SENIORS FAREWELL TO CENTRAL HIGH

School Days Close For a Hundred and Fifty Girls and Boys

Over 150 Central high school seniors said farewell to their public school days yesterday with the closing of examination. Trying tests in English and stenography closed the examinations and boys and girls alike exhausted from the hard strain turned their backs on studies, ready to enjoy the festivities of commencement.

The program starts to-day with a jolly picnic at Hershey Park, when the seniors will be the guests of the Philomene Debating Society. The juniors are planning a number of entertainments for the seniors for the reception and dance given by them on Friday, May 29, at Summerdale.

The seniors, as in former years, having been denied a class day, will have a picnic at Hershey on Wednesday, June 3. On Sunday evening, June 7, the Rev. Dr. J. Ritchie Smith will preach the baccalaureate sermon in the Market Square Presbyterian Church.

"Jedbury Junior," the senior play, will be given Wednesday evening, June 10, in the Chestnut Street Auditorium.

Commencement exercises, the crowning event in the life of many students, will be held on Thursday, June 11.

A large number of graduating class will enter colleges in the fall, others entering business and different walks of life.

Memorial Day Events at Both Country Clubs

There will be open house all day Saturday at the Colonial Country Club. Golf, a ball game (if two teams can be made up), tennis, bowling and pool will be held from 10 o'clock to 12 o'clock from 5:30 to 7 o'clock. The club grounds are beautiful at this time of the year and everyone will want to see them.

Features of Memorial Day at the Country Club of Harrisburg will be the baseball game with members of the Reading Country Club, tennis matches and a golf match with members of the Reservoir team. Luncheon will be served at noon and supper at 7 o'clock. Memorial Day exercises in the evening will be followed by an orchestral concert and dancing.

Beck's Minstrels Aid Firemen's Convention

However, they will stand one more good show this season.

The regular summer vaudeville season at Paxtang will get under way tomorrow evening with a regular "big time" bill for the week-end holiday.

Wilson Franklin & Co. will be the headline attraction in a comedy skit in the regular season. Other acts in the bill are "The Great Escape," by Franklyn, no stranger to the park, and "The Comedy Offering," by Franklyn and his troupe.

PALACE THEATER

At the Palace Theater to-morrow Robert Leonard and Hazel Buckman will be featured in a two-reel Rex drama, "Aurora of the North."

It is a romance of the early days in the trackless forests of the great Canadian Northwest when fur traders were monarchs of their domain and upheld their self-imposed authority by force of arms. "The Secrets of the Well," an Eclair three-reel drama, will also be shown.

With the beautiful hand-colored photography characteristic in this film, with the exquisite settings secured from many of the most delightful spots in India, with the splendid acting of a cast drawn from the best theaters in Paris, France, this three-reel photoplay should prove an unusually attractive feature to patrons.

The story discloses an essentially one of adventure; it is a detective tale of peculiar nature chock full of unique incidents, exciting action and mystery.

It has been produced in France and India. In France the early days, a mystifying murder has occurred. The nephews of the murdered man swear to run down the guilty party. Their search takes them to India, where they find into unlooked for and dangerous obstacles. We have the brilliant Oriental fete given in their honor. It is here that Mile. Schage of the Paris Opera Theater, playing the role of the Hindoo Dancer, does a wonderful and alluring dance—a big feature of the play in itself. At this fete an attempt is made on the young Frenchman's lives through poison.

Again, there is a wild chase up one of the rivers, followed by a gun fight and a thrilling escape. In fact, the old saying that "Want of money is the root of all evil" was never better exemplified than in this drama of jealousy, greed and adventure.

Mattis Rouper will also be featured in an Imp burlesque melodrama, "Vasco, the Vampire," which is interpreted by children.—Advertisement.

PHOTOPLAY THEATER

The fourth episode of "The Perils of Pauline" will be shown to-day. In the past these pictures were shown on Saturdays and every person who is following the story can see it to-day. Several other first class pictures will be shown to-day, including "Madame Coquette," a two-reel Lubin comedy drama and "Slippery Slim's Stratagem," an Essanay comedy of great prominence.—Advertisement.

CORNWALL FURNACES WILL SUSPEND WORK

Orders Given by Lackawanna Company to Blow Out Bird Coleman Plant

Special to The Telegraph. Lebanon, Pa., May 27.—L. H. Wolfe, general manager of the Lackawanna Iron and Steel Company plants in this county, on Tuesday afternoon made an announcement that he has received word from the general offices in New York to blow out Bird Coleman furnaces at Cornwall, by the end of the week.

The other of the twin furnaces was suspended about a year ago, and this order will leave Cornwall in idleness. Several hundred men will be thrown out of employment. General depression in the iron market in this county is the cause for the order to suspend. The suspension of the furnaces is also likely to curtail work at the Bird Coleman plant, of the Lackawanna Company, at Sixteenth and Cumberland streets, this city, it is still in operation.

BURGLARS AT WORK

Special to The Telegraph. Lebanon, Pa., May 27.—A band of thieves, after terrorizing the people of smaller communities in this county, last week they boldly entered four adjoining residences in one night at Lawn, and several nights ago burglarized two homes in a row of dwellings at Myerstown. On Monday night they entered the home of George M. Hockenbury, at Myerstown. As the burglars in each case are confined to the first floors, and other earmarks are identical, it is figured that the same set of thieves perpetrated all the outrages.

WRITES SONG

Harry H. Hain, 214 Crescent street, has entered the ranks of the song writers. "Panama" is the title of his song, which has been published by a New York house in Y. Manning, of New York, composed the score, and will be sung at theaters here in a short time.

WHAT NEURASTHENIA IS

Neurasthenia is a condition of exhaustion of the nervous system. The causes are varied. Continuous work, mental or physical, without proper vacation periods, without proper attention to diet and exercise, also worry over the struggle for success, are the most common causes. Excesses of almost any kind may produce it. Some diseases, like the grip, will cause neurasthenia. So also will a severe shock, intense anxiety or grief.

The symptoms are over-sensitiveness, irritability, a disposition to worry over trifles, headache, possibly nausea.

The treatment is one of nutrition of the nerve cells, requiring a nonalcoholic tonic. As the nerves get their nourishment from the blood the treatment must be directed toward building up the blood. Dr. Williams' Pink Pills act directly on the blood and with proper regulation of the diet have proved of the greatest benefit in many cases of neurasthenia. A tendency to anaemia, or bloodlessness, shown by most neurasthenic patients is also corrected by these tonic pills. Your own druggist sells Dr. Williams' Pink Pills. Two useful books "Diseases of the Nervous System" and "What to Eat and How to Eat" will be sent free by the Dr. Williams Medicine Co., Schenectady, N. Y., if you mention this paper.—Advertisement.
