

# From Eight O'clock Until One To-morrow the Biggest Values of the Whole Year Will Be Presented.

To-morrow, from eight in the morning until one in the afternoon, the Dives, Pomeroy & Stewart store will offer the most important list of savings that has been presented at any time this year. Every department in the store contributes its most seasonable merchandise to this unusual occasion, and in scores of cases the reductions bring the items to less than actual cost at wholesale. All items entering this 5-hour sale will be readily identified by large display cards. In no case will any of the advertised specials be sold after one o'clock. If you are anxious to supply your Summer needs at a mere fraction of regular prices don't miss coming to the store to-morrow morning. No telephone or C. O. D. orders will be accepted on the 5-hour specials.
