### Democratic Committee Joins Bull Moose Party

Special to The Telegraph  
Washington, D. C., July 10.—Democratic leaders from the South were stunned to-day by the news received from the Third Louisiana district, where yesterday the Democratic congressional committee went over to the Bull Moose party in a body. Louisiana Democrats are out of tune with the

Wilson Administration and are ripe for a revolt. The split in the Third district is expected to extend throughout the State and may result in the election of three Progressive members from Louisiana.  
Another development which greatly grieved Democratic leaders was the announcement that George K. Kindel, a Democratic member of the House, has quit the Democratic party and will in future operate in politics as an independent.  
The leaders in the Progressive movement in Louisiana are all representatives who have heretofore affiliated with the Democrats. They are W. H. Price, L. C. Rogers, Edwin Broussard, John Marks, Samuel Le Blanc and W. T. Peterman.  
Senator-elect Broussard, of Louisiana, a Democrat who at present represents the disaffected Third district in the House, testifies to the character of the men who have deserted the Democratic party on the tariff issue.

### Huerta Orders Trees From Rochester Firm

By Associated Press  
Rochester, N. Y., July 10.—Victorianna Huerta, provisional president of Mexico, has ordered a shipment of several hundred choice fruit trees from a Dansville nursery. The consignment was delivered several days ago at the Dansville and Mount Morris railroad at Dansville which connects with the Erie, but the Erie officials refused to accept it on account of the unsettled conditions in Mexico. The nursery firm then carted the trees to the Lackawanna railroad depot, a mile and a half distant where they were accepted conditionally and ordered held for instructions. Up to date the instructions have not arrived and the trees are still lying in the depot.

Rochester, N. Y. — The dentist attending the eighteenth annual convention of the National Dental Association looked forward with unusual interest to election of officers this afternoon by
