FALL MILLINERY Important News

Many women took our suggestion last week to do their Fall Millinery buying early. In view of the war conditions abroad there is some danger that we will not be able to duplicate our present lines of early Fall hats, and especially not at present prices. Wisdom therefore lies in selecting your Fall hats now.

We are showing advance models in early Fall hats, including silk velvets in sailor, toque, tam-o-shanter and other popular shapes. A hat that has won favor is the new Jockey Cap which is so popular in New York, for automobiling.

You will also find here the latest novelties in trimmings.

"The Water of Eternal Youth"

The beauties of the Austrian court used a lotion which was so effectual in keeping the face smooth and free from wrinkles, even in the aged, they named it the "water of eternal youth."

Some one recently has divulged the secret of this wonderful, though exceedingly simple, wrinkle lotion, which in her gratitude she has similarly dubbed a preserver of youth: One ounce pure salicylic (powdered), dissolved in one pint witch hazel—that's all there is to it. Any woman can get these ingredients at her drug store, put them together, and use the solution with entire safety. To bathe the face in the same brings immediate results, even in case of the deeper wrinkles and furrows. This is also effective for hanging cheeks and double chin.—Advertisement.

The Truth About CATARRH
 Told in a Simple Way
 No Apparatus, Inhalers, Salves, Lotions, Harmful Drugs, Smoke or Electricity
HEALS DAY AND NIGHT

It is a new way. It is something absolutely different. No lotions, sprays or sticky smelling salves or creams. No atomizer, or any apparatus of any kind. Nothing to smoke or inhale. No steaming, or rubbing, or injections. No electricity or vibration or massage. No powder; no plasters; no keeping in the house. Nothing of that kind at all. Something new and different—something delightful and healthful—something instantly successful! You do not have to wait, and linger, and pay out a lot of money. You can stop it over night—and I will gladly tell you how FREE. I am not a doctor and this is not a so-called doctor's prescription—but I am cured, and my friends are cured, and you can be cured. Your suffering will stop at once like magic.

I AM FREE---YOU CAN BE FREE

My catarrh was filthy and loathsome. It made me ill. It dulled my mind. It undermined my health and was weakening my will. The hacking, coughing, spitting made me obnoxious to all, and my foul breath and disgusting habits made even my loved ones avoid me secretly. My delight in life was dulled and my faculties impaired. I knew that in time it would bring me to an untimely grave because every moment of the day and night it was slowly yet surely sapping my vitality. But I found a cure, and I am ready to tell you about it FREE. Write me promptly.

RISK JUST ONE CENT

Send no money. Just your name and address on a postal card. Say: "Dear Sam Katz. Please tell me how you cured your catarrh and how I can cure mine." That's all you need to say. I will understand and will write to you with complete information FREE, at once. Do not delay. Send the postal card or write me a letter to-day. Don't think of turning this page until you have asked for this wonderful treatment that can do for you what it has done for me.

Sam Katz, Suite 1325 Michigan Ave., Chicago, Ill.
