HARRISBURG WINS IN COMEDY OF ERRORS

Cockill's Hitters Save the Game With Long Drives; Youngsters Do Good Work

Lancaster, Pa., Aug. 20.—Harrisburg won a victory over Lancaster yesterday; score, 6 to 4. The game was a comedy of errors. Eddie Hooper's roses backed up a youngster batter and played worse than the new recruits.

Stevens was touched up at intervals, while John Fox managed to hold his own in pinnacles. During the game at least a dozen spectators were seen with a good watch. This boy shows the making of a good twirler.

Lancaster scored in the first on McCarthy's error of dropping a grounder. The manager stole second and scored when Miller threw the ball to right field in trying to catch Ritter napping.

Two more came in the second on Steinbach's single, and a runner's choice, on when both Snavely and Steinbach were safe, and on Crist's overthrow of Clauser's grounder, aided by Clarke's single. The last run of the roses came in the seventh on Clauser's single, Stevens' out and Clarke's single.

Harrisburg scored three in the fourth on a single by Crist, a base on balls to Cockill, Whalen's long double and McCarthy's single. One came over in the fifth on Clarke's mull of Whalen's fly, McCarthy's single, and Jarosick's boot of Emerson's grounder. Another came in the sixth on a single by Keves and Cruikshank's double. The last was scored in the ninth on the roses' overthrow of McCarthy's easy grounder and Ritter's fumble of Fox's drive. The score:

MANY SPLIT HEATS IN LEBANON RACES

Lebanon, Pa., Aug. 20.—With five big racing events on to-day's program, a record crowd filled the grandstands this afternoon. The list shows sixty-two horses entered. While some will be withdrawn, it is probable that several of the races will go over until to-morrow. The races started at 12 o'clock.

Friday promises to be another important day. Horses from Dauphin county will figure in the several events. In view of the fact that the same horses are entered for the Middletown races next week unusual interests is manifested.

The events yesterday brought more exciting finishes. There were split heats with a large number of horses in each event. The 2:30 trot, with fifteen starters, was split. Taber Ward won the first division in straight heats, scoring a mark of 2:19 1/4.

Baron Wilkes was the contestant. The second division was won by Joker D. Zombro, from Philadelphia, the race being declared finished at the end of the fifth heat by the judges.

Arlington Axworthy won the only heat raced in the 2:19 pace. The summaries: 2:30 class trotting, purse \$25 (first division).

CRUCIAL TIME HERE FOR COCKILL'S CREW

Home With Lancaster Today at Allentown Friday and Saturday

Cockill's crew came home today for a battle with Lancaster. Harrisburg will journey to Allentown tomorrow for the first of a series of games which will be important factors in this season's results.

It will be the final visit of the Cockill crusaders to the Teuton's battlefield. Taking two games from the Johnny Castle bunch would cinch Harrisburg's chances. Allentown is depending upon their six twirlers to help them out. The Teutons have been greatly favored in being permitted to have six pitchers. Manager Johnny Castle has also pulled over another little scheme to help Allentown. He has arranged for the transfer of the Lancaster and Wilmington games to Allentown.

This is a game that Harrisburg can play as far as Wilmington is concerned. Lancaster has been laying down to Allentown; so have Wilmington and Trenton. This, however, is not worrying Manager George Cockill. While he has not been having a fair deal, the local leader will leave it to the ability of his players to bring victory in the end. Unless there is a big slump in the pitchers hitting and fielding, Manager Cockill is of the opinion that he will win the majority of the games with Allentown. The Teutons will be here for four games September 2 and 3.

It is probable that two umpires will officiate at all the games between Allentown and Harrisburg from now until the close of the season.

UP TO SECRETARIES FOR ARMY-NAVY GAME

Annapolis, Md., Aug. 20.—The choice of the scene of the Army-Navy football game this season has been left to the heads of the services, the Secretaries of War and Navy. It is understood here that satisfactory grounds in both New York and Philadelphia are available and it is believed that the Army will acquiesce in the Navy's choice of Philadelphia this year, inasmuch as the Navy gave way last year and went to New York against its wishes.

There is no disposition to permit the choice of grounds to cause a rupture. However, Navy people feel very strongly that the Army should agree to Philadelphia this year. In fact, they hold that as Washington is not available, the West Point people should agree to Philadelphia as the place of the game every year if sufficient seats can be obtained.

McLOUGHLIN HOLDS STATE TITLE

New York, Aug. 20.—Maurice E. McLoughlin defeated R. Lindley Murray by the scores of 6-1, 6-3, 6-4 on the courts of the Crescent Athletic Club yesterday, thereby regaining the title to the New York state lawn tennis championship. Murray plainly showed the effect of lack of practice and McLoughlin had little difficulty in out-playing his opponent. Many brilliant rallies enlivened the match and spectacular shots were features of the play, which drew frequent applause from a large gallery.

Initiated Scarf Pin Leads to Identification of Harrisburg Suicide

Home With Lancaster Today at Allentown Friday and Saturday

Mrs. Harry Helsey, 1719 1/2 North Fourth street, accompanied by her father, C. L. Allen, 1636 North Fourth street, and by Miss Viola Helsey, went yesterday to Lancaster and identified remains found on a skeleton in the Susquehanna as those of her husband, who, despondent because of illness, last April jumped into the river here.

The skeleton was found by Amos Frewey, a fisherman, cast up on an island near Safe Harbor. An initiated scarf-pin, russet shoes and a black belt aided in the identification. The body will be brought here to-morrow and buried in the Helsey family plot in the Harrisburg Cemetery.

HOT WEATHER BILL

Fortunately it's a hot a hot weather bill that opens the Orphan's new season. Good fun and variety, the program being light and whimsical throughout, affords just the entertainment that is most desirable. The bill, together with the cool ventilating system in operation, exists without forget the heat that exists without. There are three funmakers on the program, each one of them of a varied type, and yet in his own particular way, it's pretty hard to say just which is the most popular. One of these is Fred Ardath, dean of "rube" comedians who, with a fine cast of six players called "Hiram on the Farm." Equally as funny is Harry Cooper, the "U. S. Male" carrier. Mr. Cooper is the latest recruit appearing in vaudeville. He is a Hebrew comedian, of the quiet, unctuous type, and before his audience is through chuckling at one thing he has them laughing at something even funnier. Then there is Harry Holman, the actor-manager, appearing in a sketch called "The Merchant Prince, but the title doesn't begin to suggest the clever fun that is layed provokes. Mr. Holman is a comedian of the droll type and he has about the richest lines imaginable. Pretty girls, new songs and variety aplenty make the first bill more than worth while.—Advertisement.
