 o'clock in the basement of the church.

CAUGHT IN FODDER CUTTER

Special to The Telegraph. Dillsburg, Pa., April 23.—Walter Lever, whose farm adjoins Dillsburg on the south, had a narrow escape from losing his right hand and possibly his arm by getting his hand caught in a corn fodder cutter.

Greatest Event in Woman's Life

All human experience looks back to motherhood as the wonder of wonders. The patience, the fortitude, the sublime faith during the period of expectancy are second only to the mother love bestowed upon the most helpless but most marvelous creation—a baby. Women are quick to learn from each other those helpful agencies that all to comfort, that conserve their nervous energy and yet are perfectly safe to use and among these they recommend "Mother's Friend."

It is entirely an external application designed to lubricate the broad, flat muscles and skin that protect the abdomen. It has been in favorable use for nearly half a century and is known to mothers in almost every settled community in the United States who highly recommend it. You will find it on sale in drug stores. "Mother's Friend" is utterly harmless, contains no deadening drugs and yet its influence in the skin and muscles beneath as also upon the network of nerves beneath the skin is very beneficial, very soothing and a wonderful help. The muscles expand naturally and are not subjected to unnecessary surface strain and pain. Get a bottle of "Mother's Friend" today at any drug store and write to us for our instructive little book to mothers. Address: Bradford Regulator Co., 413 Lamar Bldg., Atlanta, Ga.

LANCASTER CLASSIS SESSIONS CLOSED

Strong Anti Rum Resolution Passed by Body in Session at Ephrata

Special to The Telegraph. Ephrata, Pa., April 23.—More than 100 delegates, lay and clerical, to-day concluded the sixty-second annual session of the Lancaster classis of the Reformed Church in the Bethany Church here.

Temperance work occupied a large part of the sessions yesterday afternoon. Addresses were made by many ministers and laymen. The following resolutions were unanimously passed:

"Whereas, It is very generally conceded that the example and influence of the saloon is antagonistic to the church, and

"Resolved, That it is the judgment of this classis that the saloon as it prevails in society to-day is a great barrier to the establishment of the kingdom of Jesus Christ, and that we advise the members of the churches to refuse to encourage the saloon as signers of licenses and bonds or in any other form."

The Rev. Dr. Theodore F. Harman, of the Reformed Theological Seminary at Lancaster, addressed the public meeting last night on ministerial relief and said several hundred dollars had been raised during the year for this purpose. The treasurer reported more than \$13,000 mission contributions.

The Rev. F. N. More, superintendent of Bethany Orphans' Home at Womelsdorf, spoke of the work of that institution, which is in excellent condition.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. THE REASON WHY!

Senator Bois Penrose Attacks Administration Policy Toward Mexico

Washington, D. C., April 23.—Action of the American Government in the Mexican situation has been such as to invite the contempt of the civilized world for the State Department and the executive office, according to a statement of Senator Penrose on the floor of the Senate. Democratic Senators clamored to defend the President and the administration's course. Senator Reed characterized Senator Penrose's statement as cheap demagoguery and Senator Shafroth as something of which he should be ashamed.

SACRAMENT OF LORD'S SUPPER

Blain, Pa., April 23.—On Sunday morning the Sacrament of the Lord's Supper will be administered in Zion's Reformed Church in this place and at Sandy Hill Reformed Church in the afternoon. The charge being without a pastor, the Rev. Thomas H. Matterness, pastor of the Reformed church at Landisburg, will conduct the services.

SERIOUS PROBLEM IN COLUMBIA SCHOOLS

Borough Authorities Must Provide Additional Facilities for Accommodations of Pupils

Special to The Telegraph. Columbia, Pa., April 23.—The school board of the borough has been advised by the superintendent of schools that more room will be needed to accommodate pupils in the high school, and in order to comply with his suggestions for increased facilities the directors have been placed in a quandary.

The high school building which the borough occupies is owned and located on land owned by a corporation known as the Old Public Ground Company, from whom the building is leased. This lease expires next year and at the beginning of the next term additional room must be provided. To do this will require the expenditure of about \$25,000 by ground company which they have thus far declined to consider.

At a meeting of the school board last night the secretary was instructed to notify the trustees of the ground company that a joint meeting is desired to bring the question to an issue. Up to this time the school directors have been unable to arrange a conference with the ground company, which has rendered the situation more critical, and now the school board will endeavor to force the issue.

Loving Cup Presented to E. B. Fritz by Friends

Special to The Telegraph. Marietta, Pa., April 23.—Ezra B. Fritz, one of the leading men of the lower end of the county, residing at Quarryville, was presented with a silver loving cup by a number of men from the county, especially made, handsomely engraved, and bears the name of Mr. Fritz, the date, and the names of the donors. Mr. Fritz is held in high esteem by the men of his community and he was more than surprised at the "joke" as he termed it. The presentation speech was made by Dr. T. M. Rohrer, in the office of the Quarryville National Bank. The names of the donors follow: W. U. Hensel, H. R. Brubaker, E. B. McClellan, E. G. Smith, G. J. P. Raub, D. T. Hess, H. W. Lefevre, H. W. Gilbert, Amos Gilbert, S. Milton Hess, E. Snively, Kersey Corrigan, Frank C. Muser, James Boehm, R. Cunningham, L. T. Hensel, T. M. Rohrer, G. D. Good, J. H. Dickinson, George W. Hensel, Jr., Benjamin Fritz, M. Rosenthal, A. S. Harkness, A. D. Conner, Frederick Poutz, J. B. Madesy.

TOLL GATES CLOSED TO AUTO SPEEDERS

Turnpike Company Claims They Have Lost Thousands of Dollars Through Unscrupulous Drivers

Special to The Telegraph. Wernersville, Pa., April 23.—An order to keep all toll gates between here and Hummelstown closed was posted to-day.

The practice of some automobilists, who have been running past toll gates at top speed, for the purpose of evading the toll charges, on the Berks and Dauphin turnpike between Wernersville and Hummelstown, brought this new order.

Anyone running past or through the gates without paying, will be prosecuted. The gatekeepers were instructed in a letter from Secretary William Roedel, to carry out the above instructions.

It is claimed the turnpike company has lost thousands of dollars through the practices of the motorists, and proposes by the new plan to stop this drain.

The first tollgate above Reading is that at the western end of Wernersville, kept by John Reed. This gate will not be closed, in consideration of the automobile owners, on account of the steep grade, but they are expected to stop and pay their toll. Violators will be prosecuted.

The second gate is in charge of Frank Bucks, east of Robersonia. This gate is on a level stretch of road, and so prominent as to be practically impossible to miss. It will be here that the desire to speed along a nice stretch of road will be nipped in the bud by the gate, which will be down at all times.

Beautiful, Soft, Fluffy Hair an Aid to Beauty

Who does not love a head of pretty hair? Some women think it is a gift of nature and envy their more fortunate sisters. If your hair is not fluffy, soft and lustrous; is falling out, streaked, faded, brittle, or full of dandruff, and if the scalp itches, do not think it must always be that way, for pretty hair is only a matter of care and proper nourishment of the hair roots. Hair is something like a plant—if neglected it soon withers and dies while with a little attention it keeps fresh and beautiful.
