PRIZE FOOD Palatable, Economical, Nourishing A Nebr. woman has outlined the prize food in a few words, and that from personal experience. She writes, "After our long experience with Grape-Nuts, I cannot say enough in its favor. We have used this food almost continually for seven years.

"When I quit tea and coffee and began to use Postum and Grape-Nuts, I was almost a nervous wreck. I was so irritable I could not sleep nights, had no interest in life.

"After using Grape-Nuts a short time I began to improve and all these ailments have disappeared and now I am a well woman. My two children have been almost raised on Grape-Nuts, which they eat three times a day.

"They are pictures of health and have never had the least symptom of stomach trouble, even through the most severe siege of whooping cough they could retain Grape-Nuts from all else failed.

"Grape-Nuts food has saved doctor bills, and has been, therefore, a most economical food for us."

PENNSYLVANIA ONLY STATE WITH NO DEBT

Obligations of 49 Commonwealths Aggregate \$422,796,525— U. S. Owes \$2,916,204,914

Washington, D. C., July 24.—Pennsylvania is the only State in the Union free of debt. This is shown in a statement issued by the Census Bureau.

In only a small number of States does the per capita debt amount to one-half that of the national Government. New York has a per capita debt of 24 cents. The lowest is Kansas, where it is 4 cents.

According to the bulletin, the total debt of the forty-eight State governments June 30, 1913, amounted to \$422,796,525. Of this total, \$403,366,569 represented funded debt, and \$19,429,956 represented floating debt.

As an offset item against this total debt, the forty-eight States reported \$76,990,371 in sinking fund assets, leaving their debt (less sinking fund assets), \$346,376,198. The per capita debt for the forty-eight States amounted to \$3.57 on June 10, 1913.

In contrast with the debt of the forty-eight State governments, the national Government had a total debt on June 30, 1913, of \$2,916,204,914. Of this total the funded debt amounted to \$2,849,523,329, while the floating debt amounted to \$66,681,585.

The net debt of the national Government represents three times the total net debt of the State governments. Of the total per capita debt of \$14.15 (national and State) the debt of the national Government is 10.59, or 75 per cent, while the debt of the State governments is 3.57, or 25 per cent of the total.

Washington, D. C., July 24.—It was evident that the Senate foreign relations committee would refuse a hearing to Theodore Roosevelt on the "Columbian Treaty." The fact that he is an ex-President of the United States will not be allowed, it is said, to outweigh the conviction of democratic members that the treaty would suffer by his attack.

Republican members of the committee favor the granting of Roosevelt's request.

Sunbury, Pa., July 24.—While fishing in the Susquehanna river here last night Joseph S. McCombs, city editor of the Sunbury Daily Item, caught five fine black bass. The largest was 20 inches long and weighed 3 pounds and 4 ounces. It was the biggest black bass taken here this year. He used a helgramite for bait.

Sunbury, Pa., July 24.—A peculiar mix-up tied up traffic on the Sunbury Bridge Company's structure crossing the Susquehanna river here yesterday. A hay wagon and an ice cream cart sidwiped each other. A horse was thrown and got tangled up in the wheels of the ice cream wagon. A couple of street cars and a dozen automobiles were held up, but no one was hurt.

Threshermen's License Boosts Threshing Price

Dillsburg, Pa., July 24.—The law enacted by the last legislature compelling threshermen to take out a license to run their traction engines on the public roads and making them liable to all damage to the roads and bridges is not only proving expensive to the farmers, but also causing inconvenience to the farmers of this section.

A number of threshermen rather than take out a license are leaving their rigs stand idle, thus causing a delay for those wishing to thresh their crops by being compelled to wait on the over-worked machines to make their rounds.

Those who have taken out license have advanced the price of threshing a cent on each bushel, thus making the price for threshing oats 4 cents per bushel and wheat 4 cents.

Waynesboro, Pa., July 24.—Fifteen stitches were required to close a ragged gash in the hip of a horse belonging to George W. Smith, which was kicked by another animal in the stable Wednesday night. The wound was nearly a foot in length.

FRECKLE-FACE

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.—Advertisement.

To Properly Treat Obstinate Wrinkles

Particularly where wrinkles are long and deep, the massage devotee is apt to rub too hard and too frequently. This loosens the skin, stretches muscles, and aggravates the wrinkled condition, just the opposite result from that desired.

Better than massaging, or anything else, for the most obstinate wrinkles, and we advise you to use a formula well known in England, which you may readily avail yourselves of, as you will find no difficulty in procuring it in this country. It is this: One ounce powdered sazone, dissolved in one-half pint witch hazel. Bathe face, neck or hands in this.

The effect is really marvelous, not only as to wrinkles, but also in cases of baggy cheeks and chin. Marked improvement is noticed after the very first application. The lotion is cooling and soothing, tending to relieve fatigue and remove "that tired look"—Advertisement.

A second section of the train leaving Dillsburg at 8:25 had to be run to accommodate the people. Music was furnished by the Lemoyne Band throughout the day.
