New Cumberland, Pa., May 8.—Trinity United Brethren Church was crowded last evening to hear the excellent recital given on the new pipe organ by Frank A. McCarrell, assisted by Mrs. Roy G. Cox, soprano. The following program was given: "Convert," Overture in E Flat; Faulkes; "Evensong," Johnston; "In Springtime," Hollins; soprano solo, "With Verdure Clad" ("Creation"); Haydn; (a) "Toccata and Fugue in G Major," (a la Gigue), J. The new organ was presented to Trinity Church by Andrew Carnegie and N. F. Reed, an active member of the church, and it was mainly through Mr. Reed's efforts and his generous contribution that the splendid instrument was secured. Mr. Reed is a well-known businessman of New Cumberland.

Mr. Reed last night had about fifty guests with him at the recital and he presented each one with a pink carnation. He also presented a bouquet of white roses to Mrs. Roy G. Cox and one of red roses to Mr. McCarrell.

Miss Rhoda Desenberger, who has been the pianist of Trinity United Brethren Church for several years, has been elected organist and will play the new pipe organ. Miss Desenberger is a fine musician, having graduated from Madame Froehlich's music school. She is now her assistant. She is also a graduate of the public schools of New Cumberland.

AH! MY TIRED FEET ACHED SO FOR "TIZ"

How "TIZ" eases sore, swollen, sweaty, calloused feet and corns.

"Just couldn't wait to take my hat off!"

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunton-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture. Get a 25-cent box of "TIZ" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.—Advertisement.

POISONS THAT IRRITATE

When the delicate machinery of the body is not working harmoniously, poisons are retained that should be expelled. These may accumulate in the tissues and cause irritation. Should this irritation affect joints or muscles you have rheumatism; if a nerve becomes inflamed you have neuralgia. But if the system is kept toned up with Dr. Williams' Pink Pills and no body poisons are retained, foods that once distressed you will be harmless, exposure will bring no rheumatism and neuralgia and even germ diseases need hardly be dreaded.

The lowering of the tone of the system which results from thin blood is easy to recognize. Weakness is always present, a tendency to perspire and fatigue easily, ringing in the ears, black spots passing before the eyes, weak back, dizziness, wakefulness and unrefreshing sleep. These conditions Dr. Williams' Pink Pills will correct.

Dr. Williams' Pink Pills build up the blood and strengthen the nerves. In this way the general health is improved, the appetite increases, and the new ambition and energy is developed. These pills are sold by all druggists. Send to the Dr. Williams Medicine Co., Schenectady, N. Y., for the free book, "Building Up the Blood."—Advertisement.
