

TECH HIGH WINS IN GREAT FINISH

Other Local Runners Were Out-classed; Earl Mickey Stars

Harrisburg athletes went some in the relay races at Franklin Field Saturday. In winning in their group the Tech High bunch outclassed all competitors. This was the only team from Harrisburg that made any showing.

Central started well, but lost when crowded out of the pole position by Atlantic City. Steelton High and Reading High were also in this bunch, but were back of Central. Harrisburg Academy finished fifth in their group in the preparatory school series.

Earl Mickey, of the Lebanon Valley College team, a Harrisburg boy, who won honors, headed his team in several of the events. The work by Tech was sensational, as in this group there were two other fast teams, Radnor and Norristown. Stiteler started off with a good lead. Evans held his own as second man and Heffelfinger quit third with a big lead, giving Davies a good start. Tech finished in 2 minutes 43.1-5 seconds. This time was bettered by two other high schools, one being the championship team. The championship winners follow:

The great spit ball twirler of the New York Giants, who pitched them to their first championship victory of this season by humbling Brooklyn to the tune of 6 to 0. Demaree appears to be the only twirler on the Giant squad who can be relied upon to pitch air-tight ball at the present time.

Major League Work Is Just Ordinary

Records made in the major leagues show nothing unusual for early season work. Sherwood Magee leads the National League hitters, having .579. Meyers, Crutcher and Gougeons have higher averages, but only have been in three games. Killifer and Lobert, with .417 and .412, respectively, are other Phils doing good stickwork, while Cravath is hitting at a .368 clip and Bobby Byrne, Knabe's successor, is credited with .318. Daubert, last year's champion, is traveling at a .355 gait, while Old Man Wagner's bingles average .345.

Eddie Collins is the leading batsman of the Athletics' team, his mark being .412. Melnis and Barry, with .333, are other champions in the select class. J. Franklin Baker has not started rapping the baseball yet and his average is .175. Joe Jackson, with .390, has a start on his rival, Ty Cobb, who is hitting .321.

MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to flush Kidneys if Back hurts or Bladder bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid, which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue coated and when the weather is bad you have rheumatic twinges. The uric gets cloudy, full of sediment, the chance is often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out a few days, and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Lithia Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

Activity Starts in Tri-State; Harrisburg Plays Wilkes-Barre

Teams Will Be on the Field in Full Force Beginning Today

This is the week for the Tri-State and at Philadelphia the general opinion prevails that Bressler will not be sent back to the minors, as Plank believes there is something in the Harrisburg that will show to the advantage of the Athletics this season.

Manager George Cockill is still on the hunt for an infielder and pitcher. He is not building any hopes on getting Bressler back and, while not officially announced, it was stated today that another pitcher had been offered Manager Cockill by Connie Mack.

Bressler is in charge of Eddie Plank

Reading Team Wins Swimming Contest; Event Big Success

Harrisburg swimmers lost to the Reading team in the first indoor swimming contest held at the Pennsylvania Railroad Young Men's Christian Association Saturday night; score, 34 points to 19.

Plunge for Distance—Won by J. S. Tarrington, Reading; distance, 60 feet; second, W. Emanuel, Harrisburg; distance, 47 feet 11 inches; third, W. Gormley, Reading, distance, 46 feet 8 inches.

Football Officials Must Be Examined

Philadelphia, April 27.—Coaches and managers in session here Saturday agreed to have the officials examined before assigned to duties at football games.

Dr. Rabbitt, who presided, explained that the great difficulty in getting competent officials was that the board had no personal knowledge of the ability of the men on the list, and as college managers change every year and coaches frequently move to different localities, there can be no strict methods of keeping in touch and grading the men.

Waiter Camp criticized the lack of knowledge of the rules of otherwise capable officials, and this problem was discussed by Coaches Stagg, Warner, O'Brien and Cavanaugh. It was recommended that the Central Board of Officials devise some method of putting the examinations into effect. The meeting expressed confidence of the colleges in the way the football situation was being handled and asked the board to continue along the same general lines as heretofore. May 28 was proposed for a conference to be held in New York of all college managers of the big colleges, in order that officials for next Fall's games could be settled.

HECKERT AFTER HOOPER: IS NOW WITH FEDS

Special to The Telegraph
 York, Pa., April 27.—Manager Heckert is in communication with Eddie Hooper, of whom it was said he had joined the Pittsburgh Federal League club.

Manager Heckert has suspended "Home-Run" Johnson, Joe Knotts and Paul Davis because they failed to report here on Monday. He has also released D. Davis, the Berwin outfielder; Zetting, a Lancaster county man, and Zinkand, of Hagerstown, Md.

MORE BASEBALL SUITS

Chicago, Ill., April 27.—The Cincinnati Exhibition Company, which operates the National League ball club, filed suits in the Superior Court here to-day asking \$20,000 damages from C. C. Madison, president of the Kansas City Federal League club, and \$10,000 from George Johnson, pitcher, as a result of Johnson's "jumping" to the Federal League. The complaint charges Madison with obtaining a player under contract with the Cincinnati club and charges Johnson with breach of contract.

THE WORLD APPRECIATES DICKENS

The millions of copies, already in circulation, the number constantly being placed in public and home libraries, shows the appreciation of mankind. Dickens grasped the true meaning of literature, which is to improve the condition of the people.

There is scarcely a quarter in the civilized world where the name of Charles Dickens is not known, where his genial and elevating writings are not valued. The ordinary reader has more memories of Dickens whom he has not read than he has of some authors whom he has. This is because Dickens has impressed the mind of the world, his effects everlasting.

The world has adopted the children of Charles Dickens. Her prisons have been rebuilt, her treatment of unfortunate human beings reconstructed, because his pen pleaded for the unfortunate. While we live and while our children live, Sam Weller, Pickwick, Uriah Heep, Micawber can never die.
