Opening Display Fall Fashions

A Complete Exhibition of FALL STYLES of Ready-to-Wear Apparel Thursday, Friday and Saturday

This marks the beginning of the Fall Season, and an exhibition of one of the most extensive collections of apparel for women and men we have ever shown. All the new and approved modes gathered from the style centers.

Millinery Opening Days at Bowman's

Charming models—exceptional assortments of all the smartest Autumn styles meet the eye at every turn in this Opening Display—designed to place before the people of Harrisburg and vicinity authentic styles in autumn millinery—and the large number of discriminating customers, who come here exclusively for millinery, shows that our efforts are appreciated.

Large Picture Hats are shown with just a touch of trimming in some light color.

Black Gainsborough Hats will be welcome to the woman who wants a graceful, dressy hat. They are in a beautiful quality of velvet, trimmed in pink ostrich and have the popular Gainsborough tilt.

Millinery Section—Second Floor—BOWMAN'S.

Georgette Sailors, Elongated Sailors and Velvet Turbans are trimmed with monkey fur.

Very smart are the little pointed sailors—Hats coming to a sharp point at the front. Trimmed with White Peacock.

Hats for constant wear in exclusive models in Velour.

A comprehensive showing at moderate prices.

GLOVES

Our stock of Kid and Fabric Gloves is one of the largest we have ever carried, which is most fortunate, as all kinds of gloves have advanced from 20 per cent. to 40 per cent. owing to conditions of European trade.

The Queen of Autumn Styles

Will Be Found in Our Display of Autumn Modes in Women's Suits. Every Garment Represents the Latest and Most Authentic Fashion Edicts

Styles are so radically different from other seasons that women will be more than interested in them. Coats are 34 to 45 inches long in Basque coats and the popular long skirted Redingote effect.

Many are trimmed with handsome silk braids or pretty motifs and velvet collars and cuffs. Plain skirts with cluster pleats. Yoke top and plaited styles are shown. Sashes are seen on many of the new suits.

All the new materials are represented. One that will meet instant favor is Broadcloth, the soft, lustrous texture being most effective in the new Fall styles. Poplins are also very effective. Beautiful, rich, dark shades of Russian green, Negro brown, medium and dark blues, shades of plum and helio and black.

THE COATS

are very smart, mannish or dressy styles, with the modified cape effect and military collars. The new backs that flare; some with sashes or pleated under belt, and new basque models, all shown in the latest materials. WHITE CHINCHILLAS are very popular and will be worn throughout the winter.

Rough cloth for utility coats. Tartan plaids, imported boucles and nub chevrons.

Fur fabrics are much in favor. Combinations of Fur Fabric and Broadcloth are much used.

Display of Gowns Distinctive Models. Gowns That Will Satisfy Individuality in Taste

The choicest autumn styles are shown in Satins, Charmeuse, chiffon, serges, poplins and combinations of serges and satins and poplins and satins.

All new features are shown—the graceful draped basque dress, becoming styles in Ripple or Pleated Tunic, Redingotes, Dresses with vestees and Gladstone collars.

These lovely models are interpretations from leading makers and will please the most exacting.

The New Silk Waists

Most beautiful designs in Satins, Plaid Taffetas, Striped Taffetas.

Some of the most beautiful waists for afternoon wear come in the broad Roman stripe in bright colors. Very handsome with the new vest.

Crepe de Chine in pretty dressy blouses. Charmeuse and satin in the popular basque and semi-basque effects are brought out beautifully in these materials and are mostly in black and white. Deep shirred girdles are seen and give a graceful effect—Chiffons for Dress and Lingerie Waist in endless variety may be seen in our Waist Section.
