The General says:

Certain-teed ROOFING
CERTAIN-TEED LARGES OF QUALITY
GUARANTEED

If your dealer offers you an unknown brand of roofing, ask him who stands behind it and whether the manufacturer is a responsible concern. If he doesn't know, or if he refuses to give you the information, you are justified in buying elsewhere. Dealers who handle

Certain-teed Roofing

—do not hesitate to say who makes it. In fact, one of their strongest arguments is to tell their customers that we are the manufacturers of Certain-teed Roofing. Certain-teed Roofing is guaranteed 5 years for 1-ply, 10 years for 2-ply, and 15 years for 3-ply, and we stand behind this guarantee with the biggest roofing and building paper mills in the world.

Each of our enormous mills is a complete producing unit in itself, where we manufacture all of our goods from the raw material into the finished product. We therefore know what goes into our goods, and can give you absolute advance knowledge, in the form of a real guarantee, that Certain-teed is the highest quality roofing possible to make.

Consult your local dealer. He will be glad to give you detailed information about our complete line of goods, and will quote you reasonable prices. Be sure the goods are made and guaranteed by us.
