CHABEK CHASES TRENTON TIGERS

Long Drives Feature Debut of Wrigley's Welders at Island Park

Zeke Wrigley's Bengal Tigers were driven to the jungles yesterday by Joe Chabek, score 6 to 2. It was the first visit to Harrisburg for the Jersey Skeeters. Long drives featured the hunt at Island Park. Wrigley's welders chalking up some extra bases. Veteran Chabek was never in danger. While the ninth straight victory for the Harrisburger brought the hardest bumps he has received this season, brilliant work back of the saliva pill driver shut off many chances for the Tigers to score. Handsome Horney was on the hill for Trenton. He too had the support, but was a trifle wild. The Tiger twirler was hit collectively. Lee lead at the bat for Uncle Zeke, and Hammond was the best boy in the field. Crist, Keyes and Whalen were the pill wasters for Harrisburg. Sensational periods marked the work of McCarthy, Keyes, Emerson and Whalen in their garden work. Yale's triple, with Morrow's single, gave Trenton one run in the fourth. A single by Smith, forced hit by Horney and Hammond's triple brought the second. McCarthy's pass, Emerson's out at first and Keyes' triple started Cockill's crew with two runs. Crist's single with Whalen's triple brought the third. Two runs came in the sixth on three singles and fast base running, and Whalen's double with Regans single scored the sixth in the eighth. The score:

President Graham Has Finished Business Here

President George M. Graham, of the Tri-State League, wound up his business in Harrisburg today. He returned to Philadelphia this afternoon. He will go to Wilmington for the penitentiary exercises in the Chick town on Thursday. The Tri-State leader may have to go to York to smooth the troubled waters in that town. Fins are kicking against Manager George Washington Heckert, and an arbitrator is badly needed. Through the efforts of President Graham every league in the country is being scoured for pitchers for the Tri-State.

NEW RIGGING FOR DEFENCE

New York, June 16.—Defiance, the tri-city yachting club, is to be re-rigged again, and when she appears at the starting line with the Resolute and Vanitie she will receive a time allowance from both her competitors. Her bowsprit is to be removed and her sails will be cut down so she will resemble the sloop Dorella, designed by George Oken, who turned out Defiance. Over 4,700 pounds in weight has been hauled out to-day at City Island. Her rig is now being recut in Boston. It is hoped to have the Defiance out for a spin next Saturday. The Vanitie will also be hauled out at City Island. The Resolute is at Bristol, R. I. McCarty, Whalen. Struck out by Chabek, 4; Horney, 4. Base on balls, off Chabek, 2; Horney, 5. Stolen bases, Trenton, 7; Harrisburg, 4. Left on base, Hamilton, Lee, Crist, Cockill. Time, 1:40. Umpire, Glatts.

SHAMROCK IV WINS

Southampton, June 16.—Shamrock IV, Sir Thomas Lipton's new challenger for the Americas cup, yesterday beat the older Shamrock 9 minutes 4 seconds in a race in a moderate breeze. After the spin the challenger went into dock at Gosport for minor alterations. Owing to the exceptional stiffness of the yacht she may be lightened, and it is considered not improbable that the centerboard may be dispensed with, as she sails to windward so well without it.

KEYSTONE SANITARY TEAM WINS

The Keystone Sanitary Company team defeated the Master Plumbers on Saturday, score 11 to 2. A feature of the game was the batting of Naylor who made four home runs. Appley and Naylor pitched right ball while Thomas was touched up for nineteen hits and Brown was knocked down from the box in one half inning.

Women Will Compete in Olympic Events; Some Opposition

Paris, France, June 16.—The delegates from the United States to the International Olympic Congress stood hand in hand with those from Turkey, Japan and France yesterday at the opening session of the congress when they voted against the eligibility of women to compete at the Olympic games. All the other twenty-eight countries, represented by some 200 delegates, voted in favor of the German proposition that women be allowed to compete. The English proposal that points gained by women should be counted in calculating the position of the various nations also was adopted. James E. Sullivan, head of the American delegation, explained on behalf of the United States that he and his fellow-delegates had come to the congress with a mandate to vote against the women. In the course of the discussion there was some comment on American action in the matter. A suggestion from Sweden which attracted attention was that women should organize a series of exclusively feminine Olympic games to be held between the quadrennial Olympic games for men.

Offer Collins More Than \$25,000 a Year to Join the "Feds"

Chicago, June 15.—Eddie Collins, second baseman of the Philadelphia American league team, was offered yesterday the largest salary ever given a ball player, if he would join the Philadelphia "Feds" for the 1915 season, according to a story printed here today. Collins, it is said, did not name the figure, except to say it was not less than \$25,000 a year. He also said he would not leave Philadelphia until the expiration of his present contract, which expires next October.

Central League Game Friday; Battle on Island Ground

Middletown Will Meet New Cumberland For Leadership Honors

After three weeks negotiations with the Central Pennsylvania League, arrangements were completed to-day to have one big important game played at Harrisburg on Friday. Middletown and New Cumberland will be the opposing teams, and it promises to be some battle. The game will be played on the H. A. field, starting at 3 o'clock. Middletown lead the league and New Cumberland is second. Should "Doc" Eby's boys win it will tie up the race. The game is the one thrown out by league officials early in the season. It was played at New Cumberland and was protested because of an illegal decision by the umpire. The president of the league, F. A. Stees, stood by the protest and ordered the game played over. The battle royal will take place Friday afternoon. Arrangements have been made to run special cars from Middletown and New Cumberland for this game. Harrisburg is especially interested and Steeton folks will turn out in large numbers.

Four \$4,000 Houses For North Seventeenth

George A. Schreiner, who has built a considerable number of houses of the better class during the past decade, is now projecting a \$16,000 operation on North Seventeenth street. He will erect from 800 to 808 in that street, four brick houses, each to be equipped throughout with modern finishes and conveniences. The modern tendency toward large rooms with plenty of light and air will be observed as nearly as possible in the erection of these houses. Realty Transfers.—William Gastrock to Robert A. YORK IS AGAIN HARD LOSER

Allentown, Pa., June 15.—After losing the game, York allowed Allentown to melt the ice and the White Roses lost out, score 9 to 7. The White Roses scored six runs in the opening inning on four singles, a double and a triple. Another run was added in the second frame, but after that session Topham braced and held the tail-enders runless. The score by innings: York, 7; Allentown, 9. Batteries: Lloyd, Owens and Lidgate; Topham and Therre.

EAGLES FLY TO VICTORY

The Eagle A. C. defeated the Ridge Avenue M. E. team by the score of 4 to 3. The score by innings: Ridge Ave. M. E., 0 0 0 0 3—3 2; Eagle A. C., 2 0 1 0 1 X—4 6 1. Batteries: Snow and Bowman; Cleary and Comp.

AT PAXTANG PARK

Contrary to a well established superstition among playgoers, Manager Davis established a precedent at Paxtang Park by putting on two wonderfully good vaudeville bills in succession. Last week's bill was one of the biggest hits ever had, but the show this week may be fairly said to be the better one of the two. Originality is again conspicuous in the headliner, the Agouti Family. This group is a genuine vaudeville act, but the manner in which it is handled prevents the act being classed with the average vaudeville effort. The stage is set as a swell European cafe. There are two waiters and two guests. Everything in the place is jugged by the members of the troupe and the clever pantomime work introduced supplies a vein of comedy that is decidedly novel. The real surprise of the bill was Twisto. Twisto is an elongated member of the contortionistic fraternity who is aptly named. He has a shape like a bushy whip and when it comes to the contortion stuff he gives that German fruit known to fame as the pretzel some race for the twisting supremacy. The Thaten Duo sang acceptably, but the real hit of their act was a genuine Holland Dutch wooden shoe dance. We have seen many so-called wooden shoe dances on the stage—this was the real thing. The Thaten Duo introduced the singing group, "Hans" sang but was not encored.—Advertisement.

AMERICANS CHANGE LINE-UP FOR SECOND OF POLO MATCHES

Betting Odds Change But Little, However, and Challengers Remain Favorites

Meadowbrook Club, Westbury, L. I., June 16.—The international polo field was in fine shape this afternoon and announcement was made that, barring more rain before 4 o'clock, the second game between America and England would be played. Last night's rain, it was said, improved the field. Members of both the British and American teams were ready to take to the field for the second match, the former anxious to clinch their claim to the cup and the defenders to even up matters and thus force the visitors to a third game to decide the ultimate victory. There is to be no change in the line-up of the British save for the second contest, but on the American team, while the same players are retained, there is a change in their positions. Devereux Milburn is placed at his old position at back and Lawrence Waterbury at No. 3, thus transposing the two men from their positions in the first match. This new line-up of the American team has restored confidence among their admirers, although the betting odds have changed but little. The challengers are still the favorites to win the second match, the odd remaining at 3 to 1.

Tracing Virginia Boy Thought Stolen by Tramps

Carlisle, Pa., June 16.—Slowly and laboriously tracing the steps of their 13-year-old nephew, who, it is believed, was stolen from his home in Christiansburg, Va., by tramps, Mr. and Mrs. L. B. Williamson arrived here yesterday. The boy was traced as far as the borders of town and a search was made last evening of all the well-known "hobo" retreats in this vicinity. It is believed that the boy and his companions are headed toward Harrisburg and this morning the relatives headed their car toward that city. The boy was found to be missing last Wednesday. He is described as being 13 years of age, with light brown hair and eyes. A boy answering this description was seen here on Saturday afternoon, but search has failed to find further trace of him, and it is believed that he and his companions have reached Harrisburg.

WILL TEACH COLLEGE BOYS

W. D. Moyer is organizing a class among college boys and those entering college in the Fall to prepare them for the college mandolin clubs. Mr. Moyer's work in this line at Gettysburg College and Mercersburg Academy has been very successful this season, the club at Mercersburg being without doubt the best in the history of the institution. Conscience-stricken and wearied after spending the night in a huge box, two boys surrendered themselves to Patrolman Talsey early this morning, confessing to stealing \$6.33 from the collection box at the children's day exercises at Fifth Street Methodist Church. The boys, Lewis Albert, 515 Dauphin street, and Harry Simms, 12, 1901 Wood street, were heard this afternoon at 3 o'clock upon the self-confessed charge.
