STATE ASKING MORE ROAD BIDS

Will Be Constructed Under the State-Aid Act, Which Is Not From Auto Licenses

The State Highway Department today advertised for bids on State-aid contracts throughout the Commonwealth, to close on July 21. These contracts for road construction are all part of the State-aid system of road building and are not dependent upon the automobile taxation money which is withheld from the department by the action of the Auditor General and the State Treasurer.

In the bids advertised to-day there is one in Ridgway borough, Elk county, where more than a mile of brick block pavement of the standard width of sixteen feet is to be constructed from the intersection of Main and Depot streets, by the way of Depot and Front streets, to the east borough line. This highway is to be completed by December 1.

Five thousand feet of highway is to be constructed in Milford township, Somerset county, running from the Rockwood borough line in a northerly direction along Cox's creek to a point near the property of J. M. Critchfield. On this highway, which is to be completed by the first of December, alternate bids will be received on water-bound macadam and asphaltic bitu-

minous macadam, penetration method.

Approximately a mile of asphaltic bituminous macadam, penetration method, highway is to be constructed in Summit township, Somerset county, running from the eastern borough line of Meyersdale in an easterly direction to a point near the property of R. H. Whitford. This road also is to be completed by December 1.

In Blossburg borough, Tioga county, nearly two miles of brick block pavement is to be constructed, running from the bridge over Tioga river by the way of the Williamson road to the line separating Blossburg borough from Hamilton township and thence over Williamson road by the way of Carpenter street to the Erie Railroad tracks. This highway is to be completed by July 1, 1915.

Fifteen thousand four-hundred and fifty feet of water-bound macadam highway is to be built from the southern end of Leechburg bridge to the village of Deronda, in Allegheny township, Westmoreland county. July 1, 1915, is the date set for the completion of this work.

A 14-foot brick block pavement nearly 5,000 feet long is to be built from the Sugar creek-Jackson township line to the Shaw bridge over Sugar creek in Jackson township, Venango county, to be finished by the first of November next. This highway differs from nearly all of the others constructed by the State Highway Department in that it is only fourteen feet in width instead of sixteen feet, local conditions having been the cause of the change.

A brick highway now in use in Franklin township, Greene county, is to be extended about 15,000 feet from the southern end of the present pavement near the property of W. F. Blair in a southerly direction on the Smith creek road to the end of the macadam road near the property of Mrs. Juliana

Tenant. This is to be completed by July 1, 1915.

In Bristol township, Bucks county, the Crook road, extending from Crodon station on the New York division of the Pennsylvania railroad to the Newportville road, a distance of approximately a mile, is to be repaired. Alternate bids will be received on amiesite, fibertine, warrenite, unionite and asphaltic bituminous macadam, penetration method. This road is to be completed by the first of December, 1915.

Twelve thousand feet of highway running from the Sellersville borough line south to Deronda's mill and thence westerly to the Telford borough line, in West Rockhill township, and Telford borough, Bucks county, is to be completed by July 1, 1915. Alternate bids will be received on amiesite, fibertine, warrenite, unionite and asphaltic bituminous macadam, penetration method.

James D. Boyles, Old Resident of Marietta Dies

Special to The Telegraph. Marietta, Pa., June 26.—James D. Boyles, one of the oldest and most highly respected citizens of this place, died last evening at his home in Second street. He had not been well for several years, when he lost his eyesight, but was only confined to bed about three days. Deceased was born at Newville, Cumberland county, June 7, 1841, and was just past his seventy-third birthday. He resided in Marietta nearly fifty years. He was married to Miss Mary A. Lilly, December 21, 1865, of Marietta, at the parsonage of the Methodist Episcopal Church, by the Rev. Mr. Matthews. He was employed many years at the Haldeman turnaces, Chickies, and for about fifteen

years was employed at the Marietta silk mill. He served an enlistment in the Civil War, being mustered into service at Harrisburg June 20, 1863, and served six months under Colonel Egge, in Company F, One Hundred and Eighty-ninth Regiment. He and his two brothers, Theodore and Robert, enlisted about the same time, and Theodore was killed in an engagement at the battle of Petersburg. He was a past councillor of Waterford Council, No. 72, Order United American Mechanics and one of its oldest members. Besides his wife he is survived by the following children: Mrs. Emma C., wife of Benjamin Maloney, Marietta; Charles A. Boyles, Columbia; George L. Boyles, Lancaster; Harry W. Boyles, Marietta; William H. Boyles, Lancaster. Twelve grandchildren also survive. Two sisters, Anna and Etta, of Harrisburg; and three brothers, Atchison and John, Harrisburg, and William, Newville, also survive. Funeral services to-morrow afternoon.

Bunion Tortured Feet Quickly Made Well

Try this wrinkle—it's a good one—thousands say you can't beat it. Soak the feet well to-night in hot water—a long hot soaking helps. Then paint on a thin coat of that old reliable "Putnam's Extractor." Next morning the pain is gone, you feel a whole heap better. Keep up the treatment—simply follow the special directions given and off will come the bunion, away will go the corn, you'll feel like a tango artist. For foot comfort there's nothing to beat Putnam's Painless Corn Extractor, 25c, at dealers everywhere, and C. M. Forney.—Advertisement.

Children to Participate in "Marriage of the Tots"

One of the prettiest weddings of the season will take place in the Stevens Memorial Methodist Episcopal Church Tuesday evening, July 14 in the presence of a large number of friends and relatives, when an entertainment, "The Marriage of the Tots," will be given in which from fifty to sixty children will take part. It will be an evening of entertainment and fun. The public is cordially invited to attend this wedding.

given under the direction of the Home Guards.

TAKE EXTENDED TRIP TO SOUTHWESTERN POINTS
