HARRISBURG'S HITS WIN ANOTHER VICTORY

Four Pitchers Were Bumped Hard in White Rose Camp Yesterday

Cockill's crew started a four-day trip at home to-day, playing Allentown. Harrisburg is in fourth place, but winning to-day would put the Senators tie with the Teutons. Four victories would give the local Crusaders an advantage in the race for a finish at the head on July 4. The game at York yesterday was a stick battle. Both teams used two twirlers. Harrisburg won by a score of 7 to 4. All pitchers were hit hard. Rain stopped the game in the eighth. York chased Sheridan to the bench in the very first inning, scoring three runs. With only one out, O'Neill was sent to the mound and stopped the run-getting. Owens, who started for York, was also hit hard in the opening round and was given miserable support. Keys was safe on Ritter's error. Crist hit safely and Cockill bunted to Foster, who fumbled the ball and with the bases filled Miller hit safely and two runners crossed the plate. Harrisburg took the lead in the third inning by timely hits. Cockill and Miller singled and Cruikshank tripled. It was at this stage of the game that Owens was yanked from the box and Millman substituted. Whalen hit safely and Cruikshank scored. Doubles in succession by Crist and

Record Price Is Paid For One Ball Game

Toledo, Ohio, June 24.—In one of the most remarkable events in the history of organized baseball, the Athletics lost to the Chicago Cubs here yesterday, score 8-7. This was perhaps the first occasion on record where two major league clubs played without any admission charge. The entire expenses of the day, \$2,000 to each club, were borne by John North Willys, president of the Willys-Overland Automobile Company. It was his desire to give a great outing to all the employees of the great Overland factory, and 12,000 persons saw the contest between the two clubs that in 1910 battled for the world's championship. Home Run Baker lived true to his reputation, lining out a home run over the right field fence on his first trip to the plate.

SEATON IS VERY SORE; THREATENS TO JUMP

Indianapolis, Ind., June 24.—Tom Seaton, pitcher of the Brooklyn Eagles, who drew a three days' suspension, along with Manager Bradley, for arguing with the umpires, said last night that he would quit the Federal League unless his suspension should be lifted by President James A. Gilmore. "The umpires had absolutely no right to suspend me," said Seaton. "I merely asked them about the way one of the pitchers was standing on the mound, and now I have been notified that I have been suspended for three days. This kind of stuff will not go with me."

Resolute Wins Again; Finished Far Ahead

Rye, N. Y., June 24.—All three of the cup defense aspirants, the Resolute, Vanitie and Defiance, met yesterday for the first time in a completed race and finished in the order named, with the flag officer's yacht a winner by many minutes. It was her sixth and longest victory over the Vanitie, which seemed slower than usual, while the Defiance, which had a chance for the first time to show her worth, proved a disappointment. The Resolute finished in 4 hours 54 7/10 seconds.

George Cockill, Bucknell Coach; Hears Good News Early Today

Harrisburg Manager Will Not Quit His Present Job Until Close of Baseball Season

George Cockill was last night elected head coach at Bucknell University. This good news reached the baseball manager through the Harrisburg Telegraph to-day. He had been expecting it but not so soon. Being head coach will not take Manager Cockill away from Harrisburg at this time, but does mean that Tech high school will have to look after another football coach for next season. As head coach at Bucknell George Cockill succeeds "By" Dickson who had charge of the baseball, basketball and football teams at Bucknell, and resigned to accept a similar position with the University of Pennsylvania. The election of Cockill is for two years. His home is at Lewisburg and he has been identified with Bucknell for a long time. Cockill assisted Dickson last season and was very popular with the players and students. Cockill had the rare distinction of earning four Bs in one year, having made the football, basketball, baseball and track teams in his senior year at Bucknell. The Athletic Advisory Board awarded track Bs to Yowen, Evans, Butt, Smith, Wel-

New York, June 24.—Princeton defeated Yale in the deciding contest of their series on the Polo Grounds yesterday in a well-played game. The score was 1 to 0. Deyo and Way had a sensational pitchers' battle and the little Princeton star won by a shade. He permitted only three hits, all of them going to Hanes, who had a perfect batting average. Princeton scored the only run of the game in the fourth inning. Both teams fielded in sensational style. Gill made two pretty one-handed pickups at third for Princeton, while outfielders Falsey, Green and Laird made good catches.

P. A. makes men smoke hungry. Just you get a whiff of "the national joy smoke" and it's dollars to doughnuts you beat it 'cross lots to the nearest store that sells tobacco—and stock up! The flavor and aroma of Prince Albert has got 'em all backed off the boards. It sure will hit the spot with you. Get the drift of that? PRINCE ALBERT the national joy smoke just does all that we say it will do. It can't bite your tongue and it can't parch your throat. All this is because P. A. is made by a patented process that cuts out the bite! Why, this process has simply revolutionized smoking tobacco. Prince Albert rolls up the bulkiest makin's cigarette you or any other man ever smoked. It puts the jolt of joy right into your system. You can just do "makin's" sunrise to sunset and have a lot of fun. Why, P. A. in a cigarette is absolutely a revelation. You go to it!
