STINGY JOE CHABEK WINS FROM TIGERS

Cockill Crew in the Game With Barrels of Ginger; Score, 5-2

Once more Joe Chabek, Harrisburg's veteran pitcher, was stingy with his hits and Trenton was the loser. Harrisburg chalked up a score of 5 to 2. Zeke Wrigley's boys got lost in the steam fog when Chabek's speedy curves passed over the plate.

It was the second time in a week that Chabek let his opponents down with three bingles. Those Chabek pills were also good for stiff joints as Trenton's sluggers learned all sorts of contortions in going after the ball.

After Trenton had tallied in the first, there was nothing to the game but Harrisburg.

Whalen was again the star for Cockill's crowd. "Charley" Miller continues in the game as a winning factor, and McCarthy and Crist were prominent in fast fields.

A FISH STORY

There was a fish Who grew too fat; He worried much And grieved thereat; To train and hunt He did not fail; He exercised His fins and tail.

And yet, alas, He had to live; A single bite He had to give. He ate one fly, Though strange it sounds His weight at once Increased two pounds.

Ritchie Fears Welsh?

WILLIE RITCHIE

Lightweight champion of the world, who is being accused of suffering from a bad case of cold feet, because of his seeming reluctance to sign up for a fight with Freddie Welsh, the English champion.

Welch has been on Ritchie's trail for a long time, and his victory over Leach Cross made it impossible for Ritchie to ignore his challenges any longer.

Ritchie, however, has asked such an enormous sum for his end in agreeing to fight Welsh that there is little possibility of seeing the two in the same ring.
