THE BRAND-NEW BIBLE

Samuel G. Blythe is the author of a story called "On the Water Wagon." Two or three months after the story appeared in book form, a man who had been an habitual drunkard went to a priest to take the temperance pledge.

After the pledge had been administered, the priest said:

"Now, I'm going to give you a little book to read. I want you to read something in it every day. It's not a part of the Bible, but it's a fine book. I call it the Drunkard's Bible."

He then handed the man who wanted to reform a copy of Blythe's book, explaining:

"This is a fine piece of work. I give it to a good many people. It should hold you steadfast in your purpose to reform."

Some weeks later a friend met Blythe on the street and told him about the Drunkard's Bible, thinking that the author would be greatly pleased.

"Who was the man who wanted to reform?" asked Blythe.

The friend told him.

"Oh, that dummey!" exclaimed Blythe. "He's been drunk for the last ten days."—The Popular Magazine.

KILL THE ARMY WORM

We have the stuff that does the trick. Arsenate of lead in liquid form is most convenient. Ten-cent package will make one to two gallons of the solution, sufficient for the average lawn. An effective remedy. Get it now and use it before it is too late. Potts' Drug Store, Third and Herr streets.

PARENTS TELL US

That our Mary Jane pumps for children at \$1.25, \$1.50 and \$2.00 are the best buy at the price they have ever seen. And so neat and dressy-looking. Made in patent and gun metal leathers, they are ideal for summer wear. When you want to further your shoe money it will pay you to ride a little farther and see Deichler, Thirtieth and Market streets.

INNER SATISFACTION

Miller red inner tubes are built for satisfaction. Quality regardless of cost is the basis on which they are made. They are pure gum, heavier and stronger than the average; exceptionally elastic, and do not lose their shape, and the value is doubly reinforced by a large, strong base, giving protection where it is most needed. PERSONAL ACCIDENT

Vacation time increases accidents. We write policies for one day or for a whole year. There's a neat combination of \$1,000—Accident Insurance, \$5 weekly indemnity and \$250 pure Life Insurance for \$10, that's hard to equal. It doubles for travel accidents, too. THEATER SEASON FOR 1914-15 OPENS SOON

Majestic and Orpheum Theaters Being Re-decorated and Beautified

VAUDEVILLE BEGINS AUG. 17

Legitimate House to Show Many Hits of Metropolis During the Winter

With announcement yesterday of an early opening of the theatrical season in Harrisburg, Walter and Vincent and Nathan Appell, through their local representative, C. Floyd Hopkins, promised Harrisburg patrons a record season for good things.

The season will begin at the Orpheum, August 17, two weeks earlier than this playhouse has ever opened before. The Majestic will open some time in September, the definite date to be announced later in the week. At both the Orpheum and Majestic Theaters decorators, painters, upholsterers and carpenters and electricians are at work making elaborate improvements.

Speak for his firm, Manager Hopkins said:

"We look for a successful season. It is our intention to give Harrisburg the latest London and Metropolitan successes in both vaudeville and legitimate productions. In vaudeville new acts which have held the stages in many large cities for long runs will be featured at the Harrisburg theaters. Many of the big acts which were a hit in seasons past will be returned.

High Class Productions

"At the Majestic Theater every effort will be made to give the patrons what they want. There will be attractions to suit all classes of theatergoers. The lovers of high class repertoire will get a series of first class companies. Friday will be burlesque day, but instead of the old-time slapstick burlesque shows, there will be catchy musical comedies. Among the bookings announced are:

Hammerstein's "High Jinks," for September 10; and "Potash and Perlmutter," the George M. Cohan success, which has had a run of 450 nights in New York; "A Pair of Sires," Billie Burke, a revival of "The Prince of Pilsen," John Bunny and Co.; Shubert's success, "72-72"; another Cohan success, "Seven Keys From Baldpate," in which will be a well-known Harrisburger, Kitty Mackay; "September Morn," a musical comedy; "The Yellow Ticket"; "The Dummy," a detective play by Lottie Blair Parker; John Drew, "The Little Cafe"; "Omar, the Tentmaker"; Maude Adams; "Adele"; "Too Many Cooks," with Frank Craven; Raymond Hitchcock, and "Hanky-Panky."

Repertoire Also Promised

The repertoire companies will include Kirk Brown during the week of September 28; Myrtle-Harder Stock Company, week of September 2, and Arthur Chatter Company, week of January 11.

Attractive Interior at Majestic

It is at the Majestic Theater where the patrons will see the elaborate changes. The interior will look like new. Brighter colors are being placed on the walls and the shades will give the overhanging galleries an appearance of being higher up and take away that "squatty" appearance which has long been a subject of criticism. The interior is being done over in cream and gold and the lighting will be in a rich shade of drab. The lighting facilities will be changed.

The shades throughout will be on the style of the New York theaters. The lobby at the Majestic are being reconstructed and will be lighter and more attractive. The base will be of a golden brown, shaded up to a light cream tint running to the ceiling. The ceiling will be of pale blue and include golden ornaments in the domes. The work at the Majestic Theater is in charge of Herman DuBrau, of Cumberland, Md. As soon as the work is completed Manager Hopkins expects to have an inspection day.
