# Doctors Speak Out to Coffee Drinkers

The Boston Advertiser of June 15, 1914, quotes Dr. D. H. Kress, of Chicago, in an address as saying that tea, coffee and cocoa cause more deaths than alcohol.

"These table beverages are sapping the life of our nation. They are making us a race of weak-kneed, weak-livered beings, unable to reproduce ourselves. The kidneys and liver do not perform their proper functions and the waste matter left in the system tends to bring on arteriosclerosis.

"Statistics show conclusively that as the consumption of coffee, tea and cocoa have increased, the number of nervous diseases and insanity have increased proportionately."

This strong statement from a medical authority, cannot be lightly disregarded.

It is easy to prove in one's own case whether coffee is the cause of frequent "spells" of nervousness, indigestion, biliousness, liver complaint, headache, heart disturbance and other ills.

Quit coffee 10 days, and in its place use

# POSTUM

then note the difference.

Made from prime wheat and a bit of molasses, Postum is a pure food-drink, entirely free from the pernicious drugs in tea and coffee, or any other harmful substance.

In thousands of homes Postum supplies a table beverage, pleasant to the taste, and to be used freely as a re-builder, where coffee and tea tear down.

Postum comes in two forms: Regular Postum, must be boiled, 15c and 25c pkgs. Instant Postum, a soluble form, made in the cup instantly, 30c and 50c tins.

Grocers everywhere sell both kinds and the cost per cup is about the same.

## How to Lose Your Tan, Freckles or Wrinkles

A day's motoring, an afternoon on the tennis ground or golf links, a sunbath on the beach or exposure on a sea trip, often brings on a deep tan or vivid crimson or more perplexing still, a vigorous crop of freckles. A very necessary thing then is mercurized wax, which removes tan, redness or freckles quite easily. It literally peels off the affected skin—just a little at a time, so there's no hurt or injury. As the skin comes off in almost invisible flaky particles, no trace of the treatment is shown. Get an ounce of mercurized wax at your druggist's and use this nightly as you would cold cream, washing by bathing the face in a solution of powdered axolite, 1 oz. dissolved in witch hazel, 1/2 pt. This is not only a valuable astringent, but has a beneficial tonic effect also.
