REACH SEMIFINALS IN TENNIS BATTLES

One National Champion Remains After Yesterday's Matches at Newport

Special to The Telegraph Newport, R. I., Aug. 29.—Maurice E. McLoughlin and Ella Fottrell, of San Francisco, and R. Norris Williams, 2d, and William J. Clothier, of Philadelphia, reached the semifinal round in the tournament for the lawn tennis championship of the United States at the Casino courts yesterday. Williams and Fottrell came through in the upper half and will meet to-day, while McLoughlin will play against Clothier in the lower half. The winners will play in the final round for the title on Monday.

When play started there were three national champions still in the running, but only one remains. Outside of the McLoughlin-Griffin match the day was one of disappointments, for in the other matches the losers did not show anything like their real form. Three matches were straight-set affairs, Fottrell defeating G. F. Touchard, of New York; William putting out Karl Behr, of New York, and Clothier defeating Wallace F. Johnson, of Philadelphia.

To the surprise of the gallery, the champion, Maurice E. McLoughlin, was compelled to play an extra set in his contest with Clarence J. Griffin, of San Francisco. The third set in this match, which Griffin won, 6-3, was the second set that McLoughlin has lost since coming east in the spring. The other set was one which he dropped to Wilding on the last day of the Davis cup matches.

CONNIE SIGNS JOE DAVIS

Special to The Telegraph Philadelphia, Aug. 29.—The Athletics have signed John Davis, a young catcher, who has been starring on the Milford, W. Va., club this summer. Davis played at the University of Virginia last spring and was a star. He was tried out at Shibe Park a short time ago. Connie has his eye on another Delaware star. He is Joe Meadows, ringer for the late pitcher, who has been pitching shutout ball for the Delmar club. Meadows recently went twenty-one innings without being scored on.

NEW FED UMPIRE

Special to The Telegraph Danville, Ill., Aug. 29.—Arthur Quesser, of Danville, former catcher of the Danville and Springfield Three-I clubs, was appointed as umpire in the Federal League. He opens the St. Louis-Kansas series Monday.

MOLLENKAMP RETURNS

Cincinnati, Ohio, Aug. 29.—Constant downpour during the day caused a postponement of the second game of the Phillies-Reds series this afternoon. A double-header will be staged at Redland field to-day. The only bit of news to filter through the Phillie camp to-day was that Fred Mollenkamp, the Cincinnati boy, who for a time was on Doolin's roster, will again join the eastern team. Mollenkamp has just returned from the New England League, to which organization he was farmed out by the Phillies.

"CHARLEY" THOMAS HOST TO BALL TEAM

Popular Manager Has Arranged For a Big Feast at His Home Tonight

Members of the Harrisburg Telegraph ball team, with their wives, will be dined by Manager Charley Thomas at his home, 2008 Green street, tonight. Covers will be placed for eighteen. The Harrisburg Telegraph boys were scheduled to play at Churchtown to-day, but weather conditions were not favorable.

For a team that was picked up by Manager Thomas in short order the Harrisburg Telegraph aggregation has certainly made good. No better team work has been shown by any amateur team than that of the Telegraph.

Manager Thomas is not only an authority on baseball, but he knows a player. He has a bunch of youngsters who ought to prove a big attraction if the line-up continues intact another season.

The Harrisburg Telegraph team has played 29 games up to date. Nine games were played at home and each game was won by the Telegraph. In the out-of-town games 8 victories out of 29 were chalked up. Five games away from home were lost by one run.

The Telegraph scored 153 runs against their opponents' 122 and had a percentage of .558. The scores of each game follow: Telegraph 7, Yanigans 3; Telegraph 9, Garnet A. C. 1; Telegraph 8, D. Reed Bird Shooting Cut Out This Year

There will be no reed bird shooting in Pennsylvania, New Jersey and Delaware on September 1, this year, President Wilson is at Cornish, N. H. Until he signs a proclamation suspending the provisions of the migratory bird law, the reed bird is protected from hunters.

It takes three months' public notice as a condition precedent to the President's suspending the law.

On June 1, the biological survey of the Department of Agriculture gave such notice and the officials having charge of the matter thought it was going through in route when it was found that the recommendation had not reached the White House.

Immediately officials by the survey got busy in an effort to get the President before he left Washington, but the chances are that there can be no action until after September 1, on which day the President returns to Washington.

The season may be from about September 5 to October 31, if the President accepts the recommendation of the survey.

Stallings' Lucky Coin Cannot Be Bought

Special to The Telegraph Chicago, Aug. 29.—In connection with the wonderful spurt of the Braves there is a peculiar coincidence which illustrates the weird superstition of the profession. At the time when the Braves were at their lowest ebb of fortune, Captain Stallings told him the story of the piece and how it was supposed to be a talisman that would effect any wish of its possessor. Stallings, of course, accepted the coin in the half-chaffing spirit in which it was given. Immediately the Braves began to improve in their play. To-day the crown jewels of England wouldn't tempt Stallings to part with his luck piece.

BITS OF SPORTS

Lucky Allentown. Wilmington's farewell to Harrisburg may be without playing a game. Red Cross day go over until next week. It was up to the weather man to-day.

Johnny Castle and his bunch are carrying the horsehoes. Halifax disputes the championship claim of Williamstown and a series of games will be arranged.

Connie Mack will size up Kid Stricker, the former Tri-Stater. Hummelstown will meet Shilling Athletic Club, of Feeding, at Hummelstown on Labor Day. On account of the Middletown races going over until to-day Middletown plays at Highspire.

BOLAND GOES TO DETROIT

Special to The Telegraph Nashville, Tenn., Aug. 29.—Bernie Boland, the Nashville Southern Association pitcher, yesterday was sold to the Detroit Americans according to announcement here. The price paid is said to have been \$5,000. He will report to Detroit September 15.

"Jupe" Joins Allied Forces; Allentown Wins Only Game

Decisive Battles Will Be Fought at Island Park Wednesday and Thursday; Looks Like Great Finish

By "Ump"

Old Jupiter Pluvius joined the allied forces yesterday in the battle to down the Cockill Crusaders. Only one game was played in the Tri-State and Allentown won it. More rain was anticipated to-day. Should Allentown play and win, the Teutons will be but one and a half games back of Harrisburg. The hope of the local fans is that the Ponies will maintain a lead of at least one game until Wednesday, when Allentown comes for four games. Trenton made a game fight for yesterday's game, but Allentown outplayed the Tigers. Johnny Castle and his bunch will play at Reading on Monday and Tuesday. These games, in view of the fact that Manager Izzy Hoffman and his team handed Allentown four games two weeks ago, will be watched closely.

The Great Hal Chase Finds Himself Unpopular in Buffalo

HAL CHASE

His ability in showing up his team mates on the Buffeds, most of whom are "very much to the bush," has made the great Hal Chase one of the most unpopular men on the team in his home town. Chase meets with quite a different reception on the other ball grounds in the Fed circuit and doesn't seem much troubled over the Buffalonian cold shoulder.

LOCAL GOLFERS LOSE

Special to The Telegraph Altoona, Pa., Aug. 29.—In the final play at the Altoona Cricket Club golf matches yesterday, two Harrisburgers lost out. H. W. Perry and Tom V. Devine, Jr.

S. W. Sargent, of Merion, Pa., was winner with one up and nineteen holes. Perry was the runner-up in the first sixteen and was defeated on the final round. Sargent halved the match and won by two on the last hole.

Tom V. Devine, Jr., was defeated in the beaten eight of the second sixteen by L. A. Schwartz, one up. J. H. Harris, of Harrisburg, was defeated by K. C. Witherow, two up. P. J. Heron, Pittsburgh, winner of last year's tournament, captured the beaten eighth for the Governor's cup, defeating G. W. Butts, Altoona, 4 and 3. T. D. St. Clair, Kiskiminetas, Pa., defeated Dr. J. D. Findley, Altoona, and won the Juniata cup.

TEUTONS WON ONLY GAME

Special to The Telegraph Trenton, N. J., Aug. 29.—Johnny Castle and his Teutons trimmed Trenton yesterday, score, 4 to 2. Paris Kunkel held the Tigers five scattered hits. Allentown hit timely. The score by innings: R.H.E. Allentown... 2 0 0 0 1 1 0 0 0 2 5 2 Trenton... 0 0 0 0 1 1 0 0 0 2 5 2 Batteries: Kunkel and There; Meehan and Smith.

EQUIPMENT OF THE NATIONAL GUARD

Use of the National Guard through re-enlistment, in case of war with Mexico, has brought this great body into the public eye again. A statement of Brigadier-General A. L. Mills in Washington, that during the last ten years the organized militia of the country has lost more than \$1,000,000 worth of government property, including arms and supplies of various sorts, indicates that a "war scare" has the same general result as a thorough house-cleaning. The National Guard is one of the most important elements of our military service, and, in case of great war, must always be our chief reliance. There is a vast difference in the organization to-day and formerly. Men still remember when the members of many companies paid large sums for brilliant uniforms which not only lent attractiveness to parades and processions, but to many social functions. Now, with the national government providing only such equipment and clothing as is necessary to enable the organized militia to take the field, there has been a radical change to a simpler khaki suit and plain hat. It might be inferred from this that the War Department does not believe in or approve of full dress uniforms for the militia. On the contrary, the possession of a distinctive uniform, such as is worn by the Seventh and Twenty-third Regiments of New York and the First Troop, Philadelphia City Cavalry, is considered conducive of organization esprit and adds much to the attractiveness of the service. The function of the Federal Government toward the organized militia lies wholly with its field efficiency. "Affairs at Washington," Joe Mitchell Chaplin, in National Magazine for July.
