RAINY DAY TOYS On days when children cannot be out and play, the ingenuity and patience of mothers are tested to the utmost. Pamos pictures to cut and paste; paper dolls to paint; barns full of animals to color; transfer pictures; books that glue built, and soap bubble outfits are here for children's amusement and instruction. Marianne Kinder Markt, 218 Locust street.

WHEN "DRY" IS WET

When clothing and the nest raiment is "dry cleaned" it does not mean what the name usually implies. Dry cleaning consists of a process of rinsing in which a certain kind of soap has been dissolved which acts the same as ordinary soap does in water. It removes all soil and grease spots without injuring or shrinking the garment. Phone for Finkelstein, 1320 North Sixth street.

BUSINESS NEGLECTED

Is business lost. Your mailing list or the city directory is filled with names of people who are interested in your merchandise. Remind them occasionally that you have just the thing they need. Our facsimile letters cannot be detected from the original typewritten one. Weaver Typewriting Co., 25 North Third street.

AWNINGS IN DEMAND

The hottest days of summer are yet to come and the advantages of awnings over shades is apparent by the increasing demand. For best materials and estimates consult Harris, 221 North Second street.

Service and satisfaction have been indelibly stamped upon every one of the thousands of Lester's which for more than a quarter of a century have been spreading joy throughout the country. It is that quality which makes every Lester owner delight in its possession, proud to have it in his home. H. G. Day, 1319 Derry street.

PRANKS OF LIGHTING

Columbia, Pa., July 17.—Lightning played peculiar pranks across the Susquehanna river in York county during the storm Wednesday evening. A number of men were threshing in the barn on the Yohn farm, three miles west of Wrightsville, when a bolt struck the barn and killed a mule standing in the stable. A horse in the same stable was badly stunned and may die from the shock. The men were greatly shocked but no other damage resulted.

"MADE TO ORDER"

There is a lot of satisfaction in saying that your suit is made to order when some gentleman friend asks you where you bought the suit. It indicates that you are particular about the cut and fit of your clothes and want them to conform to your own figure in accord with the latest approved fashions. This month you can save \$3 to \$10 on a custom-tailored suit at Shope's, The Hill Tailor, 1241 Market street.

GOOD EYES AID THE EARS

Did you ever notice one who is hard of hearing observe the movements of the lips closely? By associating sounds, though indistinct, with the movement of the lips many people are able to hear that which otherwise would be unintelligible to them. Safeguard your eyes. Ralph L. Pratt, eye-sight specialist, 807 North Third street.

"— AND A LOAF OF BREAD"

How often have you heard this careless off-hand expression at the store or over the phone. Bread is the most important food we have, yet purchased most carelessly by many people. Learn to discriminate in buying the staff of life as well as in other things. Ask for Holsum or Butter-nut bread, the best that science and skill can produce.

IF I ONLY HAD THE MONEY!

A frequent expression heard from those who have a desire but lack the funds necessary. Small sums of money may be secured from us at any time at lower rates than any other loan company, yes, even lower than the law allows us to charge. Pennsylvania Investment Co., 132 Locust street.

Columbia, Pa., July 17.—Meat prices in this county have taken a sudden rise, having been advanced from 2 to 4 cents a pound. The rise in prices is about the same on all kinds of meat, and round steak has reached the 25-cent mark, while other kinds are correspondingly high. The advance movement has also extended to poultry, which has also kept pace with prices for other meats.
